

MARVELL AND THE CIVIC CROWN

Marvell And The Civic Crown

Marshall Grossman

Marvell And The Civic Crown:

Marvell and the Civic Crown Annabel M. Patterson, 1978 Since the 1920s scholars have usually divided Andrew Marvell's career into two halves and have assumed that when he committed himself to politics he lost both his aesthetic innocence and his interest in literary questions. Doubting that Marvell could so completely have forgotten his earlier preoccupations, Annabel Patterson has reexamined his political writings. Her analysis of them shows that they have much in common with his most admired poetry and her interpretation has significant implications for both literary theory and history. Professor Patterson finds that the political panegyrics, satires, and controversial prose reveal the same qualities of generic self-consciousness, inventiveness, and literary sophistication that have been remarked in the garden lyrics. Yet Marvell's political writings do not merely deserve a fair comparison with lyrics already esteemed. Rather, they are themselves documents of the first importance if one is interested in the social function and sources of literature. The author shows that each time the poet shifted markedly in style or genre, his new method grew out of a change in his own conviction required him to respond, but for which the available literary traditions were inadequate. Annabel M. Patterson is Associate Professor of English at York University, Canada. Annabel M. Patterson, *Marvell and the Civic Crown*. Annabel M. Patterson, The Seventeenth-Century Literature Handbook. Robert C. Evans, Eric J. Sterling, 2010-02-10. One-stop resource offering complete textbook for courses in seventeenth-century literature, progressing from introductory topics through to overviews of current research. Literature, Gender and Politics During the English Civil War. Diane Purkiss, 2005-07-14. In this innovative study, Diane Purkiss illuminates the role of gender in the English Civil War by focusing on ideas of masculinity rather than on the role of women, which has hitherto received more attention. Historians have tended to emphasise a model of human action in the Civil War based on the idea of the human self as rational animal. Purkiss reveals the irrational ideological forces governing the way seventeenth-century writers understood the state, the monarchy, the battlefield, and the epic hero in relation to contested contemporary ideas of masculinity. She analyses the writings of Marvell, Waller, Herrick, and the Caroline elegists, as well as in newsbooks and pamphlets, and pays particular attention to Milton's complex responses to the dilemmas of male identity. This study will appeal to scholars of seventeenth-century literature, as well as those working in intellectual history and the history of gender.

Marvell's Ambivalence Takashi Yoshinaka, 2011. A fresh reading of Marvell's most important works exploring the variety and complexity of his approaches to contemporary religious and political events. Andrew Marvell's celebrated poetic ambivalence to the philosophical, political, and religious controversies of mid-seventeenth-century England is the subject of this book, which includes major new historical readings of his most important lyrics and political verse, incorporating material from hitherto unpublished contemporary manuscripts. It places the poetic imagination of Marvell and his contemporaries, such as John Milton, Henry Vaughan, Abraham Cowley, Margaret Cavendish, William Davenant, and Thomas Fairfax, into the context of the turbulent public events of the time and demonstrates Marvell's hitherto unnoticed connection with the liberal

rational and sceptical thinkers associated with the Great Tew circle It also argues that Marvell's middle way in theology is bound up with his ambivalence towards the Calvinist God Takashi Yoshinaka took his D Phil at the University of Oxford and is Professor of English in the Graduate School of Letters Hiroshima University *Politics and Language in Dryden's Poetry* Steven N. Zwicker, 2014-07-14 This study of Dryden's poetic career addresses the nature of covert argument in an age of violently contested political and religious issues Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

From Republic to Restoration Janet Clare, 2018-04-03 Republic to restoration cuts across artificial divides between periods and disciplines often imposed for reasons of convenience rather than reality Challenging the traditional period divide of 1660 essays in this volume explore continuities with the decades of civil war and the Republic shedding new light on religious political and cultural conditions before and after the restoration of church and king Transdisciplinary in conception it includes essays on political theory poetry pamphlets drama opera art scientific experiment and the Book of Common Prayer Essays in the volume variously show how unresolved issues at national and local level including residual republicanism and religious dissent were evident in many areas of Restoration life and were recorded in memoirs diaries plays historical writing pamphlets and poems An active promotion of forgetting and the erasing of memories of the Republic and the reconstruction of the old order did not mend the political religious and cultural divisions that had opened up during the Civil War In examining such diverse genres as women's religious and prophetic writings the publications of the Royal Society the poetry and prose of Marvell and Milton plays and opera court portraiture contemporary histories of the civil wars and political cartoons the volume substantiates its central claim that the Restoration was conditioned by continuity and adaptation of linguistic and artistic discourses Republic to restoration will be of significant interest to academic researchers in a wide range of related fields and especially students and scholars of seventeenth century literature and history **Catholicism in the English Protestant Imagination** Raymond D. Tumbleson, 1998-10-15 This study examines the role of anti Catholic rhetoric in late seventeenth and early eighteenth century England This role was long neglected being at once obvious and distasteful a reproach to the heirs of the Enlightenment who prided themselves on their tolerance and did not want to confront its origins in intolerance Raymond Tumbleson discusses how the fear of Popery a potentially destabilising force under the Stuarts ultimately became a principal guarantor of the Hanoverian oligarchy The range of authors discussed runs from Middleton Milton and Marvell to Swift Defoe and Fielding as well as numerous pamphleteers Crossing traditional generic disciplinary and chronological boundaries this book examines hitherto neglected relationships between poetry and

prose literature and polemic the Reformation and the Augustan age *Poems in Their Place* Neil Fraistat, 2014-07-01 With essays by 13 leading scholars this collection establishes the grounds for a new kind of poetics that considers the poetry book itself the concept and the material fact as an object of interpretation The authors argue that the decisions poets make about the presentation of their works play a meaningful role in the poetic process and therefore should figure as part of the reading experience The common practice of approaching poems chronologically as they are presented in anthologies or in posthumous editions has been fostered by the long prevailing tendency of the New Criticism to treat each poem as self contained This volume urges the reader to reconsider the most fundamental ways that one reads teaches and interprets poetry Moving from classical to contemporary poetry these essays develop a literary history and theory for such a poetics at the same time providing a generous set of models for a related practical criticism At the heart of this collection are such issues as order arrangement and intertextuality Reading poems in their place helps to return them to their historical contexts because the book itself has had a particular place in its own culture and society Originally published in 1987 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Henry Stubbe, Radical Protestantism and the Early Enlightenment James R. Jacob, 2002-05-16 A biography of Henry Stubbe 1632-76 classicist polemicist physician and philosopher **Regicide and Republicanism** Sarah Barber, 2020-03-31 This study of seventeenth century monarchy suggests that the arguments which were used to attack the potentially absolutist monarchy of Charles I were not all that different from those used against the constitutional monarchy of today The seventeenth century arguments were based on the fiction that the person who fulfilled the office could be distinguished from the office itself Personal morality and behaviour were vital factors in assessing the value of government From 1646 onwards there developed two parallel strands of thought Those who believed in government by laws developed a republican response to the crisis of the 1640s Those who believed that people made laws attacked Charles I rather than the monarchy itself supported the regicide and subsequently approved of the rule of Cromwell **Literature and Dissent in Milton's England** Sharon Achinstein, 2003-03-20 Table of contents **Anecdotal Modernity** James Dorson, Florian Sedlmeier, MaryAnn Snyder-Körber, Birte Wege, 2020-12-16 Modernity is made and unmade by the anecdotal Conceived as a literary genre a narrative element of criticism and most crucially a mode of historiography the anecdote illuminates the convergences as well as the fault lines cutting across modern practices of knowledge production The volume explores uses of the anecdotal in exemplary case studies from the threshold of the early modern to the present The Literature of Controversy Thomas N. Corns, 2022-11-30 First published in 1987 The Literature of Controversy is a collection of essays by scholars from Britain the United States and Australia on major works from a classic epoch of English controversial prose Each essay engages a single

text or series of texts less to discuss the ideas and arguments per se than to consider the rhetorical techniques assumed for the political manipulation of the readers Though emphasis varies from contribution to contribution the purpose broadly is to explore how the constituents of those texts are organised to coax cajole persuade or inspire those to whom they address As the editor argues in his introduction this approach the critique of polemical strategy for the most part accepts the validity of paying regard to the author and his intentions it engages questions about the responses of the readership at which the texts were targeted and it proceeds intertextuality in its attempts to reconstruct the controversies in which the texts were embedded and the codes within which they operated This book will be of interest to students of literature rhetoric and history

Public Offices, Personal Demands Jan Hartman, Jaap Nieuwstraten, Michel Reinders, 2009-05-05 *Public Offices Personal Demands* presents a novel perspective on European politics in the seventeenth century Its focus lies on the Dutch Republic that surprising anomaly often described as a miracle or enigma admired by many during this age This collection of essays explores one of the most fundamental questions of seventeenth century governance what makes a person capable for office Contemporary viewpoints are discussed by a range of scholars from different historical disciplines As this volume shows debates about capability and office holding were by no means restricted to political theorists Scientists citizens and merchants all discussed these matters in a similar vein Nor was this heated discussion about who was fit govern a typically Dutch phenomenon Because of its multifaceted and international approach this book will appeal to both scholars and students in the fields of cultural and social history the history of political thought the history of early modern politics and the history of science

Enclosure Acts Richard Burt, John Archer, 2019-06-07 *Enclosure* the conversion of peasants commonly held lands to privately owned pasture has long been considered a critical stage in the transition from feudalism to capitalism This book is the first however to treat in detail the literary and cultural implications of enclosure in early modern England Bringing together the work of both senior and younger scholars who represent a wide range of critical orientations *Enclosure Acts* focuses not only on the historical fact of land enclosure but also on the symbolic containment of sexuality in Elizabethan and Jacobean literary works The first type of enclosure frequently has been treated by materialists and new historicists feminists and theorists concerned with issues of gender have tended to concentrate on the second The fourteen essays collected here explore the relationships between these two ways of perceiving enclosure in the context of cultural studies Individual chapters examine the creation of territorial and social boundaries as well as the consequences of enclosure acts

The Seventeenth - Century Literature Handbook Marshall Grossman, 2011-01-11 **THE SEVENTEENTH CENTURY LITERATURE HANDBOOK** Never a dull read Marshall Grossman's elegant volume bristles with sharp ideas to inform stimulate and challenge his audience Thomas Corns Bangor University The seventeenth century was a dramatic period in British history witnessing two revolutions huge constitutional change the widening of the political and literary classes and the gradual acceptance of women as authors This easy to use Handbook offers readers a succinct overview of this complex

period guiding them through the principal literary works figures and innovations of the time Focusing on studying texts in context Marshall Grossman explores the ways in which major works including Hamlet Paradise Lost and The Pilgrim s Progress both reflected and helped to shape the history of the time while concise sections on topics such as the Gunpowder Plot and the Pamphlet Wars allow the reader to engage more fully with the central themes and preoccupations of the period Concluding with a series of brief biographical profiles describing the life and works of the century s most significant and influential writers The Seventeenth Century Literature Handbook is essential reading for anyone interested in British Literature across the civil war and restoration periods

Representing Revolution in Milton and his Contemporaries

David Loewenstein,2001-03-15 David Loewenstein s Representing Revolution in Milton and his Contemporaries is a wide ranging exploration of the interactions of literature polemics and religious politics in the English Revolution Loewenstein highlights the powerful spiritual beliefs and religious ideologies in the polemical struggles of Milton Marvell and their radical Puritan contemporaries during these revolutionary decades By examining a wide range of canonical and non canonical writers John Lilburne Winstanley the Digger and Milton amongst others he reveals how radical Puritans struggled with the contradictions and ambiguities of the English Revolution and its political regimes His portrait of a faction riven violent seventeenth century revolutionary culture is an original and significant contribution to our understanding of these turbulent decades and their aftermath By placing Milton s great poems in the context of the period s radical religious politics it should be of interest to historians as well as literary scholars

Lines of Authority Steven N. Zwicker,2018-05-31 Focusing on the turbulent years between the execution of Charles I and the triumph of William III Steven N Zwicker reads English literature as a series of brilliant and deeply engaged polemical contests Zwicker juxtaposes overtly polemical writings pamphlets broadsides and ballads with canonical works including epic historical verse tragedy and satire in order to demonstrate how literature not only reflected on political action but also formed an important site of political exchange Zwicker maintains that the sources of Restoration culture lay within the civil war years of the 1640s and that the memory of those years shaped writing and politics for the remainder of the century In sensitive readings of such classic texts as Walton s Compleat Angler Marvell s First Anniversary and Last Instructions Milton s Paradise Lost Dryden s Annus Mirabilis and Absalom and Achitophel and Locke s Two Treatises of Government he shows how these texts both engaged with pamphlet squib and broadside and challenged one another over the possession of cultural authority Zwicker s analysis provides a new understanding of the connections between politics and aesthetics in the later seventeenth century and an appreciation for the texture of this culture Successfully integrating literary history and political analysis Lines of Authority will be valuable reading for a broad audience in the fields of Restoration and Protectorate literature literary history cultural and intellectual history and the history of political thought

English Prose of the Seventeenth Century 1590-1700 Roger Pooley,2014-06-06 This is the first book length history of the range of seventeenth century English prose writing Roger Pooley s study begins

with narrative ranging from the fiction of Bunyan and Aphra Behn to the biographical and autobiographical work of Aubrey and Pepys Further sections consider religious prose from the hugely influential Authorised Version to Donne s sermons the political writing of figures as diverse as Milton Hobbes Locke and Marvell cornucopian texts and the writings of the new scientists from Bacon to Newton At a time when the boundaries of the canon are being increasingly revised this is not only a major survey of a series of great works of literature but also a fascinating social history and a guide to understanding the literature of the period as a whole

This Captivating World of E-book Books: A Comprehensive Guide Unveiling the Pros of Kindle Books: A Realm of Convenience and Versatility E-book books, with their inherent mobility and simplicity of availability, have liberated readers from the constraints of physical books. Marvell And The Civic Crown Introduction

In the digital age, access to information has become easier than ever before. The ability to download Marvell And The Civic Crown has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Marvell And The Civic Crown has opened up a world of possibilities. Downloading Marvell And The Civic Crown provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to

valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Marvell And The Civic Crown has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Marvell And The Civic Crown. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Marvell And The Civic Crown. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Marvell And The Civic Crown, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Marvell And The Civic Crown has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
