**Out of Position** Kyell Gold, 2009. Dev is a football player at Forester University, a small liberal arts college where football isn't a big deal. He and his teammates still get to strut around and have their pick of the girls on Friday nights at the local meat market. That's all he wants until he meets Lee, a fox with an agenda and an attractive body. Problem is, Lee's not a girl. He's a gay fox who never thought he'd fall for a football player until he met Dev. Their secret romance is hard enough for them to handle, but that's only the beginning of their problems as their friends, family and co-workers keep mounting the pressure to find out what's going on. If they're exposed, they could lose the careers they've fought so hard for. Going it alone would make everything easier. If only they could stop fighting long enough to break up.
