Real Satan:

The Real Satan James Kallas, 1975-01-01 James Kallas presents the real Satan by examining who Satan is in both Old and New Testaments Many will want to scoff at the idea that Satan exists at all precisely because their image of Satan is relegated to the ways in which he is depicted particularly in the New Testament There Satan s presence caused people to be blind deaf lame as well as to foam at the mouth scream out obscenities and roll in the fire Others will take Satan s power too seriously by making too much of his power as if Satan is even more powerful than Jesus Christ James Kallas presents a balanced study of the ways in which Satan is manifest in such contemporary places and activities as drug and alcohol abuse atheism and in satanic worship The Real Satan uniquely and seriously addresses Satan s presence and power yet with even more seriousness this book points to the assurance that Jesus Christ is victorious over Satan and all evil powers The Real Devil Duncan Heaster, 2009 **Satan Exposed** William P. Payne, 2019-07-16 Spiritual warfare is not a church fad Rather it is the rediscovery of biblical Christianity Furthermore one will not grasp what the Bible teaches until one comprehends what it affirms about spiritual warfare In truth spiritual warfare permeates the entire Bible When one learns to read the Scriptures through the lens of spiritual warfare one will discern the mission of God understand the kingdom of God and be able to participate in the work of God As a professional theologian seminary professor and spiritual warfare practitioner Bill Payne believes that the church will not make disciples of all nations Matthew 28 18-20 until it operationalizes what the Bible teaches about spiritual warfare As it orients the reader to the spiritual warfare mandate *Satan Exposed* tackles the difficult passages of Scripture In short this book will change how you read the Bible how you understand reality and how you do ministry **Satan and His Kingdom** Dennis McCallum, 2009-06-01 This highly readable and useful examination of Satan and spiritual warfare was written out of necessity In recent years pastor and teacher Dennis McCallum found himself fielding more and more questions about Satan He wanted to recommend a book on the subject but those he found either reflected extreme beliefs contained little biblical instruction used fear tactics or were poorly written In *Satan and His Kingdom* McCallum clarifies what is true and what is false about Satan demons and demonic control both historically and today He shows readers how to effectively battle the enemy individually and corporately all the while keeping their focus on Christ not Satan A reliable resource for pastors lay leaders and any Christian wanting to know more about evil in the world

Uh-Uh, Satan! W. J. Timmerman, 2017-02-06 Do you believe in Satan Why is he called the prince of the world How do most modern movies portray him What is Satan really like Uh uh Satan will tell you more about the evil one than you probably ever knew before You will learn what Satan actually has said to famous saints like Padre Pio and during an American exorcism sanctioned by the church The book details the strategy and basic tactics Satan used on Adam and Eve with Jesus in the desert and most likely again with Jesus in the garden of Gethsemane The author maintains Satan employs the same plan of attack on us today He openly shares how Satan got a hold of him which led to a crippling spiritual infection Then he explains how he has safeguarded himself from relapse and describes his specific plan of protection from evil Learn more about the mysterious 3 00 a m window phenomenon the noxious odor demons give off plus the strange case of Diane who was in healing ministry training with the author

The Possibility of Satan Alan McGill, 2021-05-04 Can we know that Satan exists as a particular disembodied spirit Current Catholic teaching insists that Satan exists as a person a fallen angel who has instigated the Fall of humanity continues to influence humans today and constitutes a singular nemesis to God How one might ask could human beings know such a thing with certainty In response this book seeks to rescue the mythical language in which the doctrine of Satan is rooted so that it is freed from the unreasonable expectation that it affirms the existence of a particular creature and can instead express theological truth that is of relevance to all free willed creatures In doing so it addresses thorny questions concerning the interpretation of Scripture the relationship between God and evil between doctrine and truth between the Church and modernity and between the condemnatory impulses apparent in Christian thought and the doctrine of an omnipresent God of infinite mercy The book detects in the doctrine of Satan the expression of fundamental truths concerning the Creator creature relationship truths that are too easily obfuscated in current formulations that invite either fundamentalism or incredulity
