English Reformation Margaret Aston, 2015-11-26 Why were so many religious images and objects broken and damaged in the course of the Reformation Margaret Aston's magisterial new book charts the conflicting imperatives of destruction and rebuilding throughout the English Reformation from the desecration of images rails and screens to bells organs and stained glass windows She explores the motivations of those who smashed images of the crucifixion in stained glass windows and who pulled down crosses and defaced symbols of the Trinity She shows that destruction was part of a methodology of religious revolution designed to change people as well as places and to forge in the long term new generations of new believers Beyond blanked walls and whited windows were beliefs and minds impregnated by new modes of religious learning Idol breaking with its emphasis on the treacheries of images fundamentally transformed not only Anglican ways of worship but also of seeing hearing and remembering

All Things Made New Diarmaid MacCulloch, 2016-08-04 The most profound characteristic of Western Europe in the Middle Ages was its cultural and religious unity a unity secured by a common alignment with the Pope in Rome and a common language Latin for worship and scholarship The Reformation shattered that unity and the consequences are still with us today In All Things Made New Diarmaid MacCulloch author of the New York Times bestseller Christianity The First Three Thousand Years examines not only the Reformation's impact across Europe but also the Catholic Counter Reformation and the special evolution of religion in England revealing how one of the most turbulent bloody and transformational events in Western history has shaped modern society The Reformation may have launched a social revolution MacCulloch argues but it was not caused by social and economic forces or even by a secular idea like nationalism it sprang from a big idea about death salvation and the afterlife This idea that salvation was entirely in God's hands and there was nothing humans could do to alter his decision ended the Catholic Church's monopoly in Europe and altered the trajectory of the entire future of the West By turns passionate funny meditative and subversive All Things Made New takes readers onto fascinating new ground exploring the original conflicts of the Reformation and cutting through prejudices that continue to distort popular conceptions of a religious divide still with us after five centuries This monumental work from one of the most distinguished scholars of Christianity writing today explores the ways in which historians have told the tale of the Reformation why their interpretations have changed so dramatically over time and ultimately how the contested legacy of this revolution continues to impact the world today

Anglicans and the Roman Catholic Church Stephen E. Cavanaugh, 2011-03-21 The beginning of a specifically Anglican liturgy and culture within the Roman Catholic Church was established in the United States by Pope John Paul II Since then Anglican Use parishes have been worshipping in a distinctively Anglican style within several American dioceses Thanks to Pope Benedict XVI these communities are now able to form into personal ordinariates led by bishops who were previously Anglican clergy As a result even more Anglicans seeking full communion with Rome can find a home within the Catholic Church The twelve essays in this book discuss the reasons Anglicans have sought reconciliation with the Holy See while retaining elements of their own liturgy and traditions They explore the history and scope of Pope John Paul II's Pastoral Provision and Pope Benedict XVI's Apostolic Constitution and examine the needs of the new ordinariates if they are to flourish Also considered are the changes to the Roman liturgy since the Second Vatican Council and the specific patrimony that Anglicans bring to Catholic worship Many of these essays have been written by erstwhile Anglican clergymen who have been ordained into the Catholic priesthood and one into the episcopate A few are by Catholic experts on this topic There is also a contribution from a woman who had been an ordained Episcopal priest before becoming a Catholic Here is a wealth of information for anyone interested in the Anglican communities within the Catholic Church the reform of the Roman liturgy or the testimonies of Anglicans who have become Roman Catholics

 Evangelicals comprise a movement that spans practically all denominations and even confessions worldwide Now
 Evangelicals are found on both sides of the old ditch between established mainline churches and free churches between
 Reformed theology and more recent developments and between traditional structures and all sorts of revivalist movements
 That is reason enough to take the Reformer who already embodied represented and unified all of these trends in himself
 during the 16th century as a role model Martin Bucer 1491 1551 was a leading illustration of the attempt to use Scripture to
 find what is common at a time when Christianity was beginning to experience the fragmentation we see today and to win
 back erring brothers in a friendly and sustainable manner For a long time Bucer was the least known of the great Protestant
 Reformers But in his lifetime he was as well known as Luther and Calvin He achieved this status without establishing a
 denomination or confession but was forgotten in an age of separatism in Christianity which did not provide space for
