Personal Financial Planning For Gays And Lesbians Our Guide To Prudent Decision Making:

Personal Financial Planning for Gays & Lesbians Peter M. Berkery, 1996 What do millions of gays and lesbians know that other Americans don't? We recognize that the rules of everyday life don't always apply to us equally. That's why financial planning is especially critical for gay people, couples, and households. Like our non-gay counterparts, gay and lesbian adults hold jobs, pay taxes, own businesses, start families, and try to make smart decisions about our own lives. Yet we face special challenges in planning our financial futures and responding to legal, tax, and social issues. **Personal Financial Planning For Gays and Lesbians** is the first comprehensive book on financial planning that is tailored exclusively to the needs of the lesbian or gay reader. Author Peter Berkery gives practical, easy-to-read and essential advice to gays and lesbians who are looking for the tools needed to save and invest, buy a home, create a domestic partnership, pay less taxes, and plan for uncertainty and illness. As an openly gay attorney and financial planner, Berkery is unusually well qualified to recognize the pitfalls and unique situations that face lesbians and gays. He knows it's not the same advice just with a different book jacket.
