Sex And Pregnancy In Adolescence:

Sex and Pregnancy in Adolescence Melvin Zelnik, John F. Kantner, Kathleen Ford, 1981-10-01 This book is a good resource for any senior level social science undergraduate who understands basic statistics and for graduate students in sociology population studies and social work who are interested in teenage sex and pregnancy Choice October 1982 This book represents the detailed report of the well known 1971 and 1976 national surveys of adolescent premarital sexual behavior contraceptive use and pregnancy outcome For those who wish further understanding of the history design sample selection methodology and validity of these classic studies here it is Journal of Adolescent Health Care Vol 4 No 2 June 1983 This is an important book that carefully traces the difficult and The Politics of Pregnancy Annette Lawson, Deborah L. Rhode, 1993-01-01 Teenage pregnancy is widely viewed as a significant social problem This book argues that much of the problem stems from inaccurate perceptions of what the problem is The problem according to the text is not teenagers who want sex too soon but a society that offers too little too late Risking the Future Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Panel on Adolescent Pregnancy and Childbearing, National Research Council, 1987-02-01 More than 1 million teenage girls in the United States become pregnant each year nearly half give birth Why do these young people who are hardly more than children themselves become parents This volume reviews in detail the trends in and consequences of teenage sexual behavior and offers thoughtful insights on the issues of sexual initiation contraception pregnancy abortion adoption and the well being of adolescent families It provides a systematic assessment of the impact of various programmatic approaches both preventive and ameliorative in light of the growing scientific understanding of the topic Sex and Pregnancy in Adolescence Melvin Zelnik, John F. Kantner, Kathleen Ford, 1981 **Adolescent Sexuality and Pregnancy** Patricia Voydanoff, Brenda W. Donnelly, 1990-08 This is a survey of the current literature on teenage pregnancy and related questions of adolescent sexuality contraception abortion and childbearing Covering not only the demographic social psychological and family issues surrounding this topic the authors also explore more applied areas such as health consequences policy concerns and prevention programmes aimed at alleviating the problem **Teenage Sexuality, Pregnancy, and Childbearing** Frank F. Furstenberg, Richard Lincoln, Jane Menken, 1981 Examining the social consequences of teenage childbearing the editors explain the effects on adolescent parents themselves their offspring and their families and discuss ways of preventing or tempering those effects Why have Americans suddenly become troubled about teenage sexuality pregnancy and childbearing These are not new problems certainly and the birthrate among teenagers even the youngest of them has been declining for some years What has aroused public concern according to the editors of these essays is the increased visibility of the problem The pregnant teenager is no longer expelled from school and forced to marry or discreetly bear a child out of wedlock She has the option of abortion and even if she decides to have the child she is even more likely not to marry Thus the sensitivity of Americans to the issues of

abortion and illegitimacy is inexorably linked to their concern about adolescent sexuality and pregnancy. The attention focused on the problem has resulted in a considerable amount of research on the causes and consequences of teenage pregnancy and on the means of preventing it. Over the past decade, *Family Planning Perspectives* has published much, if not most of the research on the causes, consequences, and means of coping with problems associated with teenage pregnancy and childbearing. From about 100 articles, the editors have selected 28 key reports that illuminate the issue for scholars, students, and professionals who work with young people in various settings. The contributors to the first section examine historical trends in regard to teenage sexual activity, use of contraception, and abortion; pregnancy and childbirth in and out of wedlock in the context of other changes in social structure and mores. The second section assesses the serious adverse consequences of early childbearing on the young people involved, on their children, and on society. The third section looks into what courses of action are practicable to help teenagers avert the pregnancies and births they do not wish to have and to cope with problems resulting from early childbearing. The final section evaluates current programs and materials designed to help teenagers prevent unwanted pregnancies or deal with pregnancy when it occurs; it also reviews the state of the law involving contraception, abortion, and pregnancy among teenagers. The book includes an overview and section introductions by the editors, which draw together the implications of the contributions and those of other investigators who have written on this subject. All articles, as well as the editors' contributions, are followed by extensive up-to-date bibliographies.

11 Million Teenagers Alan Guttmacher Institute, Richard Lincoln, 1976

Sexuality in Adolescence and Emerging Adulthood Raymond Montemayor, 2018-10-19

Written in an engaging question and answer format, this accessible text synthesizes contemporary empirical research to provide a panoramic view of adolescent sexual development and behavior. The book examines sexuality as part of normative growth and development, in addition to addressing traditional problem areas such as sexual risk taking. Candid personal stories bring the theory and research to life. Topics include the precursors of adolescent sexuality in childhood, biological aspects of adolescent sexuality including puberty and the adolescent brain, the influences of parents, peers, and the media, and gender and racial/ethnic differences in attitudes and behavior. Coverage also encompasses romantic relationships, the experiences of sexual and gender minority youth, sexually transmitted infections, contraception, pregnancy, and teen parenthood. Cross-cultural and international research and approaches to sex education.

Pedagogical Features

- Headings written as questions throughout the chapters, for example: "How common is hooking up?" and "Is coming out to parents always a good thing?"
- In Their Own Words boxes with firsthand accounts from adolescents and young adults.
- Focus on Research sidebars that discuss research methods, challenges, and controversies in the field.
- End-of-chapter summaries and suggested readings.

Teenage Sex and Pregnancy Mike A. Males, 2010-07-15

This detailed, exhaustively documented account shows how and why just about everyone in today's teen pregnancy debate is wrong, often disastrously so. *Teenage Sex and Pregnancy* Modern

Myths Unsexy Realities presents a unique view of its subject by analyzing the extensive myths and fears that surround discussion of teenage sex and pregnancy including their relationship to popular culture poverty adult sexual behaviors and anxieties toward the increasingly public roles of young women Award winning author Mike Males argues that today's discussions rely largely on falsehoods and the suppression of crucial realities His work details a new view of popular culture as a largely beneficial feature of teens lives and presents a carefully documented analysis demolishing destructive myths about the new girl Debunking popular arguments he shows that the teen sex debate is mired in interest group talking points that ignore difficult realities to advance politically attuned agendas It's time he writes to modernize the discussion recognizing that teens act in ways consistent with their interests with the sexual behaviors of adults and with the school and job opportunities afforded them

Romance and Sex in Adolescence and Emerging Adulthood Alan Booth, Ann C. Crouter, Anastasia Snyder, 2015-12-07 In this classic edition top scholars in family research examine the nature and origin of adolescents contemporary patterns of sexual and romantic relationships from the evolutionary roots of these behaviors to policies and programs that represent best practices for addressing these issues in schools and communities The text offers interdisciplinary expertise from scholars of psychology social work sociology demography economics human development and family studies and public policy Adolescents and young adults today face very different choices about family formation than did their parents generation given such societal changes as the rise in cohabitation the increase in divorce rates and families having fewer children This book examines these demographic trends and provides a backdrop against which adolescents and emerging adults form and maintain romantic and sexual relationships This book addresses such questions as What are the ways in which early family and peer relationships give rise to romantic relationships in the late adolescent and early adult years How do early romantic and sexual relationships influence individuals subsequent development and life choices including family formation To what extent are current trends in romantic and sexual relationships in adolescence and emerging adulthood problematic for individuals families and communities and what are the most effective ways to address these issues at the level of practice program and policy Ideal as a supplement in graduate or advanced undergraduate courses on interpersonal romantic relationships adolescent development human sexuality couples and or family and conflict sociology of children and youth family therapy taught in human development and family studies clinical or counseling psychology social work sociology communications and human sexuality this book also appreciated by researchers and clinicians counselors who work with families and adolescents

Sex And Pregnancy In Adolescence Introduction

In today's digital age, the availability of Sex And Pregnancy In Adolescence books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sex And Pregnancy In Adolescence books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sex And Pregnancy In Adolescence books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sex And Pregnancy In Adolescence versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sex And Pregnancy In Adolescence books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sex And Pregnancy In Adolescence books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sex And Pregnancy In Adolescence books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sex And Pregnancy In Adolescence books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sex And Pregnancy In Adolescence books and manuals for download and embark on your journey of knowledge?
