Greenwald, Roger Schultz, Roberto Darío Pomo, 2002 The Longman Anthology of Drama and Theater Compact Edition is a fully integrated text anthology of drama with a global emphasis for the Introduction to Drama course The Compact Edition is

divided into three parts Part One examines the roots of theater and the theoretical and critical foundations of theater and drama Part Two an anthology of Western Theater and Part Three an anthology of non western theater are divided into historical and geographical sections each preceded by a brief overview of the cultural and historical context that shaped the plays A map and timeline of key historical cultural and artistic events precedes each section in Parts II and III Preceding each section of plays is a brief overview of the history of the theater from its origins in Europe Asia Africa and the Americas to the present The ideas that inspired the dramas are considered as well as the particulars of each performance In the interest of creating a clean uncluttered text selected bibliographies are at the end of the book Questions for Discussion and Writing are included in the accompanying Instructor s Manual as well as more thorough bibliographies and a comprehensive list of films and videos that illustrate the ideas in the text *Henry James' Shorter Masterpieces* Henry James,1984-10 A wonderful reference for the learned James scholar as well as the newly intrigued literary student **Henry James' Shorter**

Masterpieces: Introduction. Brooksmith. The chaperon. Nona Vincent. The middle years. The death of the lion.

The Coxon fund Henry James,1984 **The Longman Anthology of World Literature** David Damrosch,David Lawrence Pike,2008 The Longman Anthology of World Literature Compact Edition presents a fresh and diverse range of the world s great literature in a single volume that links past and present East and West and literary and cultural contexts Featuring major works by literary masters from the ancient world through the twentieth century this concise anthology combines comprehensive coverage of key works of the Western literary tradition and the best core enduring works of the literatures of China Japan India the Middle East Africa and native Americas The anthology includes epic and lyric poetry drama and prose narrative with many complete works and a focus on the most influential pieces and authors from each region and time period The texts are supplemented by contextual materials that help students understand the literary and historical eras from which these texts arose Engaging introductions scholarly annotations maps pronunciation guides and illustrations developed by a distinguished editorial team provide a wealth of teachable materials that support and illuminate the selections *Books for College Libraries: Language and literature* ,1988 *The Cumulative Book Index* ,1984 A world list of books in the English language **The Cambridge Companion to World Literature** Ben Etherington,Jarad Zimbler,2018-11-22 The Cambridge Companion to World Literature introduces the significant ideas and practices of world literary studies It provides a lucid and accessible account of the fundamental issues and concepts in world literature including the problems of imagining the totality of literature comparing literary works across histories cultures and languages and understanding how literary production is affected by forces such as imperialism and globalization The essays demonstrate how detailed critical engagements with particular literary texts call forth differing conceptions of world literature and conversely how theories of world literature shape our practices of readings Subjects covered include cosmopolitanism transnationalism internationalism scale and systems sociological criticism translation scripts and orality This book also includes original analyses of genres and

forms ranging from tragedy to the novel and graphic fiction lyric poetry to the short story and world cinema Fiction R. S. Gwynn,1997 Iconoclastic Departures Mary Wollstonecraft Shelley,1997 Iconoclastic Departures contributes to the ongoing reevaluation of Mary Shelley as a professional author in her own right with a lifelong commitment to the development of her craft Many of its essays acknowledge the importance of her family to her work the steady theme of much earlier scholarship but for them the family has become an imperative socio psychological context within which to better understand her innovations in the many literary forms she worked with during her career journals letters travelogues biographies poems dramas tales and novels The book s essays also convey the conviction that even if Mary Shelley after Percy Shelley s death gradually retired from public life as his relatives wished she retained a resiliently resistant attitude toward many of the established orders of her day easily recovered by a careful look beyond her feelings to the productions of her literary imagination The Mary Shelley who inhabits this three part collection of portraits is a radical even if a quiet radical Part 1 focuses on various moments in her construction of her authorial identity parts 2 and 3 anatomize the nature of her resistance and her innovation She is presented as a writer who reappropriates authority for herself who redesigns genres who redefines gender who rewrites history and biography who revises her readers aesthetic expectations and who protests cultural imperialism at home and abroad It seems significant to the contributors to this volume that this new radical Mary Shelley was not invented by a pointed call for papers but emerged spontaneously from an open invitation to scholars working in various corners of the English speaking world BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The academy** ,1886
