Sex More Than A Plumbing Lesson Teaching Your Kids Sexual Values:

Sex Amy Scheuring, 2003 This practical engaging tell you like it is book will equip you to present your children with timeless truths about sex **Sex is More Than a Plumbing Lesson** Patty Stark, 1991-05 This book was written to assist parents who want to teach their kids about human sexuality but who aren't sure how to go about it and who want some help addressing issues such as helping kids feel good about their bodies helping kids postpone risky sexual behaviors creating atmospheres where sex is easily discussed and more Preston Hollow Enterprises *The Publishers Weekly*, 2003

Sexual and Reproductive Neurorehabilitation Mindy Aisen, 1997-05-21 This well written text thoroughly addresses two quality of life issues in patients with a variety of neurological disorders sexual and reproductive function The devastating effects of a variety of neurological diseases are well known to both the lay and medical communities and are treated in numerous texts However as we continue to experience therapeutic breakthroughs in the fields of neurology and rehabilitation medicine physicians and patients must become more aware of the issues discussed in this text It is particularly important as emphasized throughout the chapters that the physician or therapist initiate conversations with the patients concerning both the possibility of parenting a child as well as the ability of the patient to enhance his/her sexual functioning Commonly in the patient who is otherwise perfectly normal there is a reluctance to discuss these topics and couples often feel embarrassed to initiate a conversation with their physicians This reluctance to initiate a discussion is even more apparent in patients with a variety of neurological disorders in which there are overriding fears concerning both function and survival as well as deep concerns about their own attractiveness and their sexual and reproductive ability Growing in Love Harcourt Religion Publishers, 2000 **No** David Walsh, 2007-09-04 The bestselling author of *Why Do They Act That Way* writes the book his readers have been asking him for how and when to say no to kids and make it stick **The Language of Sex Education** Georgia Carr, 2025-01-09 This book offers a deep dive into sex education pedagogy in the Australian context taking a close look at the language used to teach the key topics of consent and respect It examines questions students ask how teachers accommodate different beliefs in their classrooms and how students learn about more values based topics including consent respectful relationships and gender and sexuality diversity It also considers what teaching and assessment looks like over the course of a school term and what makes a successful student In short it answers the question how is sex education actually taught *The Language of Sex Education* provides the first book length treatment of the language of sex education offering a detailed account of pedagogy from the perspective of Systemic Functional Linguistics The study is situated in the Australian context though has broader relevance to places such as New Zealand North America and the United Kingdom whose sex education is historically and culturally comparable to that of Australia The book provides descriptions of the key topics of consent and respect illustrating how teachers impart technical knowledge and how they support students to adopt and challenge the nuanced values needed when engaging with sex education It does this

through new descriptions of key linguistic resources of technicality and iconization that synthesize the central knowledge and values of the field Through these descriptions and analyses this book not only provides a detailed account of sex education pedagogy but also offers new insights into the role of language in building fields and building communities **The Executive Educator** ,1995-06 **American Book Publishing Record** ,2003 **Children, Youth, and Families** United States. Congress. House. Select Committee on Children, Youth, and Families,1983
