

A romantic photograph of a couple embracing from behind, looking out at a sunset. The woman has long brown hair and is wearing a light-colored lace dress. The man is wearing a dark suit. The background is a warm, orange-hued sky with a bright sun setting on the horizon.

Marriage And Divorce What The Bible Says:

Marriage and Divorce James M. Efird, 2001-06-25 With the increase in the divorce rate today many people are more concerned than ever with what the Bible says about marriage and divorce Keeping technical discussions to a minimum James M Efird helps readers explore the biblical teachings on these two important social customs The book begins by examining ideas connected with marriage against the ancient world and its practices and presuppositions The investigation continues with a section focusing on the practice of and teachings about divorce again set against the backdrop of the society and culture of biblical times The last section of the book draws together some of the larger principles relating to marriage and divorce based on the biblical investigation

What the Bible Says about Marriage, Divorce and Remarriage Olan Hicks, 1978 *What the Bible Says about Marriage, Divorce and Remarriage* John Coblenz, 1992-01-01 *What the Bible Says about Divorce and Remarriage* Wayne Grudem, 2021-01-28 New from Bestselling Author Wayne Grudem The topic of divorce is a complicated one even among Christians The Bible provides some clear answers but gray areas remain In this short booklet theologian Wayne Grudem offers a thought provoking analysis of what the Bible says and doesn't say about divorce and remarriage

What the Bible Really Says about Marriage, Divorce, and Remarriage Ed Dobson, 1986-01-01 **What the Bible Really Says about Marriage, Divorce, and Remarriage** Bishop Lee Bowling, 2016-12-31 A covenant is defined as a formal solemn and binding agreement It is entered into by mutual agreement of two parties Biblical Principles and a look in the word of God and what the Lord really says about Divorce and Remarriage by Bishop Lee Bowling is sure to open up a better and more clearer understanding of this subject Divorce and remarriage is a monstrous evil and there is a pressing need for some clear teaching on the subject We must be loyal to the

Scriptures and not be carried away by the opinions of men It is a sin to remarry if you were the one who filed for divorce Sadly most people don't care what God thinks anymore God will judge those who divorce God hates divorce which is a sin rooted in selfishness and self righteousness Divorce is a horrible sin and remarriage even worse You made a promise on your wedding day to remain with your spouse until death If you break that vow then you are a liar and a scoundrel It matters not what apostate ministers may say God will be your only Judge Romans 14:12 There are innumerable rotten pastors today who permit abortion homosexuality and divorce God hates these sins as He does all sin and will Judge accordingly Divorce and remarriage is certainly not a new subject It is as old as the Scriptures themselves Divorce was a problem in Noah's day Moses had to contend with it the question was brought to Jesus nearly two thousand years ago They said Is it lawful for a man to put away his wife John the Baptist lost his head because of divorce and remarriage He had told King Herod that the woman he married was not really his wife but that she was still the wife of Philip her first husband And this enraged the woman and she took revenge Every year thousands of American homes are broken by separation and divorce In 1887 there was hardly a divorce in the entire United States In 1913 there were only sixty divorced couples in the entire country of Canada But divorce has rapidly increased until today in our country approximately one marriage out of every three ends in divorce While it is best not to separate if a couple does separate they are not free to remarry God does not approve divorce There are a number of Scriptural commands and principles which a divorce always violates This book was written to look into what the BIBLE says on the matter *Marriage, Divorce, and Remarriage in the Bible* Jay E. Adams, 1986 Many pastors counselors and theologians consider this book the most helpful on the issue of marriage and divorce [The 1249 Club](#) Russ Brown, 2018-02-02 Russ has personally experienced the destructive cycle of marriage divorce and remarriage in his and his family's lives multiple times Unfortunately in the Western world today the common statistics of marriage failures are one out of two first marriages fail two out of three second marriages fail and four out of five third and on marriages fail Russ has now written The 1249 Club for 1 those who are married and want to be married 2 those who are married and do not want to be married and 3 those who are not married and want to be married The 1249 Club aims to scripturally help many to 1 avoid marriage for the wrong reasons 2 strengthen existing marriages 3 save troubled marriages 4 spark forgiveness and reconciliation between separated or divorced couples 5 save families where possible and 6 lower the divorce rate to 1 out of 1,250 Another way of saying it is The 1249 Club teaches married couples divorced couples and singles the subtle causes devastating consequences and achievable cures of breaking the marriage covenant The cause of divorce is selfish sinful and unloving behavior and the cure of divorce is selfless sinless and loving behavior When divorce occurs the hurtful consequences are life altering and unending for generations The consequences can be avoided when divorce never occurs but results in confession repentance forgiveness and reconciliation The 1249 Club teaches these biblical principles and how to apply them They are simple but make no mistake not easy yet with God all things are possible Get the book and 1 listen to

the teachings 2 hear the teachings in your spirit 3 understand the teachings and 4 apply the teachings to your lives That and God will make a difference in your marriage journey

Disqualified? Dave Miller,2021-04-22 I want to stick with what the Bible says No compromise The church has operated on the assumption that all divorce is always sin and disqualifies every man as serving as a pastor elder or deacon Variations from that position have been viewed as compromise of the Word of God After studying every passage in the Bible that deals with divorce and remarriage Dave Miller has come to a different position In *Disqualified* he examines the Old Testament evidence that sets the cornerstone and lays the foundation of the biblical teaching then looks at the framework constructed in Jesus radical teachings He examines the finishing touches put on by Paul especially in 1 Corinthians 7 establishing the key biblical teachings on divorce remarriage and ministry God s intent from creation was that marriage be a lifelong covenant between one man and one woman but in a world broken by sin also granted exceptions based on the hardness of the human heart After surveying the biblical evidence Dave Miller asks several key questions for individuals and churches to consider Have those who been divorced been permanently disqualified from leadership positions in churches What does the phrase husband of one wife mean The church cannot ignore this subject and must search the Scriptures to seek the mind of Christ on it Simply relying on tradition or doing what pleases people is not sufficient God s word is always right and Dave Miller is convinced that we need to take a new look at this difficult topic

their interpretation of the Bible instead of letting the Bible determine their evaluation of our culture Men that teach divorces are invalid if they re made for invalid reasons teach exactly the opposite of what the Bible teaches The Bible says She may go and be another man s wife Deut 24 1 2 but they say she can t go and be another man s wife The Bible says to avoid fornication let every man have his own wife and let every woman have her own husband but they say most divorced people can t ever have a husband or wife The Bible says If they can t contain let them marry but they say don t let them marry The Bible says marriage is honorable and the bed undefiled Heb 13 4 but they say marriage is not honorable and undefiled for most people who remarry The invalid divorce teachers cause the same kind of harm as those that depart from the faith forbidding to marry 1 Tim 4 3 because they forbid the use of God s provision for avoiding fornication
