K. Olukoya,2015-03-13 Why should anyone think of fighting battles in the area of marriage Is there anything spiritual about marriage Is marriage not a mere union between a man and a woman Good questions Marriage is more than a union There is more that meets the eye when a man who comes from his own background decides to be joined in wedlock with a lady who comes from another background Beloved your marriage rises or falls on your ancestry Unknown to many people the extent they will go in the area of marriage has been predetermined by their ancestors And no matter what you have achieved today there was a day when you came to this world as a helpless infant Though your navel which today has been separated from your umbilical cord may be seen as an ordinary part of the body It should actually remind you that it was formerly the rope

that tied you to your parents and by extension your ancestors who lived hundreds of years ago This is a deep spiritual understanding you must not ignore Just as there is no human being without a navel there is no man or a woman who was not formerly linked to his or her parents through the umbilical cord     The Courtship Novel, 1740-1820 Katherine Sobba Green,2021-10-21 The period from her first London assembly to her wedding day was the narrow span of autonomy for a middle class Englishwoman in the eighteenth and early nineteenth centuries For many women as Katherine Sobba Green shows the new ideal of companionate marriage involved such thoroughgoing revisions in self perception that a new literary form was needed to represent their altered roles That the choice among suitors ideally depended on love and should not be decided on any other grounds was a principal theme among a group of heroine centered novels published between 1740 and 1820 During these decades some two dozen writers most of them women published such courtship novels Specifically aiming them at young women readers these novelists took as their common purpose the disruption of established ideas about how dutiful daughters and prudent young women should comport themselves during courtship Reading a wide range of primary texts Green argues that the courtship novel was a feminized genre written about by and for women She challenges contemporary readers to appreciate the subtleties of early feminism in novels by Eliza Haywood Mary Collyer Charlotte Lennox Samuel Richardson Frances Brooke Fanny Burney Mary Wollstonecraft Jane West Mary Brunton Maria Edgeworth and Jane Austen to recognize that these courtship novelists held in common a desire to reimagine the subject positions through which women understood themselves     **Unexpectedly Yours** Toni Logan,2023-09-12 A private resort on a tropical island a feisty old chief and a kleptomaniac pet pig bring Suzanne and Allie together for unexpected love Heiress Suzanne Bennett was making the wrong kind of name for herself as her hard and fast lifestyle played out in the tabloids But one fateful night upends everything and she trades the glitz and glamour of LA for an unassuming life on her private Bahama Island She changes her name builds a small resort and hopes her new identity will keep the paparazzi and the lure of her old life at bay Allie Aukai was born on the other side of the tracks and never had many opportunities or luxuries When her father s dying wish sends her to the Bahamas to fulfill an unconventional request Allie s life takes a surprising turn The mystery Allie uncovers leads to misguided betrayal and reminds Suzanne and Allie of the unexpected power of love     *New Commentaries on Marriage, Divorce, and Separation as to the Law, Evidence, Pleading, Practice, Forms and the Evidence of Marriage in All Issues on a New System of Legal Exposition* Joel Prentiss Bishop,1891     **Dangerous Without You** Lexus Grey,2021-09-14 Aspen Wellington is whirling through life with the help of alcohol and one night stands until she meets Remington Stone a girl from the other side of the tracks Somehow Remington sees behind all Aspen s defenses leading her on an unexpected journey of self discovery Remington is a badass with a father in prison and a mother working two jobs Aspen a spoiled popular cheerleader isn t her type at all Remington doesn t want to like her but she can t seem to stop Denna Ashford and Raleigh Hunter are Aspen s best friends Denna is quick witted but has temper issues Raleigh is a genius with a
