The JACK LONDON Ultimate Collection encapsulates the profound breadth of Jack London's literary genius presenting a meticulously curated anthology of his most significant works. This collection spans various genres including adventure, science fiction, and social commentary and showcases London's rugged prose that vividly captures the human spirit amidst the harsh realities of nature and society. Through gripping narratives such as *The Call of the Wild* and poignant essays like *What Life Means to Me*, London delves deeply into themes of survival, individualism, and the struggle against societal constraints, reflecting the zeitgeist of the early 20th century and the burgeoning discourse on class and nature that characterized his era. Jack London was not only a prolific writer but a passionate social activist whose own experiences as a sailor, gold prospector, and laborer influenced his storytelling. Growing up in poverty and traversing the globe during his youthful adventures, London's exposure to diverse cultures and societal injustices profoundly shaped his perspectives on life, prompting him to advocate for workers' rights and environmental conservation through his vivid narratives. This comprehensive collection is an essential read for anyone interested in early American literature and the complexities of the human condition. London's terse, evocative style and thought-provoking themes challenge readers to confront the visceral realities of existence, making this anthology not just a testament to his literary prowess but a call to introspection and understanding.

*Racehoss* Albert Sample, 2018-05-22

A timeless classic, *San Antonio Express News* reissued with a new foreword, afterword, and ten percent more material about a black man who spent seventeen years on a brutal Texas prison plantation and underwent a remarkable transformation. First published in 1984, *Racehoss* tells the story of Big Emma's Boy, Albert Race Sample's unforgettable tale of resilience, revelation, and redemption. Born in 1930, the mixed-race son of a hard-drinking black prostitute and a white cotton broker, Sample was raised in the Jim Crow South by an abusive mother who refused to let her son, who could pass for white, call her Mama. He watched for the police while she worked, whether as a prostitute, bootlegger, or running the best dice game in town. He loved his mother deeply but could no longer take her abuse and ran away from home at the age of twelve. In his early twenties, Sample was arrested for burglary, robbery, and robbery by assault and was sentenced to nearly twenty years in the Texas prison system in the 1950s and 60s. His light complexion made him stand out in the all-black prison plantation known as the burnin' hell, where he and over four hundred prisoners picked cotton and worked the land while white shotgun-carrying guards followed on horseback. Sample earned the moniker *Racehoss* for his ability to hoe cotton faster than anyone else in his squad. A profound spiritual awakening in solitary confinement was a decisive moment for him, and he became determined to turn his life around. When he was finally released in 1972, he did just that. Though Sample was incarcerated in the twentieth century, his memoir reads like it came

from the nineteenth With new stories that had been edited out of the first edition a foreword by Texas attorney and writer David R Dow and an afterword by Sample s widow Carol this new edition of Racehoss Big Emma s Boy offers a more complete picture of this extraordinary time in America s recent past
