From Religion To Relationship Ernest N. Roberson,2021-04-21 I wrote this book to share my spiritual journey and the things I believe God has shared with me It has truly freed me and I pray that the things I have shared will help free you as well I must give my wife credit for helping to inspire me to write this book My wife woke me up one morning very wide eyed and excited She said Baby God just gave me the title of your book but you have to write the book This was not the first time my wife as well as a few of my friends with whom I have shared my views had encouraged me to write a book but I laughed it off saying to myself I m not writing a book my spelling is horrible and my punctuation is even worse But thank God for the technology of computers because it helped me with my shortcomings and I finally felt a release that this was my time and season and it allowed me to set my shortcomings aside and share what God has given me to a broader audience Just like nature when we are in tune with God we come into spiritual awareness and insight of our times and seasons I am just an average guy who has allowed Christ to touch my life and change my perspectives concerning how to walk with God and with all my heart I believe this is the time and season for kingdom worship I have experienced worship under religion and I am learning the freedom of kingdom fruit worship which has truly satisfied my spiritual thirst I believe it will satisfy your thirst as well It is truly a well of life with a never ending supply You just have to get onboard and you will see Christ standing at the gates of our Father s kingdom with His arms opened wide saying COME TASTE AND SEE THAT THE LORD IS GOOD Psalms 34 8 *God's Internationalists* David P. King,2019-04-11 Over the past seventy years World Vision has grown from a small missionary agency to the largest Christian humanitarian organization in the world with 40 000 employees offices in nearly one hundred countries and an annual budget of over 2 billion While founder Bob Pierce was an evangelist with street smarts the most recent World Vision U S presidents move with ease between megachurches the boardrooms of Fortune 500 companies and the corridors of Capitol Hill Though the organization has remained decidedly Christian it has earned the reputation as an elite international nongovernmental organization managed efficiently by professional experts fluent in the language of both marketing and development God s Internationalists is the first comprehensive study of World Vision or any such religious humanitarian agency In chronicling the organization s transformation from 1950 to the present David P King approaches World Vision as a lens through which to explore shifts within post World War II American evangelicalism as well as the complexities of faith based humanitarianism Chronicling the evolution of World Vision s practices theology rhetoric and organizational structure King demonstrates how the organization rearticulated and retained its Christian identity even as it expanded beyond a narrow American evangelical subculture King s pairing of American evangelicals interactions abroad

with their own evolving identity at home reframes the traditional narrative of modern American evangelicalism while also providing the historical context for the current explosion of evangelical interest in global social engagement By examining these patterns of change God s Internationalists offers a distinctive angle on the history of religious humanitarianism

Christmas Worship and the Birth of Our Savior Dr. Bur Shilling, 2023-07-26 Christmas is perhaps the most treasured Christian holiday and at the same time one of the least understood Research suggests that large numbers of Americans are confused about the central reason for the holiday Even evangelical believers cannot agree that the birth of Jesus is the most important factor of this national observance Modern American culture has challenged the religious importance of Christmas The media and retail stores have helped suppress the religious emphasis by asserting Happy Holidays rather than Merry Christmas So the question is What is the truth about Christmas Is it found in the season s holiday music Is the meaning in decorated trees and lighted city streets Does commercialized gift giving explain the purpose of the holiday Perhaps it resides in Santa Claus and his magic flying reindeer So where do we find the value in a holiday titled Christmas The truth is found in the pages of the New Testament Angels shepherds magi a Jewish king and the Roman Empire all play a part in the validity of the holiday How was Christmas planned in heaven What does Scripture say about the incarnation How did the shepherds find the Christ child in the darkness of a city without streetlights How many magi arrived in Jerusalem to seek the new king Where did they travel from Why did they make the journey What binds all these issues together around the birth of a baby in a small insignificant village This volume presents the truth about an event the entire world uses to date its calendar

The Palestine Weekly, 1927 [God Forgive Us for Being Women](#) Joy E. A. Qualls, 2018-05-30 The role of women in church leadership is controversial however the Pentecostal tradition and specifically the Assemblies of God has held that women can serve at all levels of church leadership There is no role that is off limits to women Citing their distinctive approach to theology Pentecostals embrace women's leadership in policy but in practice women are often frustrated by the lack of opportunity and representation in leadership roles By exploring the rhetorical history how Pentecostals talk about the role of women the purpose of this book is to expose those rhetorical constraints that create dissonance and discontentment This book explores how Pentecostals use and are used by language that shapes this dissonance and how that impacts the lived reality of both men and women in the Pentecostal tradition **Teaching Religion and Film** Gregory J

Watkins, 2008-08-22 In a culture increasingly focused on visual media students have learned not only to embrace multimedia presentations in the classroom but to expect them Such expectations are perhaps more prevalent in a field as dynamic and cross disciplinary as religious studies but the practice nevertheless poses some difficult educational issues the use of movies in academic coursework has far outpaced the scholarship on teaching religion and film What does it mean to utilize film in religious studies and what are the best ways to do it In *Teaching Religion and Film* an interdisciplinary team of scholars thinks about the theoretical and pedagogical concerns involved with the intersection of film and religion in the classroom They examine the use of film to teach specific religious traditions religious theories and perspectives on fundamental human values Some instructors already teach some version of a film and religion course and many have integrated film as an ancillary to achieving central course goals This collection of essays helps them understand the field better and draws the sharp distinction between merely watching movies in the classroom and comprehending film in an informed and critical way

[The Divine Commodity](#) Skye Jethani, 2009-05-26 The challenge facing Christianity today is not a lack of motivation or resources but a failure of imagination A growing number of people are disturbed by the values exhibited by the contemporary church Worship has become entertainment the church has become a shopping mall and God has become a consumable product Many sense that something is wrong but they cannot imagine an alternative way *The Divine Commodity* finally articulates what so many have been feeling and offers hope for the future of a post consumer Christianity Through Scripture history engaging narrative and the inspiring art of Vincent van Gogh *The Divine Commodity* explores spiritual practices that liberate our imaginations to live as Christ's people in a consumer culture opposed to the values of his kingdom Each chapter shows how our formation as consumers has distorted an element of our faith For example the way churches have become corporations and how branding makes us more focused on image than reality It then energizes an alternative vision for those

seeking a more meaningful faith Before we can hope to live differently we must have our minds released from consumerism's grip and captivated once again by Christ

Film, Lacan and the Subject of Religion Steve Nolan, 2011-10-20 In their study of religion and film religious film analysts have tended to privilege religion Uniquely this study treats the two disciplines as genuine equals by regarding both liturgy and film as representational media Steve Nolan argues that in each case subjects identify with a represented other which joins them into a narrative where they become participants in an ideological reality Finding many current approaches to religious film analysis lacking *Film Lacan and the Subject of Religion* explores the film theory other writers ignore particularly that mix of psychoanalysis Marxism and semiotics often termed Screen theory that attempts to understand how cinematic representation shapes spectator identity Using translations and commentary on Lacan not originally available to Screen theorists Nolan returns to Lacan's contribution to psychoanalytic film theory and offers a sustained application to religious practice examining several priest films and real life case study to expose the way liturgical representation shapes religious identity *Film Lacan and the Subject of Religion* proposes an interpretive strategy by which religious film analysts can develop the kind of analysis that engages with and critiques both cultural and religious practice
