Sex, Does it Make a Difference? Jean Dresden Grambs, Walter Bernhard Waetjen, 1975 **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 **Beyond Pictures and Pronouns** Myra Sadker, 1979 A Hunter-Gatherer's Guide to the 21st Century Heather Heying, Bret Weinstein, 2021-09-14 A bold provocative history of our species finds the roots of civilization's success and failure in our evolutionary biology We are living through the most prosperous age in all of human history yet people are more listless divided and miserable than ever Wealth and comfort are unparalleled and yet our political landscape grows ever more toxic and rates of suicide loneliness and chronic illness continue to skyrocket How do we explain the gap between these two truths What's more what can we do to close it For evolutionary biologists Heather Heying and Bret Weinstein the cause of our woes is clear the modern world is out of sync with our ancient brains and bodies We evolved to live in clans but today most people don't even know their neighbors names Traditional gender roles once served a necessary evolutionary purpose but today we dismiss them as regressive The cognitive dissonance spawned by trying to live in a society we're not built for is killing us In this book Heying and Weinstein cut through the politically fraught discourse surrounding issues like sex gender diet parenting sleep education and more to outline a provocative science based worldview that will empower you to live a better wiser life They distill more than 20 years of research and first hand accounts from the most biodiverse ecosystems on Earth into straight forward principles and guidance for confronting our culture of hyper novelty *Resources in Women's Educational Equity*, 1980 Literature cited in AGRICOLA Dissertations abstracts international ERIC ABI INFORM MEDLARS NTIS Psychological abstracts and Sociological abstracts Selection focuses on education legal aspects career aspects sex differences lifestyle and health Common format bibliographical information descriptors and abstracts and ERIC subject terms used throughout Contains order information Subject author indexes **Psychology in Action** Karen Huffman, Karen Dowdell, Catherine Ashley Sanderson, 2017 Revised edition of Psychology in action 2015 *Sex, Gender and Society* Ann Oakley, 2016-12-05 What are the differences between the sexes That is the question that Ann Oakley set out to answer in this pioneering study now established as a classic in the field To answer it she draws on the evidence of biology anthropology sociology and the study of animal behaviour to cut through popular myths and reach the underlying truth She demonstrates conclusively that men and women are not two separate groups rather each individual takes his or her place on a continuous scale She shows how different societies define masculinity and femininity in different and even opposite ways and discusses how far observable differences are based on biology and psychology and how far on cultural conditioning Many books have discussed these vital issues None however have drawn on such an impressively wide range of evidence or discussed it with such clarity and authority Now newly reissued with a substantial introduction which highlights its continuing relevance this work will continue to inform and shape dialogues around sex and gender for a new generation of scholars and students *Sex Roles* Helen S. Astin, Allison

Pareman, Anne Fisher, 1975 *Sex and Gender* Heidi R. Riggio, 2025-10-16 The second edition of this popular textbook provides a current and comprehensive understanding of sex and gender that incorporates biological psychological and social approaches Using both scientific and feminist approaches in its analysis this book shows how sex and gender can only be properly understood when taking into account biopsychological approaches and the interactions between these processes The first section discusses a biological analysis that includes evolutionary cellular and genetic processes The second section considers a psychological and sociological analysis that discusses stereotypes sexism and theories of gender The third section discusses current global challenges surrounding sex and gender such as discrimination and religious and social oppression of various groups The new edition has been thoroughly updated to include more discussion of gender identities such as nonbinary and gender fluid as well as more coverages of global LGBTQIA rights and more global cultures and reproductive rights across the world Sex and Gender is an invaluable textbook that considers biological psychological and social processes as separate entities and interacting processes It is an essential resource for students and instructors on courses relating to sex and gender the psychology of gender gender studies and women s studies who are looking for a thorough analysis of sex and gender studies **Marriages and Families in the 21st Century** Tasha R. Howe, 2017-08-01 Marriages and Families in the 21st Century puts contemporary relationships and family structures in context for today s students Using a bioecological framework the book reveals how families are shaped by multiple influences from biological to cultural that interact with one another Chapters cover topics from parenting to gender issues within an interdisciplinary context weaving in stories visuals and examples of diverse families to dispel longstanding myths The book creates a personalized learning experience with frequent self assessments and strengths exercises while ensuring that students come to understand the research and build scientific analysis and critical thinking skills along the way Robust digital tools and resources including SAGE edge and an interactive eBook with SAGE Premium Video help readers develop a multi layered understanding of today s modern families while challenging them to re evaluate their own assumptions and experiences SAGE Premium Video included in the Interactive eBook Families Today videos boost comprehension and bolster analysis easily accessible via the interactive eBook SAGE coursepacks Our Content Tailored to Your LMS SAGE coursepacks makes it easy to import our quality instructor and student resource content into your school s learning management system LMS Intuitive and simple to use SAGE coursepacks allows you to customize course content to meet your students needs
