

# Long Walk Through War

A COMBAT DOCTOR'S DIARY

Klaus H. Huebner

# Long Walk Through War A Combat Doctors Diary

**John Ellis**

### **Long Walk Through War A Combat Doctors Diary:**

Long Walk Through War Klaus H. Huebner, 1987 The 344 days of combat of the 88th Infantry Division were part of the bitterly contested struggle for supremacy in Italy during the Second World War Here is the gripping story of the first selective service division committed to battle in the European Theater seen from the unique vantage point of a battalion physician Using notes hastily scribbled on the backs of maps and finished out whenever he was rotated to rear areas for rest Dr Klaus Huebner captured in his diary the frustration fear boredom devotion and anger that were the daily portion of combat infantrymen The result is a remarkably sustained exposition of combat life Dr Huebner traces the 88th s activities from final staging preparations at Fort Sam Houston to North Africa and on up the Italian peninsula to the Brenner Pass in Austria just fifty five miles south of the Bavarian hamlet where he was born Combat began for the Division just north of Naples Italy During combat the medical aid station was set up in any available farmhouse barn cave or clump of trees that offered some protection for treating the wounded There the battalion surgeon and his aides did what they could under adverse circumstances gave by their presence alone moral support to the casualties and came to know well the miseries emotions and human drama of infantry soldiers in combat Dr Huebner writes I walked with the men who carried guns and slugged it out on foot I treated the wounded where they fell His story is terse and often tense a memorable view of battle and the men who tried to heal its wounds right in the field

**The Crash of Ruin** Peter Schrijvers, 2001-02 In the ruined Europe of World War II American soldiers on the frontline had no eye for breathtaking vistas or romantic settings The brutality of battle profoundly darkened the soldiers perceptions of the Old World Drawing on soldiers diaries letters poems and songs Peter Schrijvers offers a compelling account of the experiences of U S combat ground forces their struggles with the European terrain and seasons their confrontations with soldiers and their often startling encounters with civilians Schrijvers relays how the GIs became so desensitized and dehumanized that the sight of dead animals often evoked more compassion in them than enemy dead The Crash of Ruin concludes with a dramatic and moving account of the final Allied offensive into German held territory and the soldiers bearing witness to the ultimate symbol of Europe s descent into ruin the death camps of the Holocaust

**American Soldiers** Peter S. Kindsvatter, 2003-04-03 Some warriors are drawn to the thrill of combat and find it the defining moment of their lives Others fall victim to fear exhaustion impaired reasoning and despair This was certainly true for twentieth century American ground troops Whether embracing or being demoralized by war these men risked their lives for causes larger than themselves with no promise of safe return This book is the first to synthesize the wartime experiences of American combat soldiers from the doughboys of World War I to the grunts of Vietnam Focusing on both soldiers and marines it draws on histories and memoirs oral histories psychological and sociological studies and even fiction to show that their experiences remain fundamentally the same regardless of the enemy terrain training or weaponry Peter Kindsvatter gets inside the minds of American soldiers to reveal what motivated them to serve and how they were

turned into soldiers He recreates the physical and emotional aspects of war to tell how fighting men dealt with danger and hardship and he explores the roles of comradeship leadership and the sustaining beliefs in cause and country He also illuminates soldiers attitudes toward the enemy toward the rear echelon and toward the home front And he tells why some broke down under fire while others excelled Here are the first tastes of battle as when a green recruit reported that for the first time I realized that the people over the ridge wanted to kill me while another was befuddled by the unfamiliar sound of bullets whizzing overhead Here are soldiers struggling to cope with war s stress by seeking solace from local women or simply smoking cigarettes And here are tales of combat avoidance and fraggings not unique to Vietnam of soldiers in Korea disgruntled over home front indifference and of the unique experiences of African American soldiers in the Jim Crow army By capturing the core band of brothers experience across several generations of warfare Kindsvatter celebrates the American soldier while helping us to better understand war s lethal reality and why soldiers persevere in the face of its horrors

*Forgotten Battles* Charles T. O'Reilly, 2001-01-01 Italy s War of Liberation takes issue with the apparently prevalent attitude among Allied commanders during World War II that the Italian military was ineffective O Reilly recounts the little known story of the significant contribution made by the Italian military during the Italian Campaign including the contribution of relatively unacknowledged Italian Partisan formations that fought in Italy France Yugoslavia and Greece Despite the fact that Italians fought on the front lines with the British and American soldiers and despite the service of the Italian Navy and Air Force the Allies refused repeated Italian pleas for more involvement in combat This book not only attempts to correct the record of military history by illustrating the ways in which the Italians were underutilized by the Allies but it also serves to paint a fair portrait of the Italian military s substantial efforts to defeat Hitler and eradicate Fascism

**The History of the U.S. Army Medical Service Corps** Richard V. N. Ginn, 1997     *A Nation Forged in War* Thomas A. Bruscino, 2013-05-12 World War II shaped the United States in profound ways and this new book the first in the Legacies of War series explores one of the most significant changes it fostered a dramatic increase in ethnic and religious tolerance *A Nation Forged in War* is the first full length study of how large scale mobilization during the Second World War helped to dissolve longstanding differences among White soldiers of widely divergent backgrounds Never before or since have so many Americans served in the armed forces at one time more than 15 million donned uniforms in the period from 1941 to 1945 Thomas Bruscino explores how these soldiers shared experiences enduring basic training living far from home engaging in combat transformed their views of other ethnic groups and religious traditions He further examines how specific military policies and practices worked to counteract old prejudices and he makes a persuasive case that throwing together men of different regions ethnicities religions and classes not only fostered a greater sense of tolerance but also forged a new American identity When soldiers returned home after the war with these new attitudes they helped reorder what it meant to be white in America Using the presidential campaigns of Al Smith in 1928 and John F Kennedy in 1960 as bookend events

Bruscino notes a key change in religious bias Smith's defeat came at the end of a campaign rife with anti Catholic sentiment Kennedy's victory some three decades later proved that such religious bigotry was no longer an insurmountable obstacle Despite such advances Bruscino notes that the growing broad mindedness produced by the war had limits it did not extend to African Americans whose own struggle for equality would dramatically mark the postwar decades Extensively documented *A Nation Forged in War* is one of the few books on the social and cultural impact of the World War II years Scholars and students of military ethnic social and religious history will be fascinated by this groundbreaking new volume Indiana Military History Journal ,1988 **Air University Library Index to Military Periodicals** ,1989 Bibliography of the History of Medicine ,1993 *Arn's War* Edward C. Arn,2006 Arn writes in a straightforward and engaging manner that avoids false sentimentality or romanticism Instead he gives readers keen insights into the daily life of soldiers locked in gruesome events far beyond their experience and describes how it feels to be under fire to suffer a wound to agonize over the deaths of friends to endure true suffering to sacrifice and to survive Edited and annotated by Jerome Mushkat this memoir is an account of a citizen soldier who survived his baptism by fire during World War II **BOOK JACKET Military History** ,1987-08 **Monte Cassino** Peter Caddick-Adams,2013 Waged deep in the Italian mountains beneath a mediaeval monastery the battle of Monte Cassino was an astonishingly brutal encounter grinding up ten armies in conditions as bad as the Eastern Front at its worst This book provides a vivid account of how an array of men from across the globe fought the most lengthy and devastating engagement of the Italian campaign in an ancient monastery town World War II Carl J. Schneider,Dorothy Schneider,2014-07 Firsthand accounts and brief biographies describe how Americans were affected by the events surrounding World War II *Witness to War* Richard J. Aldrich,2004 Using compelling material from a startling range of diaries this work offers a fresh perspective on the experience of ordinary individuals during the Second World War **A Guide to the Sources of United States Military History** Robin Higham,Donald J. Mrozek,1998 The Journal of the Oklahoma State Medical Association ,1991 **One Day in a Very Long War** John Ellis,1998 He the author describes a world wide conflict from the viewpoint of those who took part on all fronts in both Allied and Axis forces field marshall or private president prime minister prisoner of war or munitions worker just as they saw it on 25th October 1944 *Blurb* *Endkampf* Stephen G. Fritz,2004-10-08 At the end of World War II Gen Dwight D Eisenhower fearing that retreating Germans would consolidate large numbers of troops in an Alpine stronghold and from there conduct a protracted guerilla war turned U S forces toward the heart of Franconia ordering them to cut off and destroy German units before they could reach the Alps Opposing this advance was a conglomeration of German forces headed by SS Gruppenf hrer Max Simon a committed National Socialist who advocated merciless resistance Under the direction of officers schooled in harsh combat in Russia the Germans succeeded in bringing the American advance to a grinding halt Caught in the middle were the people of Franconia Historians have accorded little mention to this period of violence and terror but it provides insight into the chaotic

nature of life while the Nazi regime was crumbling Neither German civilians nor foreign refugees acted simply as passive victims caught between two fronts Throughout the region people pressured local authorities to end the senseless resistance and sought revenge for their tribulations in the liberation that followed Stephen G Fritz examines the predicament and outlook of American GI s German soldiers and officials and the civilian population caught in the arduous fighting during the waning days of World War II Endkampf is a gripping portrait of the collapse of a society and how it affected those involved whether they were soldiers or civilians victors or vanquished perpetrators or victims *Infantry* ,1988 **Subject Guide to Books in Print** ,2001

Eventually, you will categorically discover a additional experience and capability by spending more cash. still when? get you acknowledge that you require to acquire those every needs past having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to understand even more not far off from the globe, experience, some places, next history, amusement, and a lot more?

It is your categorically own period to decree reviewing habit. accompanied by guides you could enjoy now is **Long Walk Through War A Combat Doctors Diary** below.
