The life and death of
the Sydney Push

ANNE COOMBS

Sex And Anarchy The Life And Death Of The Sydney Push

**Tony Moore, Mark Gibson, Chris
McAuliffe, Maura Edmond**

Sex And Anarchy The Life And Death Of The Sydney Push:

Sex and Anarchy Anne Coombs,1996 **Classical Sociology** Bryan S Turner,1999-12-06 In this book one of the foremost sociologists of the present day turns his gaze upon the key figures and seminal institutions in the rise of sociology This book is a systematic introduction to classical sociology and its development in the twentieth century Accessible and authoritative it will be required reading for anyone interested in sociology and social theory today **BOOK JACKET** **Fringe to Famous** Tony Moore,Mark Gibson,Chris McAuliffe,Maura Edmond,2024-01-25 Fringe to Famous examines exchange between small scenes of cultural production and mainstream institutions and markets Drawing on Australian examples in music streetwear comedy screen and digital games it argues that there has been much greater crossover between the two than is generally recognized The book resists a tendency to represent fringe and mainstream as abstract opposites bringing a focus instead to concrete historical formations It offers an alternative both to romantic celebrations of a pure fringe discredited now by half a century of critical responses to the counterculture and to an increasingly hardened anti romantic reaction Drawing on extensive original interviews Fringe to Famous offers an overview of transformations in Australian culture since the 1980s concluding with suggestions for cultural policy after the creative industries It proposes an idea of generative hybridity between fringe and mainstream that allows us to imagine new possibilities for arts and culture in the 2020s and beyond **Germaine Greer, Celebrity Feminism and the Archive** Anthea Taylor,2024-11-29 Germaine Greer Celebrity Feminism and the Archive the first scholarly book on this internationally renowned feminist draws upon Greer s largely unexplored archive to demonstrate her impact on readers and viewers since the 1970s Across many decades in the limelight and through multiple media forms the provocative Greer has worked to shape audience understandings of gender sexuality and feminism Through deep engagement with archival material Anthea Taylor offers a compelling reassessment of Greer s celebrity feminist labour and its effects over time Examining archived letters from fans anti fans and those in between this innovative volume shows how and why readers and viewers have come to affectively invest or disinvest in this iconoclastic feminist Advancing debates about the social and political function of celebrity Germaine Greer Celebrity Feminism and the Archive is essential reading for scholars in Gender Studies History Archival Studies and Media and Cultural Studies **Our Familiars** Anne Coombs,2024-07-30 A beautiful meditation on the awe inspiring responsibility we hold with other living creatures from their containment and loss of freedom to our intense and mysteriously mutual love How do animals guard serve and care for us And how and why do we love them so much Anne Coombs spent her entire life working to understand the profound answers that come from these two deceptively simple questions Before her death in late 2021 she researched the topic extensively and reflected deeply on her own experiences with animals both domestic and in the paddocks The animals in her life were privy to her deepest and darkest emotions her despair her tears and her love In **Our Familiars** Anne calls for all animal caregivers to use our great creative imaginations to see animals as conducting lives as

meaningful as our own intersecting in our intimate spaces She has left us with a beautiful meditation on the awe inspiring responsibility we take on with other living creatures from their containment and loss of freedom to our intense and mysteriously mutual love Opening with the story of Anne s childhood familiar Elsie the goat this tender book takes us on an expansive journey that is part personal memoir part insightful research and part noble call to action With her last book Anne leaves us an invaluable gift With wit humour and insight she implores us to feel wonder as we watch how our animal companions live

Glass Houses Anne Coombs,2023-04-03 Raymond causes a stir in country town Glaston when he buys Glastonbridge a house of vast neo Gothic fantasy abandoned for decades It s an ambitious project and all previous renovators have come to grief Out of the woodwork come real estate agents a jealous sister the heritage council prospective tourism operators and journalists proffering opinions and making his life a misery As the restoration goes on Raymond becomes increasingly isolated unable to trust anyone alienating his friends and giving courage to his enemies He believes that unseen forces are trying to remove him from his grand project At turns pitied admired humoured and loved Raymond undoubtedly has the knowledge vision and fortune to make Glastonbridge thrive again but will he be able to see it through Glass Houses is a gentle satire with a rapier edge perfectly capturing the socially mobile mid nineties milieu of city folk with country houses The final novel from acclaimed author and activist Anne Coombs is about finding your place of refuge and reaching for what you want

Australian Book Review ,2004-02 Sydney's Century Peter Spearritt,2000 In this lively portrait of Sydney s development Peter Spearritt traces a century in the life of the city from the celebrations of the Federation of Australia in 1901 to the 2000 Olympic Games He describes the extra ordinary growth of the city and its sprawling suburbs and the transition from a port and a manufacturing center to an international financial hub

Making Trouble Lynne Segal,2017-06-06 What happens when angry young rebels become wary older women ageing in a leaner meaner time a time which exalts only the new in a ruling orthodoxy daily disparaging all it portrays as the old Delving into her own life and those of others who left their mark on it Lynne Segal tracks through time to consider her generation of female dreamers what formed them how they left their mark on the world where they are now in times when pessimism seems never far from what remains of public life Searching for answers she studies her family history sexual awakening ethnic belonging as well as the peculiarities of the time and place that shaped her own political journeys with all their urgency significance pleasures and absurdities

Radical Sydney Terence H. Irving,Terry Irving,Rowan J. Cahill,2010 Sydney a beautiful international city with impressive buildings harbour side walkways public gardens cafes restaurants theatres and hotels This is the way Sydney is represented to its citizens and to the rest of the world But there has always been another Sydney not viewed so fondly by the city s rulers a radical part of Sydney The working class suburbs to the south and west of the city were large and explosive places of marginalised ideas bohemian neighbourhoods dissident politics and contentious action Through a series of snapshots Radical Sydney traces its development from The Rocks in the 1830s to the inner suburbs of the 1980s It includes a

range of incidents people and places from freeing protestors in the anti conscription movement resident action movements in Kings Cross anarchists in Glebe to Gay Rights marches on Oxford Street and Black Power in Redfern
