Looking For My Wings:

Looking For Enid Duncan McLaren, 2012-09-06 This is a strikingly inventive and unusual portrait of the most successful English writer for children until J K Rowling Enid Blyton who entertained millions worldwide with her myriad adventure stories and mysteries but was herself both an adventure and a mystery This book is for everyone who ever wondered what kind of woman Enid Blyton was Enid Blyton gave us the Famous Five and Fatty's Find Outsiders the Enchanted Wood and the Wishing Chair Some of us encouraged by austere critics have pretended no longer to want what Enid gave We have pretended that we were not once upon a time enthralled by her stories We have chosen to forget how much we loved the time we spent in their company And we have feigned disdain Now Duncan McLaren offers lapsed devotees the possibility of honest redemption If you're willing to acknowledge that Enid Blyton once mattered to you you are warmly invited to accompany Duncan on an adventure that will investigate what made Enid Enid and endeavour to reach the source of her torrent of stories those that came when she was letting her mind go free **Sanctuary** V. L. Ikerd, 2021-10-15 In the far future humanity has spread to nearly eight hundred planets All these planets need some very extensive terraforming to be inhabited Along the way they meet with another sentient race who after some struggles joins the human race in exploring the galaxy Now a group of explorers has discovered a planet so much like Earth that it is statistically impossible Some of the plants and animals are exact DNA matches to Earth's flora and fauna Other flora and fauna although very alien in appearance are also compatible to human life When the explorers discover the reason it rocks their beliefs to the core and changes their civilization forever This is a sci-fi fantasy story designed to enthrall and delight children and adults alike and open their minds to the possibilities *The Dayspring*, 1881 *The Revelation: Search for the Apocrypha* Albert Armbrister, 2022-01-25 Revelation I Book Blurb Mutiny Dark forces everywhere he goes Watching his close friend betray him during the first war in Heaven How much can one angel take Uriel a casualty of the first angelic war now wakes up to meet His Majesty for a mission he does not understand The search for the Apocrypha With no knowledge of the world he is about to enter Uriel takes on the mission As he begins to understand the true nature of his mission another revelation is revealed The N E P H I Project What secrets does this project hold And how is it connected to his search *VampWitch* T. White, 2013-03-11 Misha Hart is a beautiful private investigator who just happens to be a psychic among other things She's very involved in her work When she and her friends take a trip to Jamaica people come up missing around her and she helps with the investigation On her way back home she begins having premonitions Little does she know where those premonitions are going to lead Detective Dant Blackburn was sent on a mission specifically for Misha He has no idea what to expect when he sees her but he finds himself falling in love with her When Misha gets far enough in a case he puts her on he realizes the danger he has put her in Someone from his past comes back to haunt him How will he explain this to Misha and will this person destroy him Qanemcit Amlertut/Many Stories to Tell Ann Fienup-Riordan, Alice Rearden, 2017-11-15 This bilingual

collection shares new translations of old stories recorded over the last four decades through interviews with Yup'ik elders from throughout southwest Alaska. Some are true qulirat traditional tales while others are recent. Some are well known like the adventures of the wily Raven while others are rarely told. All are part of a great narrative tradition shared and treasured by Yup'ik people into the present day. This is the first region wide collection of traditional Yup'ik tales and stories from Southwest Alaska. The elders and translators who contributed to this collection embrace the great irony of oral traditions that the best way to keep these stories is to give them away. By retelling these stories they hope to create a future in which the Yup'ik view of the world will be both recognized and valued.
