Sex God And Marriage:

Sex, God, and Marriage Johann Christoph Arnold, 2008 In *Sex God and Marriage* Arnold addresses the pain resulting from broken relationships and the misuse of sexual intimacy He provides fresh biblical insights into critical issues including the sacredness of sex the struggle against temptation the decision to remain single or to marry child rearing and divorce and remarriage *Sex God and Marriage* offers hope healing and a new beginning to those who have experienced discouragement or failure

God, Sex, and Your Marriage Juli Slattery, 2022-06-07 Many Christian books talk about sexual issues within broader works on marriage but few resources comprehensively and biblically guide couples specifically on sexual intimacy *God Sex and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love Dr Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy Godly sexuality extends far beyond sexual purity and calls us to sexual integrity God invites every couple to view their sexual relationship including their greatest struggles as an avenue to learn about the nature of His covenant love It's God's desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character That desire gives purpose and context to addressing pornography healing from past wounds sexual

incompatibility pursuing pleasure together and forgiveness *Marriage* Christopher Ash, 2005-01-01 The way of a man with a maiden was too wonderful for the writer of Proverbs to understand Preoccupying so many thoughts and dreams the subject of countless songs films and fairy tales the love between a man and a woman has always been a profound and perplexing mystery And yet we do not live happily ever after Four out of ten marriages will end in divorce Couples now choose to live together rather than marry and those relationships are even less likely to last People are having fewer children later and with a succession of partners Ironically just when so much is expected of love Western societies are witnessing lower levels of public commitment in sexual relationships than ever before The scale of this change amounts to a revolution a major historical paradigm shift The statistics mask a depth of pain that every pastor and counsellor knows only too well We must face the inevitable questions if faithfulness is no longer esteemed why get married at all What is marriage What did God intend when he gave us marriage Christopher Ash argues that our modern idolization of the sexual relationship contains within itself the seeds of its own destruction To begin to rebuild a biblical confidence in marriage we need to understand that the primary blessing and purpose of marriage is not sexual intimacy but rather serving God in partnership This in turn leads to the blessings of love friendship children and order in society and will help us to rediscover that faithfulness which is the heart of marriage One of those precious rarities a major piece of biblical scholarship which addresses an issue in today's headlines directly and warmly One to own not to borrow David Field Deeply scholarly extraordinarily thorough and biblically faithful as well as courageously fresh in rethinking the role of marriage in God's intention for human life David Wright Christopher Ash studied at Wycliffe Hall Oxford and then joined the staff at St Andrew the Great Cambridge From there he

headed to a church plant and is now Rector of All Saints Little Shelford He is married to Carolyn and they have four children
