**The Visual World of Shadows** Roberto Casati, Patrick Cavanagh, 2023-12-26 How the perception of shadows studied by vision scientists and visual artists reveals the inner workings of the visual system In The Visual World of Shadows Roberto Casati and Patrick Cavanagh examine how the perception of shadows as studied by vision scientists and visual artists reveals the inner workings of the visual system Shadows are at once a massive problem for vision which must distinguish them from objects or material features of objects and a resource signaling the presence location shape and size of objects Casati and Cavanagh draw up an inventory of information retrievable from shadows showing their amazing variety They present an overview of the visual system distinguishing between measurement and inference They discuss the shadow mission the work done by the visual brain to parse and perhaps discard the information from shadows shadow ownership the association of a shadow with the object that casts it shadow labeling the visual system's ability to tell shadows from nonshadows and the shadow concept our knowledge about shadows as a category Casati and Cavanagh then

apply the theoretical apparatus they have developed for shadows to other phenomena illumination reflection and transparency Finally they examine the art of the shadow paying tribute to artists exploration of shadow analyzing a series of artworks reproduced in color from a rich and fascinating art historical corpus      **Stardust and Shadows** Charles Foster,2000-09-01 You ll like Louis Mayer Mary Pickford told Charles Foster in 1943 He is from Canada too As Foster was soon to discover Mayer was not alone a great many of those who helped shape Hollywood into the movie capital of the world were Canadian Stardust and Shadows brings together the stories of 18 Canadians who were celebrities during Hollywood s formative years Most of those profiled were known to Foster and stories they told him about Hollywood s early days enhanced by many years of research and interviews with other living performers and directors from the silent movie era reveal a never before seen look at what the movie industry was really like in those early days This is Canadian history that has never been told and many of the startling stories and secrets of Hollywood s past are revealed here for the first time Celebrities profiled May Irwin Al and Charles Christie Joe and Sam De Grasse Marie Dressler Allan Dwan Florence La Badie Florence Lawrence Del Lord Louis B Mayer Sidney Olcott Jack Pickford Mary Pickford Marie Prevost Mack Sennett Douglas Shearer Norma Shearer      Natural Selection Gary Giddins,2006 Long recognized as America s most brilliant jazz writer the winner of many major awards including the prestigious National Book Critics Circle Award and author of a highly popular biography of Bing Crosby Gary Giddins has also produced a wide range of stimulating and original cultural criticism in other fields With Natural Selection he brings together the best of these previously uncollected essays including a few written expressly for this volume The range of topics is spellbinding Writing with insight humor and a famously deft touch he offers sharp edged perspectives on such diverse subjects as Federico Fellini and Jean Renoir Norman Mailer and Ralph Ellison Marlon Brando and Groucho Marx Duke Ellington and Bob Dylan horror and noir the cartoon version of Animal Farm and the comic book series Classics Illustrated Giddins brings to criticism an uncommon ability long demonstrated in his music writing to address in very few words an entire career so that we get an in depth portrait of the artist beyond the film book or recording under review For instance Giddins offers a stunning reappraisal of Doris Day who he terms the coolest and sexiest female singer of slow ballads in film history He argues eloquently for a reconsideration of the forgotten German language novelist Soma Morgenstern In a section on comedy he offers fresh perspectives on the three great silent film stars Chaplin Keaton and Lloyd while resurrecting the legendary Jack Benny and reevaluating the controversial Jerry Lewis There s also a memorable look at Bing Crosby s film career he calls Crosby s blockbuster Going My Way a neglected masterpiece and a close examination of Marcel Carne s beloved Children of Paradise Of course Giddins also supplies excellent commentary on jazz major and underrated figures and especially the uses of jazz in film A wonderful gathering of little known treasures Natural Selection will broaden the perception of Gary Giddins as one of our most important cultural critics      **The**

them however has gotten so close to the real man as does Chris Welles Feder's beautifully realized portrait of her father In My Father's Shadow is a classic story of a life lived in the public eye told with affection and the wide eyed wonder of a daughter who never stopped believing that someday she would truly know and understand her elusive and larger than life father The result is a moving and insightful look at life in the shadow of a legendary figure and an immensely entertaining story of growing up in the unreal reality of Hollywood enhanced by Welles Feder's collection of many never before seen family photographs *Shadow of Death* Patricia Gussin, 2008-04-01 New York Times and USA Today best selling author Nominated Best First Novel International Thriller Writers This is a world you would never want to enter or forget Pull a trigger and everything changes Medical student Laura Nelson had just finished examining her first patient when she is forced to make a split second decision that will alter the course of her life forever One life will end and one life will never be the same But keeping her dreadful secret will be one of the toughest challenges Laura will ever face With a persistent and perceptive detective hot on her trail and a host of eerie incidents suggesting that maybe her secret isn't really a secret Laura is drawn into an unseemly web of peril deceit and treachery and is forced to risk both her freedom and her sanity Will her deadly secret come to light or must she live forever in the shadow of death Set amidst the upheaval and smoldering chaos of the Detroit riots of 1967 *Shadow of Death* is a haunting tale of unrest fear and consequences Hailed as a stunning debut novel *Shadow of Death* provides a spine chilling glimpse of what lurks in the shadows Perfect for fans of Tess Gerritsen and Kathy Reichs While all of the novels in the Laura Nelson Series stand on their own and can be read in any order the publication sequence is *Shadow of Death* *Twisted Justice* *Weapon of Choice* *After the Fall* *In Capra's Shadow* Ian Scott, 2014-10-17 Because screenwriter Robert Riskin spent most of his career collaborating with legendary Hollywood director Frank Capra Riskin's own unique contributions to film have been largely overshadowed With five Academy Award nominations to his credit for the monumental films *Lady for a Day* *Mr Deeds Goes to Town* *You Can't Take It with You* *Here Comes the Groom* and *It Happened One Night* for which he won the Oscar Riskin is often imitated but rarely equaled In Capra's *Shadow* The Life and Career of Screenwriter Robert Riskin is the first detailed critical examination of the Hollywood pioneer's life and work In addition to being one of the great screenwriters of the classic Hollywood era Riskin was also a producer and director founding his own film company and playing a crucial role in the foundation of the Screen Writers Guild During World War II Riskin was one of the major forces behind propaganda filmmaking He worked in the Office of War Information and oversaw the distribution and later production of films and documentaries in foreign theaters He was interested in showing the rest of the world more than just an idealized version of America he looked for films that emphasized the spiritual and cultural vibrancy within the U S making charity faith and generosity of spirit his propaganda tools His efforts also laid the groundwork for a system of distribution channels that would result in the dominance of American cinema in Europe in the postwar years Riskin's postwar work included his production of the 1947 film *Magic Town*

the tale of a marketing executive who discovers the perfect American small town and uses it for polling What Riskin created onscreen is not simply a community stuck in an antiquarian past rather the town of Grandview observes its own traditions while at the same time confronting the possibilities of the modern world and the challenges of postwar America Author Ian Scott provides a unique perspective on Riskin and the ways in which his brilliant pithy style was realized in Capra's enduring films Riskin's impact on cinema extended far beyond these films as he helped spread Hollywood cinema abroad and articulated his vision of a changing America
