Night Of Ghosts And Lightning:

Night of Ghosts and Lightning Robyn Tallis, 1988-11-01 Six teenagers whose encounter in the Catalan Mountains has left them with inexplicable powers are all that stands between the city of Ambora and total destruction *The Ghosts of Meeker Hollow* C. H. Crane, 2013-12-31 When Tim cousin Natalie and the Weaver twins are invited to Stretch's grandparents a fun day of swimming and eating birthday cake turns into an evening of thunderstorms and darkness Once the power goes out there really is not much to do Until the kids decide to tell ghost stories Sitting in a circle with the glow of their flashlights outlining the shadows of their faces they're not too impressed with each other's stories That is when Stretch's grandfather joins the group and describes how a real ghost story goes Grandpa shares a tale of a mystery that happened many many years ago in their own hollow A tale of some evil entity buried in the old cemetery Is this story just a tall tale Or is it perhaps something more something that may have really happened all those years ago Join the gang in this new adventure as they investigate the Ghosts of Meeker Hollow and find out firsthand what happens when daylight fades into darkness

The Ghost of Thailand Rick Mercer,2013-03-04 This book is a tale about a girl who was born into an unexpected reality We laugh at the unexplained and tend to mock what we dont understand This girl was born into a world that didnt want her She found love with her Grandmother in the northeastern farms of Thailand At the age of six she encountered a near death experience that forever changed her life During the course of her first seventeen years she experienced coming back from the other side She witnessed a public suicide and an old man being publically beaten to drive out a spirit that people believed made him ill She was visited by spirits that would give even the strongest person nightmares The book is very entertaining when you see how this child copes with everyday life experiences as well as the supernatural experiences At the age of thirteen she was able to catch a thief At an older age she was able to deal with spirits that wanted nothing more than to do harm I mean physical harm This book is about a little girl with more inner strength than most of us can possibly comprehend She tapped into her inner self and found the courage to accept and to rationalize their very existence This book is about a little girl named by a nurse because no one was around to give her a name Her name is Nongnooch Mercer
