Sex and Sexuality in Modern Screen Remakes Lauren Rosewarne, 2019-06-19 Sex and Sexuality in Modern Screen Remakes examines how sexiness sexuality and revisited sexual politics are used to modernize film and TV remakes This exploration provides insight into the ever evolving and ever contested role of sex in society and scrutinizes the politics and economics underpinning modern media reproduction More nudity kinky sex and queer content are increasingly deployed in remakes to attract and to titillate a new generation of viewers While sex in this book refers to increased erotic content this discussion also incorporates an investigation of other uses of sex and gender to help a remake appear woke and abreast of the zeitgeist including feminist reimaginings and girl power make overs updated gender roles female cast swaps queer retellings and repositioned gazes Though increased sex is often considered a sign of modernity gratuitous displays of female nudity can sometimes be interpreted as sexist and anachronistic in turn highlighting that progressiveness around sexuality in contemporary media is not a linear story Also examined therefore are remakes that reduce the sexual content to appear cutting edge and cognizant of the demands of today s audiences Adapting Sex on Screen Julian Preece, 2025-10-30 Sex has always been cinema s most contested territory Adapting Sex on Screen traces that battle through three once scandalous source texts Leopold von Sacher Masoch s Venus in Furs 1870 Arthur Schnitzler s La Ronde 1900 and Frank Wedekind s Lulu plays 1895 1904 following the history of their reception from fin de si cle Central Europe to the USA in the twenty first century with a focus on their screen adaptations Julian Preece shows how directors such as Max Oph ls G W Pabst and Roman Polanski tested understanding of transgression whether in the Weimar Republic under the Hays Production Code or in the shadow of AIDS and the wake of second wave feminism His broad international corpus ranges from heritage cinema to arthouse and exploitation to Hollywood allowing him to explore the contradictions between commodification and critique and chart evolving attitudes towards alternative sexualities and minorities Preece blends adaptation and translation studies with transatlantic cultural history to show how filmmakers have both reflected and shaped social change from the first Lulu film made in Germany in 1917 to the most recent La Ronde made in New York precisely one hundred years later **Cinema and the Second Sex** Carrie Tarr, Brigitte Rollet, 2016-10-06 Women s filmmaking in France has been a source of both delight and despair On the one hand the numbers are impressive over 250 feature length films were made by over 100 women directors in France in the 1980s and 1990s On the other hand despite the heritage of French feminism French women directors characteristically disclaim their gender as a significant factor in their filmmaking This incisive study provides an informative critical guide to this major body of work exploring the boundaries between personal films intimate psychological dramas relating to key stages in life and genre films which demonstrate women s ability to appropriate and rework popular genres It analyzes the effects of postfeminism women s desire to enter the mainstream and the impact of a new generation of filmmakers enabling readers to take stock of the wealth and diversity of women s contribution to French cinema during the

Williams, 2016-07-01 In Sex in the Head Linda Ruth Williams uses psychoanalysis and recent feminist film theory to analyze a network of ideas which link looking with sexuality and difference in the work of a writer who disavowed yet covertly enjoyed the pleasures and power of vision The book is a departure from the long history of feminist readings of Lawrence in that it discusses his engagement with theories of the gaze and its cultural forms cinema photography painting and the visual dynamics and metaphors of literary texts as a way of thinking through gender It shows him arguing on the one hand against the evils of cinema and visual sex while relishing through the eyes of women the moving spectacle of those male bodies which populate the pages of his books It also questions what it is about the work of such an adamant cinephobe which has made it so thoroughly adaptable for film and television **A-Z Of The 80's** Ally Molloy, 2010-07-05 Return to the glamorous decade that brought the world Footloose and The Breakfast Club when
