A guide to English language works that have been adapted as theatrical and television films, this volume includes books, both fiction and non-fiction, short stories, newspaper and magazine articles, and poems. Entries are arranged alphabetically by literary title, with cross-listings for films made under different titles. Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptation's of the work, including adaptation titles, director, screenwriter, principal cast, and the names of the characters they portray, major awards, and availability in the most common formats (DVD, VHS) is also offered.
