Party Politics Electoral Choice In An

Martin Steven

Party Politics Electoral Choice In An:

Electoral Rules and Electoral Behaviour Ruth Dassonneville, Marc Hooghe, Michael S. Lewis-Beck, 2018-12-07 Across representative democracies there is a strong variation in the rules that govern the electoral process A classic insight in political science is that these rules e g the presence of a majoritarian or a proportional system have a profound effect on the way a democracy functions We know less however about the way voters actually respond to these electoral rules This kind of effect presupposes that voters not only are aware of the electoral system but also that they adapt to the incentives offered by the system In this volume a group of international scholars investigate whether this is indeed the case The various chapters in this volume deal with the effect of proportionality mixed member systems compulsory voting and preferential voting The chapters are based on recent data and state of the art methods The introduction confronts the findings of the various chapters with the allegedly universal validity of vote choice models in the literature The research presented in this volume mainly deals with elections in Europe but the findings speak to the broader community of electoral scholars The chapters originally published as a special issue in *West European Politics*

From Party Politics to Personalized Politics? Gid'on Rahat, Ofer Kenig, 2018 This volume examines two major developments in contemporary democratic politics the change in party society linkage and political personalization and their relation to each other

Political Choice in Britain Harold D. Clarke, 2004 Why do people vote as they do Indeed why do they vote at all What do they think about elections and democracy This book addresses these questions by focusing on the explanatory power of rival sociological and individual rationality models

Handbook of Party Politics Richard S Katz, William J Crotty, 2006-01-26 The Handbook of Party Politics is the first book to comprehensively map the state of the art in contemporary party politics scholarship This major new work brings together the world's leading party theorists to provide an unrivalled resource on the role of parties in the pressing contemporary problems of institutional design and democratic governance today

Making Political Choices Harold D. Clarke, Allan Kornberg, Thomas J. Scotto, 2009-01-01 A timely and important contribution to voting literature Both Canadians and Americans will develop a better understanding of their neighbours elections but will also gain many new insights into the politics of their own country

Larry LeDuc University of Toronto

Christianity and Party Politics Martin Steven, 2010-12-09 Christianity and Party Politics aims to discuss and evaluate the contemporary relationship between party politics and religion The book focuses on the important role of the Church in both electoral politics and public policy formulation in the twenty first century and argues that contrary to the established secularisation argument generally applied in Europe religion continues to be a powerful influence particularly within British politics Providing a valuable and long overdue contribution to the field this work will provide readers with a detailed knowledge of how the worlds of politics and religion interact

Welfare Democracies and Party Politics Philip Manow, Bruno Palier, Hanna Schwander, 2018-04-13 Europe's political landscapes are in turmoil and new radical parties challenge the established political order This book

locates Europe's contemporary challenges within the longer economic and political trajectories of its welfare democracies. The book argues that it is imperative to understand the specific structures of political competition and voter-party links to make sense of the political and economic turmoil of the last decades. In four distinct European welfare democracies (Nordic, Continental, Southern, and Anglo-Saxon), the political economy, the party system, and the structure of the political space are co-determined in a specific way. Accordingly, different packages of policies and politics and distinct patterns of alignment between core electoral groups and political parties exist in the four welfare democracies and shape the reactions of European welfare democracies to the current turmoil. This volume provides an analytical framework that links welfare states to party systems, combining recent contributions to the comparative political economy of the welfare state and insights from party and electoral politics. It states three phenomena: First, concerning electoral politics, the book identifies a certain homogenization of European party systems, the emergence of a new combination of leftist socio-economic and rightist socio-cultural positions in many parties, and finally, the different electoral success of the radical right in the north of Europe and of the radical left in the south. Secondly, the contributions to this book indicate a confluence toward renewed welfare state support among parties and voters. Thirdly, it demonstrates that the Europeanization of political dynamics combined with incompatible growth models has created pronounced European cleavages.

Political Choice Matters Geoffrey Evans, Nan Dirk Graaf, 2013-03-28. Studies of the influence of class and religion on politics often point to their gradual decline as a result of social change. Backed up by extensive evidence from 11 case studies and a 15-country pooled analysis, the editors argue instead that the supply of choices by parties influences the extent of class divisions. **Political Choice Matters** The Handbook of Electoral System Choice J. Colomer, 2016-01-05. The topic of electoral reform is an extremely timely one. The accelerated expansion of the number of new democracies in the world generates increasing demand for advice on the choice of electoral rules at the same time a new reformism in well-established democracies seeks new formulae favouring both more representative institutions and more accountable rulers. The Handbook of Electoral System Choice addresses the theoretical and comparative issues of electoral reform in relation to democratization, political strategies in established democracies, and the relative performance of different electoral systems. Case studies on virtually every major democracy or democratizing country in the world are included.

Citizens, Context, and Choice Russell J. Dalton, Christopher J. Anderson, 2010-12-02. A large body of electoral studies and political party research argues that the institutional context defines incentives that shape citizen participation and voting choice. With the unique resources of the Comparative Study of Electoral Systems, this book provides the first systematic evaluation of this topic. A distinguished international team of electoral scholars finds that the institutional context has only a modest impact on citizen political choices compared to individual-level factors. Furthermore, the formal institutional characteristics of electoral systems that have been most emphasized by electoral studies researchers have less impact than characteristics of the party system that are separate from formal institutions. Advanced multi-level analyses demonstrate that

contextual effects are more often indirect and interactive and thus their effects are typically not apparent in single nation election studies The results have the potential to reshape our understanding of how the institutional framework and context of election matters and the limits of institutional design in shaping citizen electoral behavior **British Elections &**

Parties Review Roger Scully,Justin Fisher,Paul Webb,David Broughton,2022-03-01 First published in 2004 this is the fourteenth annual volume published under the auspices of the Elections Public opinion and Parties EPOP specialist group of the Political Studies Association PSA of the United Kingdom The 2003 September Cardiff conference was distinguished by the First Minister for Wales Rt Hon Rhodri Morgan AM This is a collection of twelve papers from the conference and a reference section Power and Choice W. Phillips Shively,David Schultz,2022-04-13 A truly comparative introduction to political science that reflects the diversity of approaches to the discipline Power Choice offers an in depth look into the nuances of politics through the analysis of collective choices for a group or state through the use of power Organized topically and using extended case examples from around the world Power Choice provides undergraduate students with a clear and engaging introduction to political science and comparative politics The 16th Edition has been updated to address the issues raised by the covid 19 pandemic as well as the impact the Trump and Biden presidencies have had so far upon the world and its democracies including challenges in states such as Hungary where illiberal democracy and nationalism are on the rise The authors have also included discussion of the impact of the death of George Floyd upon race relations in America and how issues such as growing inequality are impacting politics This edition adds examination of women s economic development and the rising importance of LGBTQ issues globally *British Elections & Parties Review* Philip Cowley,David Denver,Justin Fisher,Andrew Russell,2014-05-12 The British Elections and Parties series publishes research on parties elections and voting behaviour in Britain providing analyses of current and historical developments It is produced under the auspices of the Political Studies Association s Election Public Opinion and Parties study group Volume 9 includes research based around four themes electoral reform partisanship and voting parliamentary behaviour and the attitudes of the young It provides a source of data on public opinion polls a summary of local election results UK referendums key economic indicators political parties and a chronology of major political events in 1998 **Party Politics in Post-communist Russia** John Lowenhardt,2013-01-11 Political parties are the fabric of democratic politics In 1991 a new Russia emerged after seven decades of one party dictatorship claiming to be on the road towards democracy In this volume the authors analyse the many contradictions dilemmas and paradoxes of reconstituting free party politics and democratic rule in a severely traumatized country Frequently from a comparative perspective they deal with a range of topics from the behaviour of the new parties in parliament the role of ideology in cementing party organizations to the character and prospects of the transient Russian party system Party System Change, the European Crisis and the State of Democracy Marco Lisi,2018-08-06 Party systems are crucial elements for the functioning of political systems and representative democracies With several European

countries experiencing significant changes recently it is necessary to update our knowledge This volume analyses party system changes in Europe in the 21st century by considering several dimensions such as interparty competition the cleavage structure electoral volatility and the emergence of new actors The book describes the principal continuities and changes in party systems in Europe analyzes the main explanations for these trends and assesses the impact of the crisis on the patterns observed By considering a wide range of Western and Eastern European countries and focusing on the parameters of party system change this book seeks to fill an important gap in the literature through a comparative analysis of the evolution of party systems in Europe over the last decades This book will be of key interest to scholars and students of political parties party systems and politics electoral behavior as well as more broadly to European politics comparative politics political representation and the quality of democracies

Australian Constitutional Law Luke Beck, 2024-01-04 Australian Constitutional Law Concepts and Cases provides an accessible introduction for law students integrating theory and doctrine

The post-crisis Irish voter Michael Marsh, David M. Farrell, Theresa Reidy, 2018-08-31 This is the definitive study of the Irish general election of 2016 the most dramatic election in a generation which resulted in the worst electoral outcome for Ireland's established parties the most fractionalized party system in the history of the state and the emergence of new parties and groups These outcomes follow a pattern seen across a number of Western Europe's established democracies in which the deep crisis of the Great Recession has wreaked havoc on party systems The objective of this book is to assess this most extraordinary of Irish elections both in its Irish and wider cross national context With contributions from leading scholars on Irish elections and using a unique dataset the Irish National Election Study 2016 this volume explores voting patterns at Ireland's first post crisis election and it considers the implications for the electoral landscape and politics in Ireland

Canadian Parties in Transition, Fifth Edition Alain-G Gagnon, Brian Tanguay, 2024-10-01 The fifth edition of Canadian Parties in Transition continues and enriches the work of earlier editions in bringing together a highly respected group of scholars to offer a comprehensive account of the development of party politics in Canada The book addresses the origin and the evolution of the Canadian party system and discusses how that system has been impacted by regionalism brokerage politics and political marketing It focuses on the competing ideological currents that occupy the political stage while also paying attention to the role of third parties in federal politics Contributors address the representation and democracy through an exploration of voting systems direct democracy the role occupied by constituencies gender politics and the distinct Quebec dynamics in the federal party system Finally the book analyses topical issues such as electoral participation social movements right wing populist parties political campaigning and digital party politics This new edition has been thoroughly revised and updated to reflect ongoing transformations and includes nineteen new contributing authors and coverage of seven new topics Canadian Parties in Transition presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy

The End of British Party Politics? Roger

Awan-Scully,2018-04-05 Elections ask voters to choose between political parties But voters across the UK are increasingly being presented with fundamentally different and largely disconnected sets of political choices This book is about this hollowing out of a genuinely British democratic politics how and why it has occurred and why it matters Electoral choices across Britain became increasingly differentiated along national lines over much of the last half century In 2017 for the second general election in a row four different parties came first in the UK s four nations UK voters are increasingly faced with general election campaigns that are largely disconnected from each other At the same time voters acquire much of their information about the election from news media based in London that display little understanding of these national distinctions The UK continues to elect representatives to a single parliament But the shared debates and sets of choices that tie a political community together are increasingly absent Separate national political arenas and agendas still have to interact but in some respects the House of Commons increasingly resembles the European Parliament whose members are democratically chosen but from a disconnected series of separate national electoral contests This is deeply problematic for the long term unity and integrity of the UK Democratic Politics and Party Competition Judith Bara,Albert Weale,2006-09-27 A life of writing and organising Ken Newton Party government formation and policy preferences an encompassing approach Hans Keman Policy changes of parties in European parliament party groups Andrea Volkens Parties in democracy democracy in parties lessons from Ian Budge and the CMP data Michael D McDonald Do parties reflect public concerns Judith Bara The dimensionality of party ideologies Iain McLean Occam no Archimedes yes Jack H Nagel On the dimensionality of political space and on its inhabitants David Robertson Party defined spaces revisited Michael Laven Ideological considerations and voting behaviour a comparison of individual and aggregate level approaches John Bartle Does the median voter theorem wipe out political participation Paul Whiteley Preference shaping and party competition some empirical and theoretical arguments Hugh Ward Party competition and deliberative democracy Albert Weale Political tolerance meaning measurement and context Donald D Searing Ivor Crewe Pamela Johnston Conover

Party Politics Electoral Choice In An Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Party Politics Electoral Choice In An PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Party Politics Electoral Choice In An PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Party Politics Electoral Choice In An free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
