Michael Saunders, 2011-12 How is your marriage Is it everything you hoped it would be Is it the happy successful fulfilling relationship that God promises it will be in His Holy Scriptures If we are honest no matter how good our marriages are we have to admit that marriage did not live up to our expectations The good news truth though is that our marriages can be everything that God promises and that truth is based on these very promises of God There are things we need to know understand and act on in order for God's promises to come true in our lives and that is what this book is about helping you to know how to take your marriage and make it all that God promises your marriage can be in His Word **LIFE**, 1961-09-08 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use Marriage 4 CHRISTIANS Kingsley A. Schuurman Protestantism Mark Unno Buddhism **The Case for Marriage** Linda Waite, Maggie Gallagher, 2001-10-09 A groundbreaking look at marriage one of the most basic and universal of all human institutions which reveals the emotional physical economic and sexual benefits that marriage brings to individuals and society as a whole The Case for Marriage is a critically important intervention in the national debate about the future of family Based on the authoritative research of family sociologist Linda J. Waite journalist Maggie Gallagher and a number of other scholars this book's findings dramatically contradict the anti marriage myths that have become the common sense of most Americans Today a broad consensus holds that marriage is a bad deal for women that divorce is better for

children when parents are unhappy and that marriage is essentially a private choice not a public institution Waite and Gallagher flatly contradict these assumptions arguing instead that by a broad range of indices marriage is actually better for you than being single or divorced physically materially and spiritually They contend that married people live longer have better health earn more money accumulate more wealth feel more fulfillment in their lives enjoy more satisfying sexual relationships and have happier and more successful children than those who remain single cohabit or get divorced The Case for Marriage combines clearheaded analysis penetrating cultural criticism and practical advice for strengthening the institution of marriage and provides clear essential guidelines for reestablishing marriage as the foundation for a healthy and happy society A compelling defense of a sacred union The Case for Marriage is well written and well argued empirically rigorous and learned practical and commonsensical William J Bennett author of The Book of Virtues Makes the absolutely critical point that marriage has been misrepresented and misunderstood The Wall Street Journal [www.broadwaybooks.com](http://www.broadwaybooks.com)

The Headship of Men and the Abuse of Women Kevin Giles,2020-06-17 In recent years the issue of domestic abuse and violence has gained a lot of attention as the extent of it has become known Domestic abuse and violence is now of high concern to most churches because it is evident that domestic abuse figures are much the same in our churches and possibly higher in evangelical churches where the headship of men and the submission of women is made the God given ideal In this book Kevin Giles surveys competently the scientific information on this matter now available and notes that the consensus is that the most sure indicator of higher incidences of abuse are found in communities where men are privileged and expected to be in charge and women are subordinated This he argues should make complementarians consider afresh if in fact the subordination of women is the God given ideal established in creation before the fall *How Changing World Demographics Affects Your Investments and Careers* Rainier George Weiner,2014-07-28 Using the principles in this book the individual investor the small business man corporate executives and those developing careers have a unique opportunity to prepare a
