Cincinnati, the Queen City, 1788-1912 Charles Frederic Goss,1912 *Edith Wharton, Willa Cather, and the Place of Culture* Julie Olin-Ammentorp,2019-10-01 Edith Wharton and Willa Cather wrote many of the most enduring American novels from the first half of the twentieth century including Wharton s *The House of Mirth* *Ethan Frome* and *The Age of Innocence* and Cather s *O Pioneers* *My Antonia* and *Death Comes for the Archbishop* Yet despite their perennial popularity and their status as major American novelists Wharton 1862 1937 and Cather 1873 1947 have rarely been studied together Indeed critics and scholars seem to have conspired to keep them at a distance Wharton is seen as our literary aristocrat an author who chronicles the lives of the East Coast Europe bound elite while Cather is considered a prairie populist who describes the lives of rugged western pioneers These depictions though partially valid nonetheless rely on oversimplifications and neglect the striking and important ways the works of these two authors intersect The first comparative study of Edith Wharton and Willa Cather in thirty years this book combines biographical historical and literary analyses with a focus on place and aesthetics to reveal Wharton s and Cather s parallel experiences of dislocation their relationship to each other as writers and the profound similarities in their theories of fiction Julie Olin Ammentorp provides a new assessment of the affinities between Wharton and Cather by exploring the importance of literary and geographic place in their lives and works including the role of New York City the American West France and travel In doing so she reveals the two authors shared concern about the culture of place and the place of culture in the United States *Ethel Merman, Mother Teresa...and Me* Tony

describes in detail his intimate family relationships with both women as well as his years of work and friendship with Mother Teresa his last other mother Tony s memoir voices his opinion that he had no special gifts or talents to bring to Mother Teresa s work and that if he could do it then anyone could do it In the end all that really matters is a willingness to share even a small part of oneself with others

The Irish Jurist ,1861 **Exceptional States** Sara L. Friedman,2015-09-15

Exceptional States examines new configurations of marriage immigration and sovereignty emerging in an increasingly mobile Asia where Cold War legacies continue to shape contemporary political struggles over sovereignty and citizenship Focused on marital immigration from China to Taiwan the book documents the struggles of these women and men as they seek acceptance and recognition in their new home Through tracing parallels between the predicaments of Chinese marital immigrants and the uncertain future of the Taiwan nation state the book shows how intimate attachments and emotional investments infuse the governmental practices of Taiwanese bureaucrats charged with regulating immigration and producing citizenship and sovereignty Its attention to a group of immigrants whose exceptional status has become necessary to Taiwan s national integrity exposes the social political and subjective consequences of life on the margins of citizenship and sovereignty
