riding accident Wells reflects on the personalities and characters of the many horses both real and fictional who have accompanied her through often difficult life experiences teaching her strength resilience discipline care and trust The Cowgirl and the Racehorse is also a scholarly reflection on the many cowgirl narratives films television shows music and books that have marked the author's life passages and which offer complex and compelling images for girls as they grow particularly in terms of their independence of spirit and the social and familial expectations with which they are burdened Finally The Cowgirl and the Racehorse is a detailed examination of the ethical and societal questions raised by the sometimes dangerous and cruel and sometimes seductive and compelling world of horseback riding *Princess Smartypants Breaks the Rules!* Babette Cole, 2009 When the Queen packs off Princess Smartypants to finishing school it seems that our favourite royal might become a perfect princess after all huh no chance Instead Princess Smartypants makes her own school rules and teaches those other do goody princesses just exactly how to have fun *The Children's Buyer's Guide*, 2005 [La fiaba letteraria inglese](#) Laura Tosi, 2007 *Children of the Book* Ilana Kurshan, 2025-08-26 A mother's celebration of the power and wonder of lifelong reading Zibby Owens My Most Anticipated Books 2025 In *Children of the Book* Ilana Kurshan reveals how literature weaves an invisible thread through the tapestry of family life Kurshan a mother of five living in Jerusalem struggles to balance her passion for books with her responsibilities as a parent Gradually she learns how to relate to reading not as a solitary pursuit and an escape from the messiness of life but rather as a way of forging connection and teaching independence Introducing her children to sacred and secular literature including the beloved classics of her childhood she becomes both a better mother and a more compassionate reader Chief among the books Kurshan reads with her children is the Torah whose ancient wisdom illuminates her family's path Structured in five parts corresponding to the first five books of the Bible this memoir traces the profound parallels between the biblical narrative and the daily rhythms of parenthood from the first picture books that create the world through language for little babies to the bittersweet moment our children begin reading on their own leaving us behind atop the mountain as they enter new lands without us A luminous meditation on how shared stories become the foundation for family bonds *Children of the Book* celebrates a life richly lived through literature
