Campbell, DMin, Tom Walters, 2004-01-01 **George Mackay Brown and the Scottish Catholic Imagination** Linden Bicket, 2020-03-31 This

lively new study is the very first book to offer an absorbing history of the uncharted territory that is Scottish Catholic fiction. For Scottish Catholic writers of the twentieth century, faith was the key influence on both their artistic process and creative vision. By focusing on one of the best known of Scotland's literary converts, George Mackay Brown, this book explores both the Scottish Catholic modernist movement of the twentieth century and the particularities of Brown's writing, which have been routinely overlooked by previous studies. The book provides sustained and illuminating close readings of key texts in Brown's corpus and includes detailed comparisons between Brown's writing and an established canon of Catholic writers, including Graham Greene, Muriel Spark, and Flannery O'Connor. This timely book reveals that Brown's Catholic imagination extended far beyond the small green world of Orkney and ultimately embraced a universal human experience.

[The Joy of Discipleship](#) Pope Francis, 2016-01-19 Dear friends, be glad. Do not be afraid of being joyful. Pope Francis from *The Joy of Discipleship*. Near the end of Luke's Gospel, two disciples slowly make their way home from Jerusalem to the village of Emmaus. At the outset, they are deeply saddened by Jesus' tragic death. By that evening, however, they have made a 180-degree turn from dejected disciples to followers filled with joy, a joy they simply must share with others as fast as they can. What accounts for this change? They have encountered the risen Christ. In *The Joy of Discipleship*, Pope Francis reminds us that joy should be one of the defining characteristics of any person who has truly encountered Jesus. This skillfully curated collection of homilies, speeches, and other documents from Pope Francis, compiled and edited by James P. Campbell, offers a fresh perspective on why Christian disciples should be so joyful in the first place and how that joy might manifest itself in our individual daily lives. Covering a broad range of themes—Christ's Resurrection, mercy, wealth and poverty, the Christian family, and more—*The Joy of Discipleship* moves us to meditate on Christ and then inspires us to move out from our own four walls, jubilantly proclaiming God's transforming love in word and deed. For anyone who wants what Pope Francis has—an active, abiding, authentic love for Jesus Christ, for the Church, and for the people of this world—*The Joy of Discipleship* will point the way. This volume gives us a portrait of the Pope and what amazing joy fills his life, his mind, his teaching, his discipleship. From the foreword by Daniel Cardinal DiNardo.

**Mary the Perfect Contemplative: Carmelite Insights on the Interior Life of Our Lady** Barbara Hughes, 2022-04-25 Mary the Perfect Contemplative is a fresh and beautiful portrait of the Mother of God From her immaculate conception to her bodily assumption into heaven Mary was set apart by God as the vessel of humanity s redemption Thrice favored as daughter of the Father mother of the Son and spouse of the Holy Spirit Mary was endowed with supernatural gifts that enabled a contemplative life of grace Unlike us she was conceived without sin

Yet her reliance on faith without the full vision of God's plan of salvation during her earthly life makes her for us the perfect model of faith. Pondering in her heart the mysteries she encountered throughout her life she is the perfect contemplative. Author Barbara Hughes O.C.D.S. looks to Sacred Scripture as the primary and essential reference for her portrait of our Lady. For colorful detail she draws on two thousand years of Sacred Tradition sourced in the writings of the church fathers, saints and theologians. Finally Hughes finds further depth and exquisite details of Mary's interior life in the mystical writings of the Carmelite saints and Doctors of the Church. The saints of Carmel, the canonized brothers and sisters of Our Lady of Mount Carmel, are invaluable guides that help us navigate the mystical waters of contemplation and union with God which Mary exemplifies. Saints John of the Cross and Teresa of Jesus teach us the importance of living by faith especially when God appears to be absent or when his plans are veiled to the eyes of even the holiest people such as Mary. This book is for all of Mary's beloved children to offer them an intimate portrait of their Blessed Mother.

**Pilgrim Paradigm, The** Brouillette, André, 2021. This book aims to explore what pilgrimage has to teach about God, the faithful and the Church, thereby challenging and enriching theology.

**A Revitalization of Images** Gregory C. Higgins, 2019-03-05. The philosopher, theologian and biblical scholar Austin Farrer (1904-1968) highlighted in his various writings the central role that images play in the interpretation of biblical writings, the construction of theological arguments and the descriptions of the Christian spiritual life. Theologians down through the centuries have sought to revitalize the central biblical images as they addressed the pressing theological, moral and spiritual questions of their day. *A Revitalization of Images* offers students the opportunity to participate in this ongoing creative engagement with ten dominant biblical images that continue to shape the church's beliefs and practices as well as each Christian's own spiritual journey. Sound theology is rooted in Scripture, conversant with past thinkers and engaged in the present life of the church. This dynamic directly informs *Revitalization*. In each chapter we begin with a biblical image that has figured prominently in the Christian theological tradition. Next we examine two prominent voices from the Christian tradition who have drawn upon the image when crafting a compelling vision of the Christian life. We then turn our attention to a contemporary thinker who has incorporated or critiqued the image in his or her own theological work. This discussion is set within the current spectrum of theological positions including orthodox, liberal, postliberal and postmodern perspectives.
