

Passage

Where the cedar leaf divides the sky
I heard the sea.
In sapphire arenas of the hills
I was promised an improved infancy.

Sulking, sanctioning the sun,
My memory I left in a ravine,-
Casual louse that tissues the buck-wheat,
Aprons rocks, congregates pears
In moonlit bushels
And wakens alleys with a hidden cough.

Dangerously the summer burned
(I had joined the entrainments of the wind).
The shadows of boulders lengthened my back:
In the bronze gongs of my cheeks
The rain dried without odour.

'It is not long, it is not long;
See where the red and black
Vine-stanchioned valleys-': but the wind
Died speaking through the ages that you know
And bug, chimney-sooted heart of man!
So was I turned about and back, much as your smoke
Compiles a too well-known biography.

The evening was a spear in the ravine
That throve through very oak. And had I walked
The dozen particular decimals of time?
Touching an opening laurel, I found
A thief beneath, my stolen book in hand.

"Why are you back here-smiling an iron coffin?
'To argue with the laurel,' I replied:
'Am justified in transience, fleeing
Under the constant wonder of your eyes-.'

He closed the book. And from the Ptolemies
Sand troughed us in a glittering.. abyss.
A serpent swam a vertex to the sun
-On unpaced beaches leaned its tongue and
drummed.
What fountains did I hear? What icy speeches?
Memory, committed to the page, had broke.

Passages Poems:

The Poems and Hymns of the New Testament Philip Wesley Comfort, 2010-01-01 Yes There are poems and hymns in the New Testament Large sections of Jesus speeches are poetic such as the Beatitudes the Sermon on the Mount and his final discourses in the book of John The Epistles are also enriched with some excellent poems of the early Christians and of Paul and the book of Revelation can boast of some outstanding hymns When one reads the New Testament in the Greek text with an eye for poetry many poetic passages spring to life as well as a few hymns These poems not only inform our minds they stimulate our imaginations and arouse our emotions *Holy Bible Poetry: Popular Biblical Passages in Rhyme* Gary W. Parker, 2019-03-05 Holy Bible Poetry is a book of 176 poems each of which includes a popular Biblical passage word for word A limited number of additional words and phrases are inserted in and around the passage to produce a rhyming poem with consistent timing and meter The additions are intended to clarify or enhance the message as well From Genesis through Revelation 46 of the 66 books in the Bible are represented by at least one poem Examples include Genesis 1 1 2 In the Beginning Psalm 23 The Lord Is My Shepherd Matthew 17 20 Grain of Mustard Seed Luke 6 27 29 Love Your Enemies with 172 other popular passages poems **The Poems of William Wordsworth** William Wordsworth, 1923 **A Long Essay on the Long Poem** Rachel Blau DuPlessis, 2023-03-21 For decades Rachel Blau DuPlessis has shown readers how genres forms and the literal acts of writing and reception can be understood as sites of struggle In her own words writing is a praxis in which the author disappears into a process into a community into discontinuities and into a desire for discovery It is cause for celebration then that we have another work of warm incisive expository writing from DuPlessis in A Long Essay on the Long Poem *Passages of a Pilgrim* Joanna Faith, 2017-05-26 This book is a written chronology of the passages of life The 210 poems are spiritual seeds of my hopes loves joys and dreams after the past years full of sorrow pain and tears I believe all the promises of God as stated in Jeremiah 29 11 He has chosen a good future for me I dedicate my spiritual book of wisdom to the precious people who will read of my journey of loss and my deep faith I pray it will bless inspire heal teach and transform you *Mysticism in Postmodernist Long Poems* Joe Moffett, 2014-10-28 Written from a literary critic's perspective *Mysticism in Postmodernist Long Poems* borrows insights from Religious Studies and critical theory to examine the role of spirituality in contemporary poetry specifically the genre of the long poem Descending from Whitman's *Song of Myself* the long poem is often considered the American twentieth century equivalent of the epic poem but unlike the epic it carries few generic expectations aside from the fact that it simply must be long This makes the form particularly pliable as a tool for spiritual inquiry The period following World War II is often described as a secular age but spirituality continued as a concern for poets as evidenced by this study These writers look beyond conventional faith systems and instead seek individual paths of understanding they engage in mysticism in other words With chapters on H D and Brenda Hillman Robert Duncan James Merrill Charles Wright and Galway Kinnell and Gary Snyder this study demonstrates how these poets engage the culture of

consumption in the postwar years at the same time they search for opportunities for transcendence Not content to throw over the earthly in favor of the otherworldly these poets reject the familiar binary of the worldly and metaphysical to produce distinctive paths of spiritual understanding that fuel what Wright calls a contemplation of the divine The Cambridge Introduction to Twentieth-Century American Poetry Christopher Beach,2003-10-23 The Cambridge Introduction to Twentieth Century American Poetry is designed to give readers a brief but thorough introduction to the various movements schools and groups of American poets in the twentieth century It will help readers to understand and analyze modern and contemporary poems The first part of the book deals with the transition from the nineteenth century lyric to the modernist poem focussing on the work of major modernists such as Robert Frost T S Eliot Ezra Pound Wallace Stevens Marianne Moore and W C Williams In the second half of the book the focus is on groups such as the poets of the Harlem Renaissance the New Critics the Confessionals and the Beats In each chapter discussions of the most important poems are placed in the larger context of literary cultural and social history Agonistic Poetry William Fitzgerald,2023-07-28 Pindar s poetry although revered remains one of the least read among great classical works even within classical scholarship His epinikion or victory ode is an unfamiliar genre largely represented only by Pindar himself Engaging with his work requires facing the challenges of his complex language thought process and narrative style Despite such obstacles Pindar has long been acknowledged as an essential poet a symbol of inspiration and originality whose work has provided a model for poets seeking a break from conventional classical forms Yet Pindar s reputation as both a bold innovator and a flatterer of elite athletes has created a dual image of his character and work In this study the focus shifts from Pindar as a historical figure to the lasting significance of his poetic mode which extends to modern works Pindar s work is frequently invoked in discussions of lyric poetry to illustrate that lyricism can be more than subjective or inward his poetry demonstrates a communal voice albeit one that arises not from a predefined community but through the act of poetic resistance By modeling community as an agon or contest the study explores how poetry can reflect communal forces rather than fixed groups This approach contrasts with perspectives that interpret lyric poetry through individualistic or self contained struggles as seen in the theories of Harold Bloom and certain deconstructive readings positioning the poetic voice instead as a dynamic communal force The analysis here extends beyond Pindar s ancient Greek context to examine the Pindaric mode s influence on the English ode and in the poetry of figures such as Hlderlin as well as others like Claudel in French literature While considering historical influences this work does not aim to trace direct literary lineages instead it highlights shared problematics and poetic strategies Through close readings this study reframes the Pindaric tradition not as a set of stylistic clich s but as a source of complex communal expression within the broader field of lyric and odic poetry This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship
