Loonie For Luck:

A Loonie for Luck Roy MacGregor, 2002 In February 2002 the greatest hockey teams this country could muster headed to Salt Lake City to compete in the Winter Olympics Our men and women hoped to go all the way to the finals but it had been fifty long years since the Canadians had won Olympic gold In the past they had come close it was just that luck always seemed to be against them This time however their chances to end the long drought were good The women looked set for a medal although the all powerful American team stood between them and the ultimate prize The Canadian men faced strong opponents too but prospects were good for the all star team assembled by the great Wayne Gretzky And this time both teams had a secret weapon So secret in fact they didn't even know it existed At first Like all good secrets this one was too good not to pass along Under the surface at centre ice Trent Evans had hidden a Canadian loonie The expert ice maker had been invited down from Edmonton to help install the ice for the Games and this was his little good luck charm for our Olympic hockey teams Perhaps he figured the guys could use some home ice advantage A Loonie for Luck is the true story of that loonie and the magic it wove at Salt Lake City It follows Wayne Gretzky Trent Evans and the men's and women's teams through their time at the Games And it pays tribute to the role of superstition and chance in hockey a part of the sport not always acknowledged but one that brings real magic to the game With the close co operation of Wayne Gretzky and Trent Evans Roy MacGregor tells the inside story of how the coin came to be in Trent Evans pocket and then buried under centre ice He tells how throughout the Games the loonie was in danger of being uncovered as the secret began to spread and how as the tournament progressed with the players in need of every break they could get the good luck miraculously held This true story brilliantly illustrated by Bill Slavin is full of suspense humour and charm It will delight every Canadian who felt a surge of pride for our athletes at Salt Lake City From the Hardcover edition Luck Barrie Dolnick, Anthony H. Davidson, 2007-11-06 Have you ever noticed that you talk about luck every day of your life Luck is your silent companion sometimes bringing awesome parking spaces a chance meeting with a new love interest or a small windfall Most of the time you probably don't even pay attention to luck Chances are you only really think about luck when you buy a lottery ticket or participate in a contest Luck is so much more than that If you take steps to live longer by eating right and exercising why wouldn't you also take similar steps to improve your good fortune Barrie Dolnick and Anthony Davidson asked themselves this very question and set out to study luck and decipher how it works In this insightful and engaging book they share the secrets they've uncovered so you can use luck more effectively in your day to day life Where does luck originate Does one need to be born lucky in order to be lucky Answering these and many other pressing questions Dolnick and Davidson investigate both ancient and scientific approaches to luck From early man to famous rationalists luck has been prayed for played with and courted You'll learn how ancient practices such as the I Ching astrology tarot and numerology have been used to understand luck and how great mathematicians studied luck some guided by their own interest in gambling Every

it an insider's view of life in the totemic Canadian wilderness **Paper Trails** Roy MacGregor, 2023-08-01 One of Canada's greatest journalists shares a half century of the stories behind the stories From his vantage point harnessed to a tree overlooking the town of Huntsville he tended to wander a very young Roy MacGregor got in the habit of watching people what they did who they talked to where they went He has been getting to know his fellow Canadians and telling us all about them ever since From his early days in the pages of Maclean's to stints at the Toronto Star Ottawa Citizen National Post and most famously from his perch on page two of the Globe and Mail MacGregor was one of the country's must read journalists While news media were leaning increasingly right or left he always leaned north his curiosity trained by the deep woods and cold lakes of Algonquin Park to share stories from Canada's farthest reaches even as he worked in the newsrooms of its southern capitols From Parliament to the backyard rink subarctic shores to prairie expanses MacGregor shaped the way Canadians saw and thought about themselves never entirely untethered from the land and its history When MacGregor was still a young editor at Maclean's the 21 year old chief of the Waskaganish aka Rupert's House Crees Billy Diamond found in Roy a willing listener as the chief was appealing desperately to newsrooms across Ottawa trying to bring attention to the tainted water emergency in his community Where other journalists had shrugged off Diamond's appeals MacGregor got on a tiny plane into northern Quebec From there began a long friendship that would one day lead MacGregor to a Winnipeg secret location with Elijah Harper and his advisors a host of the most influential Indigenous leaders in Canada as the Manitoba MPP contemplated the Charlottetown Accord and a vote that could shatter what seemed at the time the country's last chance to save Confederation This was the sort of exclusive access to vital Canadian stories that Roy MacGregor always seemed to secure And as his ardent fans will discover the observant small town boy turned pre eminent journalist put his rare vantage point to exceptional use Filled with reminiscences of an age when Canadian newsrooms were populated by outsized characters outright rogues and passionate practitioners the unputdownable Paper Trails is a must read account of a life lived in stories H is for Hockey: A NHL Alumni Alphabet Kevin Shea, 2015-08-01 AV2 Fiction Readalong by Weigl brings you timeless tales of mystery suspense adventure and the lessons learned while growing up These celebrated children's stories are sure to entertain and educate while captivating even the most reluctant readers Log on to www.av2books.com and enter the unique book code found on page 2 of this book to unlock an extra dimension to these beloved tales Hear the story come to life as you read along in your own book Chicken Soup for the Canadian Soul Jack Canfield, Mark Victor Hansen, Janet Matthews, Raymond Aaron, 2012-09-18 Written by fellow Canadians from Cape Breton Island to Prince Edward Island from Montreal to Vancouver this book reveals the people the history and the special moments that give Canada such a distinctive charm and character **Wayne Gretzky's Ghost** Roy MacGregor, 2012-11-06 Roy MacGregor has been called the best hockey writer in the country and we finally have a collection of his very best hockey writing revised and updated For nearly 40 years Roy MacGregor has brought hockey our national sport alive on the page From tales of the game's greats Guy

Lafleur Jean Beliveau Marcel Dionne to today's stars Sidney Crosby Alex Ovechkin Daniel and Henrik Sedin his magazine and newspaper coverage has revealed so much about these and so many other personalities in moments of promise victory and defeat While many of these stories play out on the ice some of the most compelling take place on the home front Mario Lemieux's battle against cancer the many tribulations of Bob Gainey and MacGregor's prose shines especially when focused on the human side of a sport defined by superhuman feats of speed aggression and power Wayne Gretzky's Ghost is a personal book and also a book of challenging ideas that Wayne Gretzky through no fault of his own was the worst thing to happen to hockey that CBC's Hockey Night in Canada has lost sight of what it is that goaltending has become a position out of all proportion to what was intended And who could offer a better perspective on the game than a writer who playing as a youngster had to face an onrushing phenom from Parry Sound named Bobby Orr or who spent a year ghostwriting a national newspaper column for the Great One himself When it comes to hockey Roy MacGregor has seen and in some cases done it all

Original Highways Roy MacGregor, 2018-05-08 Expanding on his landmark Globe and Mail series in which he documented his travels down sixteen of Canada's great rivers Roy MacGregor tells the story of our country through the stories of its original highways and how they sustain our spirit

identity and economy past present and future No country is more blessed with fresh water than Canada From the mouth of the Fraser River in BC to the Bow in Alberta the Red in Manitoba the Gatineau the Saint John and the most historic of all Canada's rivers the St Lawrence our beloved chronicler of Canadian life Roy MacGregor has paddled sailed and traversed their lengths learned their stories and secrets and the tales of centuries lived on their rapids and riverbanks He raises lost tales like that of the Great Tax Revolt of the Gatineau River and reconsiders histories like that of the Irish would be settlers who died on Grosse Ile and the incredible resilience of settlers in the Red River Valley Along the Grand the Ottawa and others he meets the successful conservationists behind the resuscitation of polluted wetlands including Toronto's Don the most abused river in Canada In the Mackenzie River Valley he witnesses the Dehcho First Nation's effort to block a pipeline they worry endangers the region's lifeblood Long before our national railroad was built rivers held Canada together in these sixteen portraits filled with yesterday's adventures and tomorrow's promise MacGregor weaves together a story of Canada and its ongoing relationship with its most precious resource

Hockey Superstitions Andrew Podnieks,2010-11-02 One of North America's best known hockey writers examines the strangest rituals and superstitions within the NHL Why did Wayne Gretzky start every pre game warm up by shooting wide to the right of the net a rather funny habit given that he scored more goals than anyone in the game's history Why do many hockey players seem to believe performance is tied directly to facial hair Why does Geoff Sanderson use a different length stick for every period And why did Petr Klima break his stick after every goal he scored Hockey Superstitions by one of Canada's best known hockey writers Andrew Podnieks explores the fascinating and fun world of hockey superstitions their origins their quirks and the mythology around them Along the way it gives us an original look into the minds of the players and coaches behind them

Out-of-the-Blue Adventure of Kitto Bottlenose Lana M. Rochel,2024-03-16 It's a fantastical adventure story for children Kitto is a curious but a little bit of a naughty dolphin calf from Cornwall England UK A dolphin pod rides waves in the Atlantic when the hurricane strikes the coast All the dolphins plunge into the deep waters to hide from the disaster Will the playful child follow Mummy Bottlenose Facing the excitement and dangers of his out of the blue adventure Kitto makes new friends in Lake Ontario Yet every child needs to come back home How Will he remember Mum's words Will both be brave and strong enough to meet the challenges This book entertains and teaches children the rules of survival On the one hand it encourages them to explore the world's diversity On the other hand it's such an excellent mother and child story about home sweet home Not only does the authenticity of the characters and places attract but also the mysticism of King Arthur's land is fascinating The children's book consists of 10 short chapters for readers convenience It includes 27 beautiful photos and illustrations of marine wildlife birds real places and space Several hyperlinks allow you to learn more about the places and characters described in the story Best suitable for children aged 6 to 10 or anyone with an inquisitive mind Parents might enjoy reading the book in chapters to their kids too

Canoe Country Roy MacGregor,2016-05-10 One of our favourite chroniclers of all things Canadian

presents a rollicking personal photo filled history of the relationship between a country and its canoes From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author s family roots deep in the Algonquin wilderness to modern families who have canoed across the country kids and dogs included Canoe Country is Roy MacGregor s celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it Drawing on MacGregor s own decades spent whenever possible with a paddle in his hand this is a story of high adventure on white water and the sweetest peace in nature s quietest corners from the author best able and most eager to tell it The Dyodyne Experiment James Doulgeris,V. Michael Santoro,2009 A research team at Dyodyne Labs has developed a remarkable new technology a microscopic computer system with the ability to secretly track people with pinpoint accuracy The system code named DaNA is transmitted as a benign virus that passes the tracking system to all who come in contact with its host The government sees the system as the perfect way to track down a criminal s accomplices making it invaluable in bringing down the drug cartel But when the biggest terrorist attack in U S history devastates New York City the Department of Homeland Security orders the team to launch the untested system to find those responsible What they uncover is unthinkable six nuclear bombs hidden in six major cities And the bombs controlled by a powerful underground alliance are part of a much larger global conspiracy As the team at Dyodyne rushes to track down the terrorists holding the country hostage they discover yet another threat DaNA is mutating and may be impossible to control

Loonie For Luck Introduction

In today's digital age, the availability of Loonie For Luck books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Loonie For Luck books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Loonie For Luck books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Loonie For Luck versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Loonie For Luck books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Loonie For Luck books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Loonie For Luck books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Loonie For Luck books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Loonie For Luck books and manuals for download and embark on your journey of knowledge?
