Friend ,1912      The Publishers Weekly ,2004      American Book Publishing Record ,2003      **Never a Hero** Richard Desoto, 2010      Forthcoming Books Rose Arny, 2004      **What the World Might Look Like** Susie O'Brien, 2024-05-14 The idea of resilience is everywhere these days offering a framework for thriving in volatile times Dominant resilience stories share an attachment to a mythologized past thought to hold clues for navigating a future that is understood to be full of danger These stories also uphold values of settler colonialism and white supremacy What the World Might Look Like examines the way resilience thinking has come to dominate the settler colonial imagination and explores alternative approaches to resilience writing that instead offer decolonial models of thought The book traces settler colonial resilience stories to the rise of resilience science in the 1970s and 1980s illustrating how the discipline supports the projects of white supremacy and colonialism Working to unravel the blanket of common sense that shrouds the idea of resilience the book is equally cautious of settler colonial antiresilience stories that invoke the idea of death as an antidote to unbearable life Susie O'Brien argues that although the dominant narratives of resilience are problematic resilience itself is neither inherently good nor inherently bad Appreciating the significance of resilience stories requires asking what worlds and what communities they

are meant to preserve Looking at the fiction of Alexis Wright David Chariandy and Leanne Betasamosake Simpson O'Brien points to the potential of Black and Indigenous thinking around resilience to figure decolonial possibilities for planetary flourishing Exposing the complexities and limits of resilience What the World Might Look Like questions the concept of resilience highlighting how Black and Indigenous novelists can offer different decolonial ways of thinking about and with resilience to imagine things otherwise

to the Revivalists Zondervan,2018-11-13 *A Legacy of Preaching Volume One Apostles to the Revivalists* explores the history  
 and development of preaching through a biographical and theological examination of its most important preachers Instead of  
 teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular  
 preacher in history allowing the preachers from the past to come alive and instruct us through their lives theologies and  
 methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of  
 the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of  
 the significant contributions they have made to the history of preaching This diverse collection of familiar and lesser known  
 individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two  
 thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars  
 and homiletics students can enrich their own understanding and practice of preaching for application today Volume One

explores how young people learn to understand and influence the workings of power and justice in their society Since 2008  
hundreds of secondary schools across Kenya have been targeted with fire by their students Through an in depth study of  
Kenyan secondary students use of arson Elizabeth Cooper asks why With insightful ethnographic analysis she shows that  
these young students deploy arson as moral punishment for perceived injustices and arson proves an effective tactic in their  
politics from below Drawing from years of research and a rich array of sources Cooper accounts for how school fires stoke a  
national conversation about the limited means for ordinary Kenyans and especially youth to peacefully influence the  
governance of their own lives Further Cooper argues that Kenyan students actions challenge the existing complacency with  
the globalized agenda of education for all demonstrating that submissive despondency is not the only possible response to  
the failed promises of education to transform material and social inequalities
