World Christians Sunder Krishnan, 1989-12

Catching the Wind of the Spirit Sunder Krishnan, 2010-08-31 In Catching the Wind of the Spirit Rev Krishnan explores eight spiritual disciplines the sails that we must hoist if we are to catch the wind of the Spirit Worship Scripture meditation Study Prayer Confession Fellowship Service and Giving The Holy Spirit is much the same as the wind and the sailboat says Rev Sunder Krishnan It is the Spirit of God who performs the vital work of transforming each of us into the image of our Savior and Lord But in order to be effectively steered and directed by the Spirit we must embrace the spiritual disciplines that will help us gradually and progressively be transformed into the image of Christ Each chapter includes questions for individual or group study

Being Truly Human Mark Mah, 2012-10-12 Our busy exterior may be a cover up for an undernourished interior soul Modern life is so packed with things to do that we have not learned to be truly human It is difficult to nurture the spiritual life in a media saturated world filled with relentless information ongoing activities material wants worrisome uncertainties and seductive addictions Being Truly Human challenges readers to give space in their busy life for God to do the work of transformation in the inner self It takes inspiration from the Desert Fathers of the fourth and fifth centuries whose directness simplicity and concreteness to life's struggles provide a fresh perspective for modern saints Like the desert saints modern Christians are challenged to begin a spiritual odyssey in the wilderness of their soul to become their true selves To be truly human means the freedom to love in concrete acts of humility and hospitality acts which are truly lacking in our world today The practice of solitude and silence will lead us to be indifferent to the crying needs of our false selves and to give God our undivided attention which is necessary for the spiritual formation of our true selves

Conversations with Madeleine

L'Engle Jackie C. Horne, 2018-12-03 Conversations with Madeleine L Engle is the first collection of interviews with the beloved children's book author best known for her 1962 Newbery Award winning novel *A Wrinkle in Time* However Madeleine L Engle's accomplishments as a writer spread far beyond children's literature Beginning her career as a literary novelist for adults L Engle 1918-2007 continued to write fiction for both young and old long after *A Wrinkle in Time* In her sixties she published personal memoirs and devotional texts that explored her relationship with religion At the time of her death L Engle was mourned by fans of her children's books and the larger Christian community L Engle's books as well as her life were often marked by contradictions A consummate storyteller L Engle carefully crafted and performed a public self image via her interviews Weaving through the documentable facts in these interviews are partial lies misdirections and wish fulfillment fantasies But when read against her fictions these truths can help us see L Engle more deeply what she wanted for herself and for her children what she believed about good and evil and what she thought was the right way and the wrong way to be a family than if she had been able to articulate the truth more directly The thirteen interviews collected here reveal an amazing feat of authorial self fashioning as L Engle transformed from novelist to children's author to Christian writer and attempted to craft a public persona that would speak to each of these different audiences in meaningful yet not painfully revealing ways

The Book of Poetry Edwin Markham, 1927 **A Swiftly Tilting Planet** Madeleine L'Engle, 1978 Meg Murry O Keefe and her family are just sitting down to Thanksgiving dinner when her father gets a phone call from the White House about a madman's threat of nuclear war Only an old Irish rune seems to hold a clue to averting worldwide disaster and and when Meg's brother Charles Wallace now fifteen recites it a radiant white beast the unicorn Gaudior appears to join him on his quest But there are only twenty four hours in which to stop tragedy from occurring Can Charles Wallace with the help of Gaudior and Meg possibly succeed

The Rock That Is Higher Madeleine L'Engle, 2018-09-18 We are all strangers in a strange land longing for home but not quite knowing what or where home is We glimpse it sometimes in our dreams or as we turn a corner and suddenly there is a strange sweet familiarity that vanishes almost as soon as it comes Madeleine L Engle from *The Rock That Is Higher* Story captures our hearts and feeds our imaginations It reminds us who we are and where we came from Story gives meaning and direction to our lives as we learn to see it as an affirmation of God's love and truth an acknowledgment of our longing for a rock in the midst of life's wilderness Drawing upon her own experiences well known tales in literature and selected narratives from Scripture Madeleine L Engle gently leads the way into the glorious world of story in *The Rock That Is Higher* Here she acknowledges universal human longings and considers how literature Scripture personal stories and life experiences all point us toward our true home
