

The book cover features a stylized illustration of a young girl with long, flowing black hair. She is wearing a vibrant red robe with wide sleeves and is depicted in a graceful, seated or crouching pose. The background is a dark, textured landscape with a large tree trunk on the left and a body of water or a path leading into the distance. The overall color palette is dominated by the red of the robe, the black of the hair, and the dark, muted tones of the background.

Chinese Fairy Tales and Legends Frederick H. Martens, Richard Wilhelm, 2019-09-19 Fearless heroes feisty princesses sly magicians terrifying dragons talking foxes and miniature dogs They all feature in this enthralling compendium of Chinese fairy tales and legends along with an array of equally colourful characters and captivating plots Although largely unknown in the West the 70 plus stories in this volume are just as beguiling as the more familiar Grimms Fairy Tales or Arabian Nights They were collected in the early 20th century by Richard Wilhelm and first translated into English by Frederick H Martens This beautifully produced revised and edited new edition includes updated notes which not only provide background on the tales but also offer a fascinating insight into

ancient Chinese folk lore and culture These are stories to return to time and time again From awesome adventures to quirky allegories from the exploits of the gods to fables about beggars who outwit their betters Chinese Fairy Tales and Legends is extraordinarily diverse and endlessly engaging These wonderful stories have enduring and universal appeal and will intrigue both children and adults [Animated Encounters](#) Daisy Yan Du,2019-02-28 China's role in the history of world animation has been trivialized or largely forgotten In *Animated Encounters* Daisy Yan Du addresses this omission in her study of Chinese animation and its engagement with international forces during its formative period the 1940s 1970s She introduces readers to transnational movements in early Chinese animation tracing the involvement of Japanese Soviet American Taiwanese and China's ethnic minorities at socio historical or representational levels in animated filmmaking in China Du argues that Chinese animation was international almost from its inception and that such border crossing exchanges helped make it Chinese and subsequently transform the history of world animation She highlights animated encounters and entanglements to provide an alternative to current studies of the subject characterized by a preoccupation with essentialist ideas of Chineseness and further questions the long held belief that the forty year period in question was a time of cultural isolationism for China due to constant wars and revolutions China's socialist era known for the pervasiveness of its political propaganda and suppression of the arts unexpectedly witnessed a golden age of animation Socialist collectivism reinforced by totalitarian politics and centralized state control allowed Chinese animation to prosper and flourish artistically In addition the double marginality of animation a minor art form for children coupled with its disarming qualities and intrinsic malleability and mobility granted animators and producers the double power to play with politics and transgress ideological and geographical borders while surviving censorship both at home and abroad A captivating and enlightening history *Animated Encounters* will attract scholars and students of world film and animation studies children's culture and modern Chinese history *The Horn Book Guide to Children's and Young Adult Books* ,1995 **Chinese Culture Through Legends and Fiction** Zhenjun Zhang,2024-12-31 This is a collection of selected and translated Chinese legends and tales arranged under specific topics important to Chinese culture with an introduction and reading guide for each piece Comprised of 4 parts covering Confucian culture Daoist culture Buddhist culture and topics beyond the Three Teachings the sources featured in this anthology include legends fictional works historical texts as well as philosophical texts of ancient China ranging from the Han dynasty 206 BCE 220 CE to the Qing dynasty 1644 1911 Helping readers learn about Chinese customs traditions and values by immersing them in the wonderful world of traditional China with the compelling legends and tales revealing the fascinating meshwork of Chinese culture this book is an invaluable text for students and scholars of Chinese literature culture and history as well as general readers with an interest in China **Pianos and Politics in China** Richard Curt Kraus,1989 During the Cultural Revolution the piano the musical embodiment of Western culture became the object of intense hostility This book examines the evolution of China's ever changing disposition towards European music and Western

influences generally **Chinese Films Abroad** Yves Gambier,Haina Jin,2024-04-02 This book examines Chinese films made and shown abroad roughly between the 1920s and the 2020s from the beginning of the international exchange of the Chinese national film industry to the emergence of the concept of soft power The periodisation of Chinese cinema s does not necessarily match the political periods on the one hand the technical development of the film industry and the organisation of translation in China and on the other hand official relations with China and translation policies abroad impose different constraints on the circulation of Chinese films This volume deals with the distribution and translation of films from mainland China Taiwan Hong Kong and the Chinese diaspora To this end the contributors address various issues related to the circulation and distribution of Chinese films including co productions agents of exchange and modes of translation The approach is a mixture of socio cultural and translational methods The data collected provides for the first time a quantitative overview of the circulation of Chinese films in a dozen foreign countries The book will greatly interest scholars and students of Chinese cinema translation studies and China studies Chinese Myths and Legends Anita Ganeri,2013-07 The Ancient

Chinese lived thousands of years ago but their myths are filled with characters creatures and stories that have fascinated people ever since This book mixes dramatic retellings and non fiction information to give a full picture of Chinese myths exploring the gods goddesses heroes villains tricksters and quests that make Chinese myths and legends so compelling **A to Zoo** Rebecca L. Encyclopedia of Contemporary Chinese Culture Edward Lawrence Davis,2005 First Published in 2009 Routledge is an imprint of Taylor Francis an informa company **Gendering Chinese Religion** Jinhua Jia,Xiaofei Kang,Ping Yao,2014-07-30 Gendering Chinese Religion marks the emergence of a subfield on women gender and religion in China studies Ranging from the medieval period to the present day this volume departs from the conventional and often male centered categorization of Chinese religions into Confucianism Buddhism Daoism and popular religion It makes two

compelling arguments First Chinese women have deployed specific religious ideas and rituals to empower themselves in various social contexts Second gendered perceptions and representations of Chinese religions have been indispensable to the historical and contemporary construction of social and political power The contributors use innovative ways of discovering and applying a rich variety of sources many previously ignored by scholars While each of the chapters in this interdisciplinary work represents a distinct perspective together they form a coherent dialogue about the historical importance intellectual possibilities and methodological protocols of this new subfield
