I.T.,2012-09 When a bogus drug deal lands Ronnie Parelli a k a Soulja in prison the cops breathe a sigh of relief But he is determined to take back what was rightfully his from the streets his authority and his cold hard cash After hooking up with Lou and Big Tye a pair he met in prison he works with them to begin to build their false dynasty The squad possesses the smarts and the brute force to keep everything on the up and up But when the crew hits their greatest lick the brutality of the streets shows its ugly unforgiving face With the help of both old and new crew members things run smoothly until the murder of a drug dealer leaves more than the cops investigating the crime In the midst of the kidnapping robbery and murder he is left to wonder who s loyal Soulja Stories digs deep into the life both inside prison and on the streets The gritty emotionally charged tales show a side of life that is at times tough to understand but that defines so many

Souljastory@itrilla.com Richard Warren Crosson,2012-08 The year is 2016 in the mist of the great recession hangs like an ominous storm cloud in the backdrop of this story which is told in hindsight through the blogs of a chick named Isis In her sometimes salacious narrative this iTrills com blogger has taken her readers back in time when she was a young crazy sexy cool ride or die type that shamelessly rocked a red flag She knew more computer codes than a Silicon Valley whiz kid Readers of her blog also get a peek into her sizzling hot sexual affair with a devilishly influential guerilla gansta named Soulja leader of the notorious B R M clique and founder of the even more influential iTrilla com Never mind that Isis has a man that worships her like her goddess name She s become a drifting moth attracted to the flame of Soulja ever since she and her boyfriend met him While still in the hands of the Feds Soulja evolved into an informed convict disguised as a blogger Unfortunately for the powers that be he is laced with controversial convictions that has inspired millions Soon after his release into the free world he covertly used his own social networking site to chop it up with other leaders of illicit underground street orgs With them he devises a radical blueprint to destroy every prison plantation in America hoping to create a slavery revolt just like the legend of his hero Nat Turner Of course no plan of this magnitude could ever unravel without a significant glitch

INDIA,2019-11-26 Welcome to Detroit Michigan home of the grittiest illest most hardcore crime infested and poverty stricken neighborhoods in the country It s sometimes referred to as the Murder Capital because of the huge murder rate that never ceases to surprise us the Murder Mitten or the Dirty Glove because of the state s shape on the U S map Detroit is home to many scholars rappers athletes and concerned citizens but the streets belong to those in the underworld addicts dealers and the women who help run the show from behind the scenes The Real Hoodwives of Detroit No you won t see these ladies on any television show but you will see them make appearances in court for their man s hearing or at the county jail on visiting day You might even catch them riding shotgun with a nine tucked in their Fendi bag waiting to pop off and protect their men at any cost And of course they make appearances in the hood twenty four seven three hundred and sixty five days of the year Follow Nikki Tonya Chloe Mina and Gucci as they ride you through Detroit one city block at a time Watch as the tales of the black and dangerous unfold right before your eyes In Detroit only the raw and real survive living to see another day These streets are known for breaking the weak and leaving them helpless They aren t made for everybody Scared You should be WELCOME TO DETROIT *Princess Airemese* Princess Airemese,2024-06-12 Princess Airemese follows author Princess Airemese s religious journey Her mother taught her to Try the Spirit by the Spirit and through this Princess Airemese realizes that God has put her on Earth to be a teacher of his word and meaning Using myriad examples from her own life including her dating life she shares how people should treat each other as brothers and sisters in God She warns that people must start following God s word and will in order to save themselves as well as the planet Through other short stories and vignettes she shows how desperately God is needed in this day and age *Focus On: 100 Most Popular American Internet Celebrities* Wikipedia contributors, *Dangerous Emotions* Mitch Dogg,2009-05-01 Welcome to a world of Dangerous Emotions I have been contiplating on writing a series of short stories for some time now In this first novel I present to you a series of fictional characters with real life situations and stories However some stories are completely fiction although this

novel has been cleverly written to hide the identity of real people and real life situations that I've observed throughout my childhood years on up till now and any names or similarities are a complete coincidence. In this novel you'll find a world of drama, murder, greed, deception, love, hate, envy, and revenge, followed by short but sweet poems and prayers. For every lost soul needs a prayer. Although I said I wouldn't, I'm going to give you a small clue of what my novel is all about. Let me introduce to you a couple of my favorite characters for starters. I bring to you Tamara Monet, a very dominant independent caring woman who has suffered a lot throughout her childhood, who finds herself trapped in a world of lies and deceit. And now it's time for her to find herself by letting go of all the negative baggage she's carrying in, which is very hard for her to do with all the added baggage that will simply break her all the way down in order for her to find her mission in life. Now I would like to present a very exciting character by the name of Michael Paul, who's an ex-convict trying to start his life over with a clean slate but is gradually pushed towards a dangerous lifestyle and a lot of people who would love to see his downfall but that's all for now; you'll have to read the book to get the real juice.

The Year Before the Flood Ned Sublette, 2009-09-01
With a style the Los Angeles Times calls as vivid and fast moving as the music he loves, Ned Sublette's powerful new book drives the reader through the potholed, sinking streets of the United States's least typical city. In this eagerly awaited follow up to *The World That Made New Orleans*, Sublette's award-winning history of the Crescent City's colonial years, he traces an arc of his own experience from the white supremacy of segregated 1950s Louisiana through the funky year of 2004-2005, the last year New Orleans was whole. By turns irreverent, joyous, darkly comic, passionate, and polemical, *The Year Before the Flood* juxtaposes the city's crowded calendar of parties, festivals, and parades with the murderousness of its poverty and its legacy of racism. Along the way, Sublette opens up windows of American history that illuminate the present: the trajectory of Mardi Gras from pre-Civil War days, the falsification of Southern history in movies, the city's importance to early rock and roll, the complicated story of its housing projects, the uniqueness of its hip-hop scene, and the celebratory magnificence of the participatory parades known as second lines. With a grand unforgettable cast of musicians and barkeeps, scholars and thugs vibrating with the sheer excitement of New Orleans, *The Year Before the Flood* is an affirmation of the power of the city's culture and a heartbreaking tale of loss that definitively establishes Ned Sublette as a great American writer for the 21st century.

Continuing Perspectives on the Black Diaspora Aubrey W. Bonnett, Calvin B. Holder, 2009-07-16
Continuing Perspectives on the Black Diaspora is a response to a 1990 publication that studied the persistence and resilience of black African diasporic populations in the Caribbean, Latin America, North America, and the United Kingdom. In that book, the authors used the themes of persistence and resilience to interrogate the social processes and the coping repertoire of these diasporic populations. This volume investigates the often overlooked African presence in Asia. Researchers sought to determine how many of these diasporic populations have fared in the context of political independence, globalization, economic marginalization, and the presence of ethnic conflict and institutional racism, even with positive class formations and

declining significance of race in other geographical areas Prescriptions for the continued viability of these diasporic populations are provided India and China are undergoing a global renaissance emerging as potentially significant economic political and cultural actors on the world scene Meanwhile ancestral Africa is still socially politically and economically fragmented thereby causing a new migratory push to North America and Europe [Gangster Mission Part One](#) Dontavious Robinson,2020-06-10 Gangster Mission Part I is mainly about identical quadruplet brothers terrorizing the streets they lived on because there was no other way for them to provide a self satisfying living to prevent from starving and becoming nothing of existence So after robbing banks trap houses random bystanders and hotels the brothers everyday doing took a drastic turn when an unexpected decision was made without group consent resulting in a cop being killed So while in the midst of evading the capture of the policemen that they were eluding from the brothers so happened to meet these four sisters of the same mentality that they themselves carried Would this be the brothers downfall or their upbringing **Playing with**
