their relationships with God     Truth Seeker ,1925     **Jesus, It was Always You** Bonnie Isbell,2023-10-17 Every woman and perhaps every man longs to be loved to be tenaciously pursued by someone who simply will not give up until they have owned the other's heart We need to know that this love is unconditional and will not become disillusioned or lose its intensity We need the security of forever Have you ever found yourself in a spiritual pit feeling lost unloved unlovable and unsure of just who you are If you long for a passionate love relationship that you can hang your identity on forever if you have never understood that the entire Bible from cover to cover is a love story of God's relentless pursuit of you if you need to know that you have a covenant partner whose love for you has no limits if you long for a solid stable place to throw down an anchor for your soul this is where your yearnings will at long last be satiated You will never be the same     Crucified with Christ Rev. Kenneth N. Lierle D.Min., C.Ed.D,2008-10-30 Proverbs 22 6 Train up a child in the way he should go and when he is old he will not depart from it Before you can train a child you have to conceive a child Once you have conceived then you have to bring to birth After there is birth there can be growth It is expected Growth is normal and healthy Lack of growth suggest there is a problem and specialty help needs to be requested Parents are the most influential persons affecting the lives to newborn children during their formative years About age 5 the child will begin attending school to advance his/her education of the world around him After about twelve years of this education and growth he/she will cross the hurdle of Graduation At age 18 they are now considered an adult They may choose more education or occupation but they are expected to adapt behaviors that come with adulthood At some point it is normally expected that they will get married and have children That is what is considered normal Lack of children is a negative sign As time progresses they will grow old and eventually die Hopefully they will have left a good testimony behind Hopefully they will have been crucified Now they can experience the full power of the resurrection Are you with me so far Now apply all the above to being saved and born again and growing in grace Galatians 2 20 I am crucified with Christ nevertheless I live yet not I but Christ liveth in me and the life which I now live in the flesh I live by the faith of Son of God who loved me and gave Himself for me     **Do You See This Woman?** Laynie Travis,2019-08-02 Discover what it means to be SEEN by Jesus Women today can often feel invisible unknown unneeded or burdened by shame and guilt We all share a deep desire to be seen needed loved and set free In Do You See This Woman author Laynie Travis takes an up close and personal look at six women in the Bible who were radically transformed by a face to face encounter with Christ Jesus not only saw these women but also gave them a voice valued them and loved them He challenged cultural expectations and saw them for who they were not for their sin If you feel alone undervalued or invisible this six week study will reassure you that Jesus sees you and has a purpose for your life Through exploring the fascinating accounts of these six women you'll learn that the interactions Jesus shared with them illustrate how He wants to interact with you as a woman today Jesus sees you He knows you He values you Come discover what it means to be loved by the God who sees Sessions Include Introduction The Woman Jesus Saw The Woman Jesus Rescued The Woman

**Seekers after rest; or, The children of Israel from the Exodus to Solomon** Harriet Maria Barclay, 1876

Seekers in the Hands of an Elusive God Jeffery M. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God's presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10:1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God's will that we search for God grope for him and find him Acts 17:27-28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought

*Seekers in the Hands of an Elusive God* explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God

*The Journey, eBook* Willow Creek Association, 2012-09-04 You will seek me and find me when you seek me with all your heart Jeremiah 29:13 *The Journey* is uniquely designed to help you discover the practical aspects of Christianity and better understand God Patterned after the Willow Creek model of ministry and intended for those in the investigative stage of their spiritual journey *The Journey's* seeker sensitive approach addresses key questions you may have about the Bible and its relevance today Notes and insights are woven throughout the complete NIV Bible text drawing you into the message and pointing the way to a relationship with Jesus Icons trace six seeker themes throughout Scripture

McLemore, 2024-11-14 What is the difference between belief and faith Are science and religion incompatible How much do we know about Jesus Why does God keep us so much in the dark How much can we trust the Bible especially when the New Testament is two thousand years old and the Old Testament even older Has Christianity helped or hindered civilization What about violence in the name of Christ Why does God allow suffering and tragedy Does religious faith even make sense Christianity for Seekers and Skeptics is for those in search of passionate faith that also holds up under careful scrutiny It is also for Christians who want better to understand the foundations of their faith and how to respond when others challenge it The author is an award winning psychologist who has taught at the college and university levels He has also taught in a doctoral clinical training program at a seminary This wide ranging volume reflects decades of multi disciplinary study It is a
