Isle of Wight County Marriages, 1628-1800 Blanche Adams Chapman,1933 *Isle of Wight County, Virginia, Marriage Records, 1628-1800* Blanche Adams Chapman,1933 The marriages in this work are founded upon the records of the ancient shire of Isle of Wight and include marriages from the area of present day Southampton County erected from Isle of Wight in 1749 They derive chiefly from inferential sources in particular will books deed books and order books though marriage bonds ministers returns and Quaker records also figure significantly in the list of sources Since comparatively few marriage bonds or official marriage records of Isle of Wight County prior to the year 1800 survive the great importance of this compilation is at once apparent The marriages with the exception of those based on ministers returns are arranged alphabetically by the name of the groom following which is given the name of the bride the name of a parent or surety the date of the marriage or marriage record and the exact source citation Some 6 300 persons are identified everyone of whom including grooms is cited in the index **Isle of Wight County Virginia** Blanche Adams-Chapman,1994 An Index of the Source Records of Maryland Eleanor Phillips Passano,1967 The major part of this work is an alphabetically arranged and cross indexed list of some 20 000 Maryland families with references to the sources and locations of the records in which they appear In addition there is a research record guide arranged by county and type of record and it identifies all genealogical manuscripts books and articles known to exist up to 1940 when this book was first published Included are church and county courthouse records deeds marriages rent rolls wills land records tombstone inscriptions censuses directories and other data sources *Bible Records of Suffolk and Nansemond County, Virginia* Fillmore Norfleet,2009-06 Inasmuch as Nansemond County s official records were totally destroyed by fires in 1734 1779 and 1866 the work at hand originally published in 1963 and itself now

quite scarce represents a valiant effort to reconstruct something of Nansemond's genealogical heritage from the records of its surrounding counties. The core of the book consists of the contents of nearly 100 Bibles arranged alphabetically according to the surname of the book's owner and thereunder in progressions of marriages, births and deaths. In all more than 1,000 mostly 18th and 19th century inhabitants of Suffolk and Nansemond are here rescued from obscurity and further made accessible in the index to Bible records at the back. Also includes transcriptions of marriage records and several other miscellaneous lists.

Adventurers of Purse and Person, Virginia, 1607-1624/5: Families G-P John Frederick Dorman, 2004. The foundation for this work is the Muster of Jan 1624-25 which had never before been printed in full. Page xiii volume 1. *Farther Along: Origins of the Cobb, Pope, and Ball Families of Harlan County, Kentucky* John Rhinehart, 2020-01-20. The book traces the progenitors of the Harlan County Kentucky Cobb, Pope and Ball families from their known North American origins in colonial Virginia, Maryland and North Carolina to their eventual settlement in eastern Tennessee, western Virginia and southeastern Kentucky. Substantial national state and local history is included in the narrative for the purpose of setting the people discussed in the context of their times. Issues such as the Methodist Church and the slavery issue and Kentucky and the secession crisis are considered as is Harlan County and the Civil War. Much attention is given to Harlan County's political history from its Democratic Whig beginnings to the Radical Republicanism of the Reconstruction Era 1865-1877. The narrative ends about 1900. Roughly 100 of the 500 pages of the book are exhibits.

Colonial Virginians and Their Maryland Relatives Norma Tucker, 2009-06. This copiously documented volume sheds new light on one of the earliest families to settle in Virginia that of Captain William Tucker of London and on a number of allied families whose progenitors figured in the early history of the Virginia and Maryland colonies. *House of Page's* Robert E. Page, 2013-05-08. This book's focus is on the European side of his father's line in England and maybe France while his mother's side is from France and Germany and not discussed very much. Most of the content is from documents mostly in the County Suffolk, England area and the book begins with the history of this PAGE line in Normandy, France area around the year 900 to the arrival of PAGE Family C in Virginia in the middle 1600s. He published CAROLINA PAGES in 1990 which was about his PAGE line that arrived in Virginia in middle 1600s as they moved to North Carolina then South Carolina then Georgia then Florida where he was born. Since DNA arrived on the scene in early 2000 much of the paper trail has been verified. DNA has provided about 15 different PAGE lines and around 44 individuals most of which have the surname PAGE in the PAGE Line C. Photographs are provided of the many English houses that the PAGE family lived in beginning in early 1400 to date.

Nat Turner and the Rising in Southampton County David F. Allmendinger, 2014-11. In August 1831 in Southampton County, Virginia, Nat Turner led a bloody uprising that took the lives of some fifty-five white people, men, women and children.

shocking the South Nearly as many black people all told perished in the rebellion and its aftermath Nat Turner and the Rising in Southampton County presents important new evidence about the violence and the community in which it took place shedding light on the insurgents and victims and reinterpreting the most important account of that event The Confessions of Nat Turner Drawing upon largely untapped sources David F Allmendinger Jr reconstructs the lives of key individuals who were drawn into the uprising and shows how the history of certain white families and their slaves reaching back into the eighteenth century shaped the course of the rebellion Never before has anyone so patiently examined the extensive private and public sources relating to Southampton as does Allmendinger in this remarkable work He argues that the plan of rebellion originated in the mind of a single individual Nat Turner who concluded between 1822 and 1826 that his own masters intended to continue holding slaves into the next generation Turner specifically chose to attack households to which he and his followers had connections The book also offers a close analysis of his Confessions and the influence of Thomas R Gray who wrote down the original text in November 1831 Allmendinger draws new conclusions about Turner and Gray their different motives the authenticity of the confession and the introduction of terror as a tactic both in the rebellion and in its most revealing document Students of slavery the Old South and African American history will find in Nat Turner and the Rising in Southampton County an outstanding example of painstaking research and imaginative family and community history The exhaustive research Allmendinger presents greatly enriches our historical understanding of the Southampton Rebellion through the eyes of its key victims Nat Turner and the Rising in Southampton County reveals important dimensions of the rebellion s local history and contextualizes the event as Nat Turner did within the context of slavery in Southampton County Reviews in History Allmendinger s great achievement is that he made full use of new primary sources related to the uprising of 1831 new sources hitherto hidden in plain sight Most importantly he understood the significance of this material and knew exactly how to mine it for valuable new insights into virtually every aspect of Nat Turner s rebellion Reviews in American History No one has done more to corroborate and sync the details nor to illuminate Turner s inspirations and goals Nat Turner and the Rising in Southampton County is a model of historical methodology and goes further than any other previous work in helping readers understand Turner s motives and meaning African American Intellectual History Society We are all in David Allmendinger s debt for the labor of research that has given The Rising in Southampton County its absent material context Law and History Review Though the subject of countless histories novels videos and websites Nat Turner the leader of the largest slave insurrection in U S history remains an enigma yet in this new and challenging study the life and times of the legendary revolutionary come into much better focus A must read for historians of slave resistance and all others interested in the history of antebellum Virginia and in particular Southampton County Register of the Kentucky Historical Society Allmendinger approaches a well trodden historical event from a distinctive perspective He provides the most complete historical context surrounding the rebellion Ultimately Allmendinger succeeds in providing a more complete

understanding of the community of Southampton Virginia and offers a better explanation for the motivations that led Turner and his followers down such a bloody path in 1831 Choice David F Allmendinger Jr is professor emeritus of history at the University of Delaware He is the author of Paupers and Scholars The Transformation of Student Life in Nineteenth Century New England and Ruffin Family and Reform in the Old South **Shakespeare and the Making of America** Kevin J.
