

A close-up shot of Thomas the Tank Engine, a blue steam locomotive with a grey face, positioned on a grey plastic track. He is facing forward with a slight smile. Behind him is a large green structure, possibly a bridge or a tunnel entrance. To the left, there is a red structure that looks like a train car or a platform. The background is slightly blurred, showing more of the track and some greenery.

*Mexico is Missing and Other Stories* J. David Stevens, 2006 What s America to do when one day Mexico suddenly disappears That question asked by the title story in Mexico Is Missing sets the tone for a collection whose individual stories have been described as provocative intensely relevant and wickedly macabre Thematically and formally diverse these pieces are unified by their devotion to the offbeat even insane moments of contemporary life A widow hears a voice from her computer that claims to be God An unnamed narrator develops an unhealthy fascination with his mailman Several characters from a joke come to life and wonder what to do with themselves A poet married to a porn star considers the real meaning of love The subjects of this volume range widely From Snoopy to Southern Baptists from witch trials to infomercials from the President s golf game to well the President s penis anything is fair game in a collection that blends satire with a sincere desire to find meaning in the jumbled world that we daily inhabit A literary critic and author Stevens also demonstrates his formal range by juxtaposing traditional linear stories against micro fictions and longer fractured narratives The result is a book that traverses the literary map with impressive dexterity Individually the stories in Mexico Is Missing will provide various pleasures for every reader But taken together they represent a more profound effort to blend those diametric impulses formal cultural and sociopolitical which so often define contemporary experience This collection of 23 short stories by J David Stevens is clever sardonic and humorous While you re laughing Stevens also gives you plenty of things to think about spirituality the negligence of the mass media American politics and relationships Book jacket
