**Michael DeMarco, M.A. et al.**

## **Looking At A Far Mountain A Study Of Kendo Kata:**

**Looking at a Far Mountain - Revisited** Paul Budden, 2023-10-23 A timeless psychological study of a young man's deep alienation from society Set in the early 20th century Kokoro opens with a chance encounter on a beach near Tokyo that irrevocably links a young student to a man he simply calls Sensei Teacher Intrigued by Sensei's aloofness the student calls upon him with increasing frequency Eventually Sensei and his beautiful wife open their home and their lives to him Only later does the student learn the devastating secret that has haunted Sensei since his youth Kokoro has sold millions of copies in Japan where it is taught in schools and is a perennial favorite Its lucid prose and universal themes of friendship betrayal and the struggle for meaning in a changing world have made it popular internationally as well This English language manga version will make the book accessible to a new generation of foreign readers The manga includes depictions of suicide and may not be suitable for some readers

Looking at a Far Mountain Paul Budden, 1992 Derived from the ancient Japanese warrior art of the sword and imbued with the principles of Zen Buddhism kendo has now gained worldwide popularity for its appealing combination of sport and meditation In Looking at a Far Mountain kendo expert Paul Budden explains the essentials of the art by offering An extensive history of the kendo tradition Technical specifics such as form positioning and breathing Detailed explanations of the kata A listing of kendo schools A lineage chart of the great kendo masters This comprehensive volume endorsed by the premier Japanese kendo body is sure to improve and perfect the practice of kendo for students of all levels The only readily available study in English of kendo's Teikoku Kata Includes 475 instructive black and white photos and illustrations

Karata Kata: For the Transmission of High-Level Combative Skills, Vol. 1 Michael DeMarco, M.A. et al., 2015-08-31 We all know the meaning of the word kata Even to nonpractitioners it is a familiar karate practice Plus the word has long been incorporated into the English language For this reason I choose to write the plural as katas and not follow the Japanese tradition where kata can be both singular or plural By doing this I've ruffled feathers already since many hold such a sacred bond with the time and place where karate took shape Trouble with one word Now how about the whole Okinawan martial tradition as passed on through katas A kata is much like a family jewel that has passed down through generations It holds a significance that is difficult to decipher and many dispute the meaning of every micromovement it contains Who created it What are the applications Is kata practice outdated Is there more than we can see and understand You bet It is precisely because of the confusion and misunderstandings regarding the place of kata in the karate tradition that we are thrilled to present a two volume e book on this subject If katas are learning tools that pass down knowledge of a valued art then the authors included in this anthology can certainly facilitate the learning process for all interested in karate Each author has excellent experience in the field having studied directly under masters often on the largest island in the Ryukyu island chain In addition to their long years of physical participation in the school of hard knocks their depth of scholarly research into the encompassing culture allows their writings to illuminate many aspects of kata

practice that normally go unnoticed In our quest to better understand the full significance of kata practice we must take a serious look at why old masters formulated the routines How can kata practice better our health and promise to hone our self defense skills Each chapter in this anthology deals with the principles that guide kata practice Hopefully the reading will reveal some of the secrets to improving techniques As with other martial traditions some insights cannot be shared through written word Like good teachers may the chapters here inspire you to look deeper into kata practice

*Martial Arts of the World* Thomas A. Green, Joseph R. Svinth, 2010-06-11 This book is the most comprehensive and authoritative reference ever published on the wide range of martial arts disciplines practiced in cultures around the world ABC CLIO's *Martial Arts of the World: An Encyclopedia of History and Innovation* is the most authoritative reference ever published on combat disciplines from around the world and across history Coverage includes Shaolin monks jousting knights Roman gladiators Westerner gunfighters samurai warriors and heavyweight boxers These iconic figures and many more are featured in this title as well as representatives of less well known but no less fascinating systems all vividly characterized by expert contributors from around the world who are themselves martial arts practitioners *Martial Arts of the World* comprises 120 entries in two volumes The first volume is organized geographically to explore the historic development of martial arts styles in Asia Africa Europe and the Americas The second volume looks at martial arts thematically with coverage of belief systems modern martial arts competitions and a wide range of such topics as folklore women in martial arts martial arts and the military and martial arts and the media

Teaching and Learning Japanese Martial Arts Vol. 1: Scholarly Perspectives Michael DeMarco, 2017-03-05 In contrast to the overabundance of writings about martial arts that are often promotional and misinformative there are rare works by scholars that are praiseworthy for their sincere unbiased approach to writing This is the very definition of scholarly This two volume anthology brings together the best scholarly works published in the *Journal of Asian Martial Arts* on the topic of teaching and learning Japanese martial arts In this volume you'll find ten chapters that dive deep into Japanese martial traditions combining aspects of history and culture that explain how teaching methods developed and evolved Dr Harrison Pepper's chapter sets the tone with a focus on the fundamental student teacher relationship that is responsible for the transmission of any art She uses sociological and performance studies to analyze the martial art's maturing process Understanding the teacher student relationship is vital for all involved Japanese combative arts Since Japan was ruled by a warrior class for nearly 700 years it is necessary to understand the method by which warriors were educated through the ryuha system Nyle Monday's chapter presents this system Dr Lewis Hershey explores the way in which a martial art can serve as a vehicle for non discursive intercultural exchange in the teaching process His chapter provides a discussion of the importance of embodying the feeling or aesthetic of a particular system as a way of knowing and understanding martial techniques The next three chapters were originally prepared for a meeting of the Association for Asian Studies Dr Paul Varley states that most who have written about martial arts practice are not trained scholars and their

writings vary greatly in quality He discusses the state of writing in this field and introduces the other authors Dr Cameron Hurst discusses the characteristics of the martial arts that place them squarely into the category of artistic ways along with such familiar arts as Noh the tea ceremony and flower arranging This reflects the family headship system of instruction to carry on the school s traditions Dr Karl Friday defines the term ryuha as branch of the current representing the onward flow of a stream of thought the branches betoken the splitting off that occurs as insights are passed from master to students generation after generation His chapter shows how ryuha exist to hand on knowledge with pattern practice kata being the core of transmission Is it warrior s individualism that is prized in modern conformity ridden Japanese culture or is this an erroneous interpretation of the idealized warrior image by Westerners In the next chapter Dr Wayne VanHorne s research is persuading showing that the ultimate goal of the training is to foster individuals to contribute to the betterment of the collective society with social responsibility In the following chapter Dr John Donohue analyzes the organizational components of traditional martial arts training and relates them to modern pedagogical theories He concludes that the instructional theory embedded in martial arts training is at least as sophisticated and highly developed as are the techniques and philosophies of these systems In the next chapter he examines kata training as 1 a cultural activity that has been shaped by the structural characteristics of Japanese culture and kata training as 2 a highly structured and effective mechanism for imparting technical skill in the martial arts Kim Taylor provides the final chapter dealing with progressive instruction found in many kata based martial arts Using iaido sword drawing as an example he demonstrates how a set of practice can build one kata after the other from simple to more complex ideas and provide a deeper understanding of the entire set If you are interested in Japanese martial traditions you will find much in these ten chapters that clarify why the arts are taught according to a longstanding tradition and also why there have been evolutionary changes in the instructional methods There is sound logic for the old traditions as well as for the changes The scholarly research presented in this anthology will improve a teacher s way of instructing and help a student understand what to expect out of his or her studies

Area Bibliography of Japan Ria Koopmans-de Bruijn,1998 Provides a general overview of literature relating to Japan and covers a broad range of subject matter from art feminism and linguistics to corporate culture history and medicine Includes books published since 1980 that are related to the geographical area of Japan and to Japanese culture within that area

**Sword Fighting in the Star Wars Universe** Nick Jamilla,2014-01-10 Unlike most makers of modern or futuristic films George Lucas turned away from the standard special operatives or secret agents when he created the heroes for his epic Star Wars saga Part knight part monk the Jedi Knights were an order of swordsmen that helped rule the universe in accordance with law and lofty principles of justice and honor Without the Jedi there could be no Star Wars and without the lightsaber sword there could be no Jedi This examination of the Jedi Knights their adversaries the Sith and their lightsaber swordplay throughout all six episodes of the franchise evaluates the ways in which Lucas blended science fiction with the most ancient and epic tales of

traditional samurai and Western swordsmen It presents swordsmanship as a way to better understand the Jedi Knights focusing on the human movement and activity surrounding the weapon and the ways in which traditional Japanese martial arts were adapted for use in the films Topics of discussion include the powerful effects of the master apprentice relationship the technical choreography used in the lightsaber scenes of the Star Wars films and the historical precedents for the Jedi order including the Sohei fighting monks of Japan the Janissaries and Mamelukes of Islam and the knights of the Templar Hospitaller and Teutonic orders

**Journal of Asian Martial Arts** ,2006      **Forthcoming Books** Rose Arny,2000      **The British National Bibliography** Arthur James Wells,1992      Die Elemente des Zen in der Kampfkunst Hagen Seibert,2015-06-11 Japans Geschichte war lange Zeit gepr gt durch st ndige Kriege rivalisierender F rsten gipfelnd in einem hundertj hrigen B rgerkrieg Es entwickelte sich ein besonderer Kriegerstand die Samurai In den permanenten Kriegswirren schliffen sich deren F higkeiten Es schied sich das Ineffektive vom Effektiven und Meisterschaft in den Kampfk nsten war berlebensnotwendig Spirituellen Beistand fanden sie in der Lehre des Zen Buddhismus Zen verhalf den Samurai zu einem speziellen Zugang zu ihrer Lebenssituation und zu ihren Kampfk nsten So lernten sie einerseits unersch tterlich dem Tod ins Auge zu sehen zum anderen ihre Waffen mit herausragender Pr zision zu handhaben In unserer heutigen Zeit ist Bud der Weg der Kampfk nste das Verm chtnis der Samurai Im Bud verbindet sich das Streben nach Meisterschaft in sportlicher bung und Kampf mit den geistigen Inhalten des Zen Buddhismus Zen unterst tzt dieses Streben nachhaltig durch die spezielle Geisteshaltung und praktischen Mindset Mit diesem Buch soll auf praktisch anwendbare Weise die Lehren aus dem Zen Buddhismus f r Praktizierende von Kampfk nsten f r Ambitionierte anderer Sportarten und allgemein f r Betroffene von Konflikt Situationen erschlossen werden Dazu wird dargelegt welche Elemente im Einzelnen diesen Weg zur Meisterschaft bereiten Nebenbei bietet dieses Buch auch einen unkomplizierten pragmatischen Zugang zu den Lehren des Buddhismus Zuletzt wird Kampfkunst als solche in diesem Kontext hinterfragt      The Cumulative Book Index ,1994 A world list of books in the English language      *Devil's Gloves and the One Cut* Torao Ono,Torao Ono Sensei,Kazuyo Matsuda,Kazuyo Matsuda Sensei,Masatake Sumi,Masatake Sumi Sensei,Hiroshi Ozawa,Hiroshi Ozawa Sensei,Susumu Nagao,Shoji Enomoto,Jumpei Matsumoto,Gerry Wagstaff,Adrian Wagstaff,Carl Ranger,Dave Young,Paul Budden,2011-04-28 The ancient art of Kendo has been studied and practiced throughout Japan for centuries and has along with similar Japanese cultures spread worldwide Thus the appeal of this unique activity is therefore no longer limited to its homeland this may be attributed to the plain and simple fact that Kendo can actually be understood and put into practice anywhere by anyone and at any time or place This is the first study outside of Japan and the first in English covering a brief history the philosophical aspects and technical elements that make up this classical school of swordsmanship dating from the 17th century known Ono ha Itto ryu It will be of specific interest to those who practice Kendo and also to the numerous enthusiasts of all Far Eastern martial arts

**Devil's Gloves and the One Cut** Paul Budden,2011-05-28 The ancient art of Kendo has been studied and practiced

throughout Japan for centuries and has along with similar Japanese cultures spread worldwide Thus the appeal of this unique activity is therefore no longer limited to its homeland this may be attributed to the plain and simple fact that Kendo can actually be understood and put into practice anywhere by anyone and at any time or place This is the first study outside of Japan and the first in English covering a brief history the philosophical aspects and technical elements that make up this classical school of swordsmanship dating from the 17th century known as Ono ha Itto ryu It will be of specific interest to those who practice Kendo and also to the numerous enthusiasts of all Far Eastern martial arts **The Heart of Kendo**

Darrell Craig,1999 This guide provides a comprehensive and accessible introduction to Kendo the Japanese way of the sword It includes the history of the art of the sword the basic equipment used a glossary of terms and instructions for all the basic forms **Paper Butterflies** Paul Budden,2020-01-21 Reader I invite you to join me on a journey that I had no intention of

travelling upon indeed did not even know existed but which has since becoming unfurled occupied many a waking hour It is a journey that uncovers what I believe to be the true story of a shady gentleman called Tannaker Buhicrosan feted as the bold entrepreneur who brought the much acclaimed Japan Native Village Exhibition to Knightsbridge in 1885 What has made this quest so exciting is that the version of Mr Tannaker Buhicrosan that I have uncovered is completely different to any version that has gone before It is the result of painstaking and methodical research relying solely on certified proof along with the addition of a few grey areas and just one coincidence too many What I love about this story and what has kept me researching it even when the way ahead looked blank is that it is more like a Victorian melodrama than a real life account twisting and turns between ever shifting identities so that it is not always clear whether the person that we are reading about is the true Tannaker Buhicrosan or someone else entirely Such was his ability to shift his shape in order to fit the environment he was in To obtain what I believe is enough evidence to lay the legend of Tannaker Buhicrosan to rest once and for all I have travelled across continents and timeframes consulted graphologist and gravestone tap tapping away at a story that has succeeded in startling me at every turn It has taken ten years for me to discover the truth about this gentleman which is perhaps hard to believe as this was a man who held such a position of prominence in London society but is was also a man who did not want the truth to be known Someone who went out of his way to steer himself clear of the limelight and who every step of the way made sure to cover his tracks The process of tracking him down has at times been incredibly hard with so many possible trails running dry that I have from time to time got the impression that the protagonist is laughing at me from his grave as if we are playing a game of cat and mouse where he is willing me to fail in my task The up side of this is when I have uncovered new avenues I go down them with all the more determination My purpose in writing this book is to lay before you all of my research and findings and to let you decide who you believe the man Tannaker Buhicrosan to be It is a book I could not have written it without the help of some very significant people Brian Annette Gibbs Kazuyo Matsuda Ian Parker Dodd and Corinne Bible who offered invaluable research and input throughout the course of my journey **Kendo**

Jinichi Tokeshi, 2003-07-31 All students of kendo the formal art and practice of Japanese swordsmanship will welcome this manual by an advanced practitioner with a deep understanding of the martial art. The work begins with a history of kendo in Japan followed by a study of basic equipment and its proper care and use and a detailed description of forms and rules essential aspects of any martial art. Beginners will find this section particularly helpful because of the close attention paid to fundamental techniques of kendo including the rare two sword form *nit ry* largely unknown outside of Japan. Each technique is accompanied by clear easy to follow illustrations. The *Nihon Kendo Kata* and *Shiai* and *Shinpan* rules and regulations are useful references for those learning the *Kata* and participating in matches. The author who is also a practicing physician is attentive throughout to injury prevention and safety concerns often overlooked in martial arts manuals. The elements of kendo philosophy which can mystify even experienced practitioners are explained in simple terms to aid understanding. The manual concludes with biographies of Japan's most celebrated swordsmen, an extensive glossary of kendo terms and a history of kendo in Hawaii where it has been practiced for more than a century and where some of the world's top practitioners can be found.

**Kendō Kata** Yoshihiko Inoue, 2003      Budo Masters Michael Clarke, 2000 This title features questions and answers on martial arts from the masters themselves. How did these men train? Has the training changed over the years? Are Western people able to endure this kind of training? The book should provide insights to students and teachers alike.

Kendo No Kata Michael Finn, 1986-06-01
