Live and Love Forever After Marriage: 12 Marriage Vows to Live and Love By, Forever After Jerry and Shari Rhoads, 2021-01-21 What are the odds of living and loving 60 years after a first marriage like ours Experts calculate that only 1 in 600 000 marriages will last 60 years And 001 per 1 000 marriages will last 70 years Especially since the divorce rate for first time marriages exceeds 50% and 70% for all others Every 13 seconds there is a divorce in America That equates to 277 divorces per hour 6 646 divorces per day 46 523 divorces per week and 2 419 196 divorces per year To our knowledge none have lived and loved forever after their first marriage vows blessed with the fountain of youth we have However it is our goal to break the world's marriage record of 93 years or die happy trying Trying is another 30 years how in the world can you live that long look that good and feel good doing it Our answer is life and love are eternal and we have vowed to live and love our life forever after our marriage So can you We believe we have made our own reality due to our lifestyle and everyone we meet wants to know what's your secret for being married 60 years and how can we get what you've got With tongue in cheek we get a laugh when I say it's Sex Kids and Rock N Roll But in essence it's a give and take loyal partnership and we have defied the conventional aging wisdom which is retire at 55 60 or 65 and start the chronic dying process We however in our early seventies acquired three nursing homes then sold them in our late seventies and started a new career co writing this book about how our vows and habits formed a happy loving lifestyle and a long lasting relationship Then reforming them if needed to stay married and live together forever after
