Encyclopedic Learners' Dictionaries Martin Stark, 2015-03-30 This book describes and evaluates the usefulness of a recently developed lexicographical hybrid the encyclopedic learner's dictionary ELD First the ELD is analysed from a typological perspective Two encyclopedic learners dictionaries are dissected and compared and a checklist of ELD design features is drawn up A survey of previous user based studies is then provided followed by a description of the questionnaire based methodology used in this user centred investigation Next a critical analysis of each ELD design feature is provided Finally the implications of this research for the future production of ELDs are presented as a checklist of recommendations

Which dictionary for whom? Robert Lew, 2004 [Ethnocentrism and the English Dictionary](#) Phil Benson, 2002-01-08 This unique work challenges the assumption that dictionaries act as objective records of our language and instead argues that the English dictionary is a fundamentally ethnocentric work Using theoretical historical and empirical analyses Phil Benson shows how English dictionaries have filtered knowledge through predominantly Anglo American perspectives The book includes a major case study of the most recent edition of the Oxford English Dictionary and its treatment of China
