Moffatt, 2011-05 Every lesson experience and obstacle that is part of life requires a person to make a critical decision that will shape his or her destiny It is through those experiences that come from the lessons that life teaches and the obstacles that one must go through that defines truly where one s heart and purpose lies in this world I wrote this book because I know how important decision making is in everyone s lives There are people who like to make decisions such as finding the right career the right person to marry the right places to live and raise their children even decisions that affect their overall dreams and goals Each person was born with a purpose in this world No one can exist in this life without one God doesn t make any mistakes in who or what He creates Therefore because you are not a mistake and God created you with a purpose you have every reason to tap into your abilities and capabilities to impact the world If you are hungry to discover your true potential passion and purpose in life you will be an entirely different person after reading this book You will have the mindset to accomplish every impossible dream and goal that many people thought you could never possibly attain **Time Changes Everything** Christopher T. Ihekweazu, 2021-10-15 Time Changes Everything By Christopher T Ihekweazu Mike Ike was fresh from continental war and civil war was in the offing To avoid military conscription he relocated from an inner city to Ala City the capital of D C where he accidentally met a glowing object in a human form that later became his wife Their relationship sent series of shock waves across the city People could not believed what they were hearing and began asking Why Mr President Why the nation s First Lady But what happened towards the end of their life made local national and international headline news The nation s First Lady who propelled the President to fame wealth power and even saved him from going to jail was divorced While the

President re married the First Lady remained faithful until her death The President s star began to dim Although Jemimah the Beautiful the nation s First Lady became a bird without a nest her beauty remained incorruptible regardless of age Celebrities from the country and around the world thronged the nation s capital just to have a glimpse of the epitome of beauty before their own death The world was shocked and mankind from that day on began to realize and believe that truly in life Time Changes Everything After the death of the First Family and under the military command of General Ebenezer Joshua Diamond Coast the Switzerland of the continent evolved into utopian republics as a soothsayer had earlier predicted Time Changes Everything is a novel that encompasses leaving the reader wondering why

The Ethics of Everyday Medicine Erwin B. Montgomery Jr.,2020-09-24 Ethics of Everyday Medicine Explorations of Justice examines and analyses the relatively unexplored domain of ethics involved in the everyday practice of medicine From the author s clinical experience virtually every decision made in the day to day practice of medicine is fundamentally an ethical question as virtually every decision hinge on some value judgment that goes beyond the medical facts of the matter The first part of the book is devoted to medical decision cases in several areas of medicine These cases highlight elements of the current healthcare ecosystem involving players other than the physician and patient Insurers private commercial and governmental administrators and regulators perspectives are surfaced in point of care case analysis Part two contributes to the development of actionable tools to develop better ethical systems for the everyday practice of medicine by providing a critical analysis of Reflective Equilibrium and ethical induction from the perspective of logic and statistics The chapter on Justice discusses the neurophysiological representations of just and unjust behaviours The chapter on Ethical Theories follows describing the epistemic conundrum principlism reproducibility abstraction chaos and complexity The following chapter approaches ethical decisions from the logic and statistic perspectives The following chapter The Patient as Parenthetical the author discusses patient centric ethics and the rise of business and government cetric ethics The final chapter A Framework to Frame the Questions for Explore Further proposes a working framework to deal with current ethical issues Ethics of everyday Medicine Explorations of Justice acknowledges that there are no answers yet to the ethical dilemmas that confront the everyday practice of medicine but proposes a framework for deeper analysis and action This reading would be useful to all healthcare professionals Regulators and policy makers could also benefit from understanding how the complex healthcare environment influences medical decisions at point of care Offers an overview of the current health care ecosystem and the ethical questions posed by divergent interests Includes cases for ethical analysis of common medical practice Proposes a framework for ethical decision making in the clinical setting Provides critical analysis of Reflective Equilibrium and ethical induction from the perspective of logic and statistics
