Night The Moon Blew Kisses:

The Night the Moon Blew Kisses Lynn Manuel,1996 As a little girl and her grandmother walk on a snowy moonlit night the child blows kisses to the moon which sends frozen kisses to them in return Darkness Then a Blown Kiss Golda Fried,2014-06-20 These stories are diary shreds of young women who are in school but things happen anyway Girls with their hearts open like agar petri dishes The setting could be Toronto Montreal New Orleans a Gothic castle or a bathtub What people say matters The girl might finally find someone she can talk to but falls asleep too soon She will fall down taking the scenery with her Stars are brought down into sugar containers and stirred into coffee A couch is thrown out on the grass and you are invited to have a seat Child Life ,1929 **The Greatest Love Story Never Told** Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other

A Gift from Seraphina Kathy O'Leary,2011-02-04 I have travelled for more than 20 years and visited 51 countries on my own I don t have a camera but write poems instead My poems cover a huge gamut of experiences I have captured the weird

the wonderful heartbreaking humorous inspirational and moving aspects of my travelling and life I have written poems celebrating the inner child in all of us the secret of Happiness and in honour of another aspect of life Death I have also written many personal poems for people whom in some cases I have only met once and unlikely to meet again My personal poems are thought provoking and motivational There is a spiritual depth to them too and almost miraculously they zoom in on and highlight the source of a person s fears and woes and offer release and solutions I honestly can t say how I do this as not only has the individual not talked about their pain to me in most cases they have buried it from themselves My poems acknowledging their problems with heartfelt advice and hope bring enlightenment and tears of wonderment to me too Most of my poems are written at night in a trance like state and I wake up in the morning to reams of paper Sometimes I have to look up words in the dictionary as I don t know what they mean or even if they exist and I am amazed to find they are words which express exactly what I am trying to say Even Oprah Winfrey visiting a murderer in prison is the inspiration for one of my trance like channelled poems I feel the prisoner s subconscious was speaking through me and what develops is truly incredible and alarming My poems are cherished by me I have the armour to fight life s lions and I have captured the Gift of Happiness within my heart Even people who don t like poems love mine passionately They all rhyme and have a readable enjoyable flow to them Nobody hears one without wanting to hear another Last night I dreamed of a beautiful angel called Seraphina who told me she was my travel companion I feel she should share some credit for my wondrous gift and now have the title for my book which has eluded me for many years
