Sex And The Mature Man:

Sex and the Mature Man Louis P. Saxo, Noel Gerson, 1974 THE WILD SEX DRIVE OF AN OLDER MAN Ch.5

MATSURI, 2024-01-31 Just a few licks and you're already wet. A deft tongue glides over my privates and I can feel his erection pressing against me. Older men have some serious skill in bed. Misaki is a beautiful office worker who can't get wet during sex, a limitation which eventually results in her boyfriend dumping her. When she later reveals these woes to her drinking buddy, a handsome older man and playboy named Asami, he offers her his sexual experience first hand. Maybe if it's Asami, things will be different. A ray of hope prompts Misaki to give her body over to her friend. As his long slender fingers begin to stroke her groin, her body aches in anticipation. And when the two of them finally cross that line...

Who Should You Have Sex With?

Mark Thompson Dr., 2010-10-01 How can you have a better sex life? It starts with sexual chemistry. Who Should You Have Sex With? reveals what factors go into explosive sexual chemistry and how to create that kind of red-hot bedroom connection. You will discover your own sexual style. How to spot a partner who has a style that best meshes with yours. How to expertly read the hidden desires of your current or future partner. But these secrets aren't just for singles. For couples, this book shows how to reignite your sexual spark by understanding your partner's sexual fantasies and secret desires. Trying out new roles both in and out of the bedroom. Whether you're single or in a relationship, it's never too late to turn up the heat. And it's never too late to have a great sex life. Dr. Thompson is a matchmaking genius. Michael Georgeff, PhD, former director of the Stanford Artificial Intelligence Institute. Dr. Thompson is an Alfred Kinsey for the Internet age. Philip Zimbardo, PhD, professor of psychology at Stanford University, former president of the American Psychological Association, bestselling author of *The Lucifer Effect*. Written by Dr. Mark Thompson, an Internet pioneer who designed online matchmaking systems for Match.com and Yahoo, this book is based on Dr. Thompson's wildly popular online tests on sex attraction and personality which have been taken by over thirty million people worldwide.

My Old Man Amy Sohn, 2004-09-08 From the New York Times bestselling author and one of the city's most provocative columnists comes a hip contemporary novel about love, lust, and living in the same neighborhood as your parents. When twenty-six-year-old Rachel Block started rabbinical school, she didn't think she'd be dropping out after a semester and a half. But when a sick man dies under her counseling, she realizes she's not cut out for the rabbinate. To make ends meet, she takes a job as a bartender in Cobble Hill, her Brooklyn neighborhood, much to her parents' chagrin. Until now, Rachel has always been the perfect daughter, getting straight A's and dating nice Jewish boys. Now she's fending off come-ons from sleazy guys and trying to remember the ingredients in a Manhattan. It's the quintessential quarter-life crisis compounded by the fact that she's still living just blocks from her childhood home. To make matters worse, she's having trouble sleeping; she can barely get through the night without being awakened by the amorous noises of her sexy friend and upstairs neighbor, Liz Kaminsky. Then Rachel falls in love with Hank Powell, an iconoclastic screenwriter twice her age and a Gentile, and finds herself acting more and more like Liz. Suddenly, she's reassessing her values, her surroundings,

and everything she's ever believed about the right kind of relationship. She begins dressing up in outrageous outfits for midday trysts while hiding the dirty details from a newly modest Liz. Meanwhile her interactions with her father with whom she's always been close have become increasingly strange. Is he distraught that she's dropped out of school? Is he having his own midlife crisis? Or is he upset over her mother's newfound independence now that she's entered menopause and discovered the joys of a book group? Something's up and Rachel's increasingly convinced it might be her father's libido. With Rachel's own relationship getting wilder and weirder and her parents acting like teenagers it seems that everyone in Cobble Hill is going crazy. A fresh spin on Philip Roth's Portnoy's Complaint. My Old Man is a sexy comedy about a dysfunctional Brooklyn family coming apart at the seams. Ömie Sex Affiliation Marta Rohatynskyj, 2022-10-14. The practice of affiliating the female child with the mother and the male child with the father was considered a rare and inexplicable practice in Papua New Guinean ethnography at the time the original data was collected some forty years ago. Marta Rohatynskyj undertakes a shift in her analytical concepts of kinship studies to reveal the deep seated disjuncture between female and male that this practice represents. The author argues that this practice is associated with a totemic animistic ontology and has currency in a particular type of Melanesian society. *Sex in the Old West* Jillian Hart, Lynna Banning, Carol Finch, 2007-11-01. The Old Man's Girlfriend Paul Victor, 2017-07. Katarina is 25, a charming ambitious migr from Russia looking for a better life. Alex is 79, a billionaire and he likes her very much. When the old man suggests that after his passing Katarina would make better use of his estate, all in his family agree it would be better if she weren't around. When she vanishes, ransom notes start arriving as well as the ghosts of dead prostitutes. *Love, Sex & Marriage in the Middle Ages* Conor McCarthy, 2022-04-20. This updated edition collects an extensive range of evidence for how people in the European Middle Ages thought about the emotional state of love, the physical act of sex and the social institution of marriage. Included are extracts from literary and theological works, medical and legal writings, conduct books, chronicles and letters. These texts discuss married couples who are not having sex and unmarried ones who are. We encounter marriages for creating alliances, marriages for love and promises of marriage made in the hope of obtaining sex. Learned texts discuss the etymology of sexual terms and the medical causes of difficulties in conceiving. There are accounts of clandestine marriages, sexual violence, the madness of love, melancholy and much more. By drawing on diverse voices and presenting less accessible material, this sourcebook provides a nuanced view of how medieval people thought about these subjects and questions the similarities and differences between their perspectives and our own. With an expanded range of texts, wider geographical scope, suggestions for further reading and updated explanatory material to reflect changes in scholarship in over two decades, this edition is an invaluable resource for students interested in sexuality, gender and relationships in the Middle Ages. *Sex in Antiquity* Mark Masterson, Nancy Sorkin Rabinowitz, James Robson, 2018-02-05. Looking at sex and sexuality from a variety of historical, sociological and theoretical perspectives as represented in a variety of media, *Sex in Antiquity* represents a vibrant picture of the discipline of ancient

gender and sexuality studies showcasing the work of leading international scholars as well as that of emerging talents and new voices Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections Sex in Antiquity is a major contribution to the field of ancient gender and sexuality studies *An Old Man's Diary* John Payne Collier, 1872
