Longest Night A Military History Of The Civil War:

The Longest Night David J Eicher, 2002-03-30 A riveting indispensable history of the Civil War told chronologically from the first shots fired at Fort Sumter to the surrender in the summer of 1865 a conflict that James McPherson in the Foreword calls the most dramatic violent and fateful experience in American history In this compelling account of the American Civil War noted historian David Eicher gives us an authoritative history of battle from the first shots at Fort Sumter to Lee's surrender at Appomattox As a strictly military history The Longest Night covers hundreds of engagements both well known and obscure including the oft neglected Western theater and naval actions along the coasts and rivers The result is a gripping popular history that will fascinate anyone just learning about the Civil War while offering more than a few surprises for longtime students Drawing on hundreds of sources and excerpts from correspondence by those who fought the war The Longest Night conveys a real sense of life and death on the battlefield In addition Eicher analyzes each side's evolving strategy examines the tactics of Lee Grant Johnston and Sherman and discusses significant topics such as prisons railroads shipbuilding clandestine operations and the role of African Americans in the war This is an definitive chronicle of the war that as the author writes like no other conflict in our history casts a long shadow onto modern America

The History of the Civil War Charles River Editors, 2025-05-02 Americans have long been fascinated by the Civil War marveling at the size of the battles the leadership of the generals and the courage of the soldiers Since the war's start over 150 years ago the battles have been subjected to endless debate among historians and the generals themselves The Civil War was the deadliest conflict in American history and had the two sides realized it would take 4 years and inflict over a million casualties it might not have been fought Since it did however historians and history buffs alike have been studying and analyzing the biggest battles ever since The secession of the South was one of the seminal events in American history but it also remains one of the most controversial The election of Abraham Lincoln was the impetus for secession but that was merely one of many events that led up to the formation of the Confederacy and the start of the Civil War On December 20 a little more than a month after Lincoln had been elected the 16th president a convention met in Charleston and passed the first ordinance of secession by one of the United States declaring We the people of the State of South Carolina in convention assembled do declare and ordain that the Union now subsisting between South Carolina and other States under the name of the United States of America is hereby dissolved In January 1861 Mississippi Florida Alabama Georgia Louisiana and Kansas followed South Carolina's lead and the Confederate States of America was formed on February 4 in Montgomery Alabama with former Secretary of War Jefferson Davis inaugurated as its President A few weeks later Texas joined The Confederacy's hope of being let go in peace ended at 4:30 a.m. on the morning of April 12 1861 when Confederate Brigadier General P. G. T. Beauregard ordered the first shots to be fired at the federal garrison defending Fort Sumter in the Charleston Harbor effectively igniting the Civil War For nearly 36 hours Beauregard's Confederates unleashed a general bombardment from 43

guns and mortars positioned at various points across the Harbor Unable to effectively reply or defend themselves Major Robert Anderson raised the white flag early in the afternoon of April 13 bringing the first battle of the Civil War to a close No casualties were suffered on either side during the dueling bombardments across Charleston Harbor but ironically two U S Army soldiers were killed by an accidental explosion during the surrender ceremonies After Fort Sumter the Lincoln Administration pushed for a quick invasion of Virginia with the intent of defeating Confederate forces and marching toward the Confederate capitol of Richmond Lincoln pressed Irvin McDowell to push forward Despite the fact that McDowell knew his troops were inexperienced and unready pressure from the Washington politicians forced him to launch a premature offensive against Confederate forces in Northern Virginia *The Civil War in 1862* Charles River Editors, 2025-05-02 After Union General Ulysses S Grant captured Fort Henry and Fort Donelson in early 1862 Confederate General Albert Sidney Johnston widely considered the Confederacy's best general concentrated his forces in northern Georgia and prepared for a major offensive that culminated with the biggest battle of the war to that point the Battle of Shiloh On the morning of April 6 Johnston directed an all out attack on Grant's army around Shiloh Church and though Grant's men had been encamped there they had failed to create defensive fortifications or earthworks They were also badly caught by surprise With nearly 45 000 Confederates attacking Johnston's army began to steadily push Grant's men back toward the river As fate would have it the Confederates may have been undone by friendly fire at Shiloh Johnston advanced out ahead of his men on horseback while directing a charge near a peach orchard when he was hit in the lower leg by a bullet that historians now widely believe was fired by his own men Nobody thought the wound was serious including Johnston who continued to aggressively lead his men and even sent his personal physician to treat wounded Union soldiers taken captive But the bullet had clipped an artery and shortly after being wounded Johnston began to feel faint in the saddle With blood filling up his boot Johnston unwittingly bled to death The delay caused by his death and the transfer of command to subordinate P G T Beauregard bought the Union defenders critical time on April 6 and the following day Grant's reinforced army struck back and pushed the Confederate army off the field The Battle of Shiloh lasted two days but the battle over the battle had just begun Grant's army had just won the biggest battle in the history of North America with nearly 24 000 combined casualties among the Union and Confederate forces Usually the winner of a major battle is hailed as a hero but Grant was hardly a winner at Shiloh The Battle of Shiloh took place before costlier battles at places like Antietam and Gettysburg so the extent of the casualties at Shiloh shocked the nation Moreover at Shiloh the casualties were viewed as needless Grant was pilloried for allowing the Confederates to take his forces by surprise as well as the failure to build defensive earthworks and fortifications which nearly resulted in a rout of his army Speculation again arose that Grant had a drinking problem and some even assumed he was drunk during the battle Though the Union won it was largely viewed that their success owed to the heroics of General Sherman in rallying the men and Don Carlos Buell arriving with his army and General Buell was happy to receive the credit at Grant's expense As a result

of the Battle of Shiloh Grant was demoted to second in command of all armies in his department an utterly powerless position And when word of what many considered a colossal blunder reached Washington several congressmen insisted that Lincoln replace Grant in the field Lincoln famously defended Grant telling critics I can't spare this man He fights The Civil War in 1862 explains the campaign and events that led up to the decisive battle what went right and wrong on both sides and the aftermath of the battle Accounts of the battle by important leaders like Sherman Grant and Braxton Bragg are included along with analysis of the generals and fighting Along with maps of the battle and pictures of important people places and events you will learn about the Battle of Shiloh like you never have before *The Ten Biggest Battles of the Civil War* Charles River Editors, 2025-05-02 Americans have long been fascinated by the Civil War and its biggest battles particularly Gettysburg Antietam and Shiloh all of which involved Robert E Lee or Ulysses S Grant But one of the 6 biggest battles of the war and the one that took the heaviest toll by % on both armies was fought at the end of 1862 in Tennessee and it involved neither of those generals In late December 1862 William Rosecrans's Union Army of the Cumberland was contesting Middle Tennessee against Braxton Bragg's Army of Tennessee and for three days the two armies savaged each other as Bragg threw his army at Rosecrans in a series of desperate assaults Bragg's army was unable to dislodge the Union army and he eventually withdrew his army after learning that Rosecrans was on the verge of receiving reinforcements Though the battle was stalemated the fact that the Union army was left in possession of the field allowed Rosecrans to declare victory and embarrassed Bragg Of all the Civil War battles fought and of all the victories achieved by Robert E Lee at the command of the Confederate Army of Northern Virginia the Battle of Chancellorsville is considered the most tactically complex and ultimately the most brilliant Confederate victory of the war In early May 1863 the Army of the Potomac was at the height of its power as it bore down on Robert E Lee's Army of Northern Virginia near Fredericksburg where the Confederates had defeated them the previous December The Union behemoth had spent most of the winter season being reorganized and drilled by Fighting Joe Hooker an aggressive commander who had fought hard at places like Antietam With an army nearing 130 000 men Hooker's Army of the Potomac was twice the size of the Army of Northern Virginia Lee's heavily outnumbered army won the most stunning victory of the war at Chancellorsville but it cost them Stonewall Jackson Moreover the reorganization of the armies and the battle itself played an influential role in the way the Pennsylvania Campaign and the Battle of Gettysburg unfolded later that summer Without question the most famous battle of the American Civil War took place outside of the small town of Gettysburg Pennsylvania which happened to be a transportation hub serving as the center of a wheel with several roads leading out to other Pennsylvanian towns From July 1-3 Robert E Lee's Confederate Army of Northern Virginia tried everything in its power to decisively defeat George Meade's Union Army of the Potomac unleashing ferocious assaults that inflicted nearly 50 000 casualties in all Day 1 of the battle would have been one of the 25 biggest battles of the Civil War itself and it ended with a tactical Confederate victory But over the next two days Lee would try and fail to dislodge the Union

army with attacks on both of its flanks during the second day and Pickett's Charge on the third and final day Meade's stout defense held barely repulsing each attempted assault handing the Union a desperately needed victory that ended up being one of the Civil War's turning points After the South had lost the war the importance of Gettysburg as one of the high tide marks of the Confederacy became apparent to everyone making the battle all the more important in the years after it had been fought While former Confederate generals cast about for scapegoats with various officers pointing fingers at Robert E Lee James Longstreet and James Stuart historians and avid Civil War fans became obsessed with studying and analyzing all the command decisions and army movements during the entire campaign Despite the saturation of coverage Americans refuse to grow tired of visiting the battlefield and reliving the biggest battle fought in North America **Historical**
