

The background of the book cover features a low-angle, upward-looking perspective of two massive, fluted classical columns. The columns are illuminated from below, creating a warm, golden glow that contrasts with the dark, shadowed upper portions of the structure. The architectural details, including the capitals and the arching entablature, are visible. In the lower-left foreground, a small, ornate, glowing object, possibly a decorative element or a small shrine, is partially visible. Overlaid on the right side of the cover is a rectangular label with a decorative border. The label has a dark background and contains the title and author's name in various fonts and colors.

Lord And The General Din Of The World:

The Lord and the General Din of the World Jane Mead, 1996 Selected by Philip Levine as the winner of the 1995 Kathryn A Morton Prize in Poetry *Last Call* Sarah Gorham, Jeffrey Skinner, 1997 Groundbreaking anthology of poetry on substance abuse and recovery *To the Wren* Jane Mead, 2019-10-21 Mead wrote clean spare often elegiac lines The New York Times This massive collection houses Mead's life's work seven books spanning twenty seven years Follow chronologically through decades and become captivated by heartfelt musings on loss madness danger grief isolation and self identity Her poems explore spaces we often try to ignore and finds a comfortable middleground Mead candidly and openly weaves together pain and joy until it meshes into glimpses of humanity House of Poured-out Waters Jane Mead, 2001 In *House of Poured Out Waters* Jane Mead's substantial new collection she continues to grapple with a world both personal and cultural Poised in the slender moment between too early and too late between the difficult past and the unimaginable future Mead's poems remind us that the old debates about fate and free will nature and nurture are also matters of personal urgency More than anything it is her spiritual dimension that offers Mead a way into the future but that way must be paved image by image with the world before her Simultaneously conversational and lyrical these fearless poems extend the possibilities of narrative verse
