Rosalind Harris,2006-04 Quick Fix: Seven Steps to Happiness Dr. Bonita C. Glover,2014-01-03 With happiness fleeing from those who once had it and becoming an elusive dream for many it is important to provide an answer to the question How do I find happiness Even though happiness is as abstract as the air we breathe both provide evidence that they exist The proof of the lack of air is death and the proof of the lack of happiness is unhappiness misery and discontentment lack of joy and gratefulness and being disgruntled and dissatisfied Happiness is obtainable when we are willing to do whatever it takes to get it In finding happiness we must remember that walking through this life is not all about us Its about who we are through the creator finding our purpose and destiny so we can live happy fulfilled lives and live life in according to the plan that was designed for us individually It is important to find happiness not only so you can live a better life but also because the mental status of parents and role models affect the mental stability of the children Unhappy situations happen every day and anyone can recall a situation of unpleasantness death divorce loss of a job demotion etc Even so the question is not whether we have been unhappy but rather whether our level of happiness over time is strong enough to bring us back to the momentum on the continuum of happiness If you are uncertain about your happiness A Quick Fix Seven Steps to Happiness offers a guide to help you find your happiness **Look What God Has Done** Arletta Lockett,2011-05-31 This book of Testimonies is my personal relationship with God His love drew me unto him when I was a little girl As a teenager He stayed with me through my mistakes Now as an older woman I know God as my savior healer way maker protector and a friend God is the lover of my soul I have learned to listen to God s voice and to let His word be my light and guide in the journey of my life Revelation 12 11 And they overcame him by the blood of the Lamb and by the word of their testimony and they loved not their lives unto the death Deliverance from Toxic Memories Ken Harrington,Jeanne Harrington,2013-11-19 Bondage to the past is not God s plan for your present When a young elephant is chained up by its trainer the animal s initial response is to try and escape Several attempts later the elephant recognizes that freedom is not possible and accepts the chains as normal Once this is learned the trainer can use a simple rope to hold one of the most powerful animals The same thing happens to many people with their minds They become used to unhealthy patterns of thinking and destructive memories Sadly it becomes embraced as normal life This is not God s perfect will for you Authors Ken and Jeanne Harrington provide extensive research and relevant Bible teaching empowering you to experience freedom today by Understanding how toxic memories negatively impact your physical and spiritual health Exposing the lies you believe about yourself and replace them with transformational Truth Positioning you to live in the love and complete forgiveness of God Reclaim your memories and take your life back Long Way Back Brendan Halpin,2015-03-31 Francis has two childhood encounters that shape his life one with God and the other with Dee Dee Ramone When his life falls apart in
