Dawne Moon,2004-07 Dawne Moon explores how members of Protestant congregations determine beliefs about God and justice [Hidden Cry](#) Pastor Messan Aziadapou,2021-01-20 Let us talk about sex in the life of a servant of God I know this

topic may sound a little tasteless and taboo for many but we cannot run away from reality Men of God are suffering in silence in their marriages because of lack of sex or sex starvation They are being starved by their own wives who are supposed to provide them with this valuable gift All men need sex All men love sex regardless of their titles academic exploits anointings positions or achievements in life So men of God love sex and they can and should only get it from their wives But there are

hidden struggles that those men endure that remain in the closet Just in case you are wondering Do men of God go through sexual starvation The answer is YES Ministers of the gospel go through extreme sexual starvation After reading this book you will realize that this issue is universal to all Christian marriages Here the man of God s marriage is used as a megaphone to speak loudly about what many whisper in secret What do I do as a minister of God when I am consistently denied and rejected in bed by my wife Who can I talk to that will understand my struggles What do I do when my wife refuses to improve performance in bed How do I handle a wife that is unwilling to learn sexual endeavors These are a few questions that go through the minds of men of God Many have decided to be silent and treat it as a cross to carry until they can no longer bear it For many when a man is starved and repeatedly denied sex his heart bleeds he is angry unhappy and he eventually looks for sex somewhere else if he is not strong in faith Every man has a limit and when that limit hits the pivotal point he cheats He cheats not because he is promiscuous and bad but because he can t help it Though he loves God and he loves his wife dearly he can t help it Then as the result of the man s cheating he may well be accused of being a fake minister not really born again or a carnal man In this book I will scrutinize the secret suffering of men of God in their marriages I will explicitly analyze the circumstances under which their wives deny them sex to the extent that some men then cheat to satisfy their sexual desires and others contemplate divorce I will start by recounting the biblical concept of marriage the value of sex in marriage and the differences between sex and making love I ll continue with the dangers of marriage without sex the health benefits of sex and the spiritual benefits of sex Finally I will explore the restriction regarding sexual expression in marriage before suggesting the best solutions to handle these problems I m also hoping this book will be an eye opener for men of God who neglect their wives sexual needs

God on Sex Daniel L. Akin, 2003 Daniel Akin does not write in a vacuum Having led over 300 marriage seminars across the United States he is in touch with contemporary distorted perceptions of sex But the Bible is not silent on this subject As a matter of fact it has much to say As the creator of sex God knows and has imparted the knowledge of the conditions for sex at its best Daniel Akin sets the many and varied misconceptions about sex alongside God s design to reveal His intention and blessing for this vital dimension of life

God Anthony Wharton, 2012-06 All men of all nations return to their true source and roots of manhood by the Spirit of God and His Word The women are not left out because they play a wonderful role in men being all that they can be for Jesus and His plan for their lives The man has to contend with many things that are working against him from the past present and future but when he is connected to his true roots he has the greater power working for him than what is against him The man is more than a conqueror The prophecies are for the man and the whole Body of Christ that he belongs to so they can know what God is doing in the nations and what he will do in the future The man the church and the leaders can position themselves with God and His Son Jesus the Christ for a better nation All nations have a season of judgment and all nations have a season of blessings so the man and his nation can position themselves with the True and Living God
