A Journey to the High Places Christopher Felix

Bezzina, 2012-12-24 Since his existence the human being has explored various ways in his quest for God Part of this search is related to humanity's yearning for true harmony and joy in the world Christian spirituality as a unique spirituality one encounters today imparts various ways one can respond to this longing One of these ways is through allegorical narratives Specifically this study analyzes the spirituality of Hannah Hurnard 1905-1990 by intertextually perusing her most famous allegorical narrative Hinds Feet on High Places A Journey to the High Places is divided into four chapters In chapter 1 the

allegorical narrative is subjectively considered in all its aspects and the central themes are expressed without any reference to other secondary connections Chapter 2 analyzes the allegorical narrative by relating this narrative with other material that Hannah Hurnard published These other narratives provide the tools which Hannah employed in the composition of this allegorical narrative Thus chapter 2 presents an intertextual analysis between her other publications and Hinds Feet on High Places Likewise chapter 3 presents another intertextual analysis between the many biblical abstracts and their relation to the narrative in the hope of showing her biblical interpretations Several spiritual themes that emerged from the preceding chapters are discussed in chapter 4 presenting a consistent spirituality In presenting the themes one notes that the strong points and weaknesses of Hannah's spirituality are related to other Christian spiritual traditions In order to conduct a comprehensive study the introductory section of this study deals with the significance of allegory and spirituality

Journey: The Way of the Disciple Richard Littledale, 2017-03-01 An accessible and thought provoking devotional look at the nature of discipleship through the lens of pilgrimage What do we learn about God whilst on the move which could not be learnt whilst stationary From Abraham Moses Ruth to Jesus himself and the apostle Paul the Bible is full of stories of people on the move and Journey looks at what we can learn from looking at the Christian life as one of pilgrimage The chapters cover subjects such as provisions needed on the journey communications and companions along the way distractions from the path the growth of new monasticism and death as journey's end With questions for personal reflection included after each chapter this is much more than a book about pilgrimage it encourages the reader to learn to journey through life in an attitude of pilgrimage revealing that it is often in the very act of journeying that we find our deepest spiritual insights
