Soteri,2014-06-06 Most of us are familiar with Humpty Dumpty through the nursery rhyme which paints a picture of a rather helpless character However there is an alternative version which portrays him as although unlucky a rather more stoic personality Similarly the Chicken Licken story most popular today is one of a simple minded foolish bird However there are in fact many differing accounts of who Chicken Licken was what he stood for and what he achieved This selection of rediscovered stories and rhymes are presented here for the first time accompanied by some rather amateurish sketches by the author **The Best Storytelling Book Ever!, Grades PK - K** Browning-Wroe,Flora,2010-12-14 An effective bridge to

shall quickly waste all of the cities of a doomed race that foolishly followed after the ways of Babylon And the electrical explosions of lightening crackles will then suddenly detonate within our expanse like unstable chemicals that reacts ferociously with non compatible elements Even our continental shelves shall also be rearranged in our new earth when the underlying strata is moved miles out of its place by gargantuan earthquakes Then our abandoned coastlines will be rapidly betrayed by waters that leave real quick without any word And within all areas of the circle of our earth new dry land shall suddenly arise to contend with bloody looking muck that shall be thrown up during volcanic conceptions For our former forgotten seas will be swiftly transformed from eruptions while they abruptly become parched badlands of the driest thirsty kind And those bone dry lands will suddenly be floating upon steaming lava as it cools Then the deepest gorges will be unexpectedly filled in by our ever shaking earth At that point our entire firmament will also be enshrouded with some real dusty ashes while speedily producing real stagnant blackened clouds that will be unable to empty themselves due to the supernatural restraints that God shall place upon them Furthermore all unprotected life will then hastily cease during those most foreboding and darkest hours of God's very worst fury For all of the past vegetation of our greenest plains will then abruptly curl up into little balls while quickly perishing very quick beneath the scorching rays of our sun that has gone more than crazy And our planet will then immediately be stripped naked due to all of those combined happenings that will rapidly lead to untold destruction But after all those above horrid things have finally come to pass only at that point shall our earth soon arise and shine with our God's most loving restoration And the mortal remnant of our great tribulation era shall then always live together with immortal resurrected people that shall no longer be male or female And all of our Lord's elect shall then live evermore upon a blessed remade world that will never pass away
