Stanley Weyman, 2018-01-19 The death of the Prince of Conde which occurred in the spring of 1588 by depriving me of my only patron reduced me to such straits that the winter of that year which saw the King of Navarre come to spend his Christmas at St Jean d Angely saw also the nadir of my fortunes I did not know at this time I may confess it to day without shame wither to turn for a gold crown or a new scabbard and neither had nor discerned any hope of employment The peace lately patched up at Blois between the King of France and the League persuaded many of the Huguenots that their final ruin was at hand but it could not fill their exhausted treasury or enable them to put fresh troops into the field **Transnational**

France Tyler Stovall, 2018-04-20 In this compelling volume Tyler Stovall takes a transnational approach to the history of modern France and by doing so draws the reader into a key aspect of France s political culture universalism Beginning with the French Revolution and its aftermath Stovall traces the definitive establishment of universal manhood suffrage and the abolition of slavery in 1848 Following this critical time in France s history Stovall then explores the growth of urban and industrial society the beginnings of mass immigration and the creation of a new republican Empire This time period gives way to the history of the two world wars the rise of political movements like Communism and Fascism and new directions in popular culture The text concludes with the history of France during the Fourth and Fifth republics concentrating on decolonization and the rise of postcolonial society and culture Throughout these major historical events Stovall examines France s relations with three other areas of the world Europe the United States and France s colonial empire which includes a wealth of recent historical studies By exploring these three areas and their political social and cultural relations with France the text will provide new insights into both the nature of French identity and the making of the modern world in general Red Cross & Iron Cross, by A Doctor in France Axel Martin Fredrik Munthe, 2022-08-10 This complex and

A Hero of France Alan Furst, 2016-05-31 NEW YORK TIMES BESTSELLER From the bestselling master espionage writer hailed by Vince Flynn as the best in the business comes a riveting novel about the French Resistance in Nazi-occupied Paris. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST. 1941. The City of Light is dark and silent at night. But in Paris and in the farmhouses, barns and churches of the French countryside, small groups of ordinary men and women are determined to take down the occupying forces of Adolf Hitler. Mathieu, a leader of the French Resistance, leads one such cell, helping downed British airmen escape back to England. Alan Furst's suspenseful, fast-paced thriller captures this dangerous time as no one ever has before. He brings Paris and occupied France to life along with courageous citizens who outmaneuver collaborators, informers, blackmailers and spies, risking everything to fulfill perilous clandestine missions. Aiding Mathieu as part of his covert network are Lisette, a seventeen-year-old student and courier; Max de Lyon, an arms dealer turned nightclub owner; Chantal, a woman of class and confidence; Daniel, a Jewish teacher fueled by revenge; Joëlle, who falls in love with Mathieu; and Annemarie, a willful aristocrat with deep roots in France and a desire to act. As the German military police heighten surveillance, Mathieu and his team face a new threat dispatched by the Reich to destroy them all. Shot through with the author's trademark fine writing, breathtaking suspense and intense scenes of seduction and passion, Alan Furst's *A Hero of France* is at once one of the finest novels written about the French Resistance and the most gripping novel yet by the living master of the spy thriller.

Painted Caves Andrew J. Lawson, 2012-05-24 Written from an archaeological perspective, *Painted Caves* is a beautifully illustrated introduction to the oldest art of Western Europe: the very ancient paintings found in caves. Lawson offers an up-to-date overview of the geographical distribution of the sites and their significance within the varied network of Palaeolithic art.

Death in France David Hough, 2015-08-25 Henry Bodine is on vacation in Europe, trying to get his head straight after a family tragedy. While in France, he gets caught up in the gruesome murder of a mysterious English girl. Things get worse when the victim's body disappears and the French police don't believe his story, so Henry sets out to track down the killer. Along the way, he comes up against a range of suspicious characters. What is he to make of Brigitte L'Orly, a sultry French teenager who seduces him time and again? She is clearly hiding something important. And what about the odious youth and his girlfriend who seem to be obstructing Henry? Or the older guy who is obviously tailing him? All the clues eventually lead Henry to a mysterious old man living in a grand chateau. And along the way, he finds someone to help him overcome his grief.

Medieval Architecture Nicola Coldstream, 2002 Medieval architecture comprises much more than the traditional image of Gothic cathedrals and the castles of chivalry. A great variety of buildings, synagogues, halls and barns testify to the diverse communities and interests in western Europe in the centuries between 1150 and 1550. This book looks at their architecture from an entirely fresh

perspective shifting the emphasis away from such areas as France towards the creativity of other regions including central Europe and Spain Treating the subject thematically Coldstream seeks out what all buildings both religious and secular have in common and how they reflect the material and spiritual concerns of the people who built and used them Furthermore the author considers how and why after four centuries of shaping the landscapes and urban patterns of Europe medieval styles were superseded by classicism *Court and Social Life in France Under Napoleon the Third* Felix M.
