appreciate photographs offering advice on characteristics such as color timing and emotion *Looking at photographs*,1973 *Nearby History* David E. Kyvig, Myron A. Marty, 2000 In the Second Edition of *Nearby History* the authors have updated all chapters introduced information about internet sources and uses of newer technologies as well as updated the appendices **Psychology of the Image** Michael A. Forrester, 2000 *Psychology of the Image* outlines a theoretical framework bringing together the semiotic concepts developed by Charles Peirce the sociological insights of Ervin Goffman and the psychoanalytic ideas of Jacques Lacan Image studies in fashion advertising photography film studies and psychology have been influenced by these theorists in significant ways The framework presented helps the reader understand how these ideas relate to the study of different domains of the image the internal imagery of dreams external images such as the photograph and image processes which span both contexts e g images we have about ourselves The topics discussed are organised into three themes The first considers mental imagery including sound and dreams The second addresses the interdependent nature of internal and external images e g the gendered self and social identity In the third theme attention turns to external images including television film photography the computer and the internet *Psychology of the Image* will be of interest to undergraduates postgraduates lecturers and researchers in the fields of psychology media studies and sociology

Reading Marie al-Khazen's Photographs Yasmine Nachabe Taan, 2020-11-26 The Lebanese photographer Marie al Khazen seized every opportunity to use her camera during the years that she was active between 1920 and 1940 She not only documented her travels around tourist sites in Lebanon but also sought creative experimentation with her camera by staging scenes manipulating shadows and superimposing negatives to produce different effects in her prints Within her photographs bedouins and European friends peasants and landlords men and women comfortably share the same space Her photographs include an intriguing collection portraying her family and friends living their everyday lives in 1920s and 30s Zgharta a village in the north of Lebanon Yasmine Nachabe Taan explores these photographs emphasizing the ways in which notions of gender and class are inscribed within them and revealing how they are charged with symbols of women's emancipation to today's viewers through women's presence as individuals separate from family restrictions of that time Images in which women are depicted smoking cigarettes driving cars riding horses and accompanying men on hunting trips counteract the common ways in which women were portrayed in contemporary Lebanon *Ethics and the Arts* Paul Macneill, 2014-05-12 This book proposes that the highest expression of ethics is an aesthetic It suggests that the quintessential performance of any field of practice is an art that captures an ethic beyond any literal statement of values This is to advocate for a shift in emphasis away from current juridical approaches to ethics ethical codes or regulation toward ethics as an aesthetic practice away from ethics as a minimal requirement toward ethics as an aspiration The book explores the relationship between art and ethics a subject that has fascinated philosophers from ancient Greece to the present It explores this relationship in all the arts literature the visual arts film the performing arts and music It also examines current issues raised by hybrid artists

who are working at the ambiguous intersections between art bio art and bioethics and challenging ethical limits in working with living materials In considering these issues the book investigates the potential for art and ethics to be mutually challenged and changed in this meeting The book is aimed at artists and students of the arts who may be interested in approaching ethics and the arts in a new way It is also aimed at students and teachers of ethics and philosophy as well as those working in bioethics and the health professions It will have appeal to the general educated reader as being current of considerable interest and offering a perspective on ethics that goes beyond a professional context to include questions about how one approaches ethics in one s own life and practices
