Real Wraiths:

In the Spirit of Powys Denis Lane, 1990 This work is a collection of essays on the work of John Cowper Powys the English novelist and Nobel nominee The critical intention of these essays is to provide a picture of Powys's achievement Forged Jacquelyn Frank, 2014-04-29 From New York Times bestselling author Jacquelyn Frank comes a seductive new paranormal romance set in the World of the Nightwalkers as a battle scarred bodyguard and a sensitive beauty risk their lives and their hearts in the face of evil When Katrina Haynes discovers a large man lying wounded in the snow she fears he is at death's door But as Kat tends to his injuries she quickly realizes that they're the least of her worries With an irresistible Scottish brogue and a strange ability to harden his chiseled body like a statue the stranger awakens a desire she is unable to resist and a fascination about the intriguing world he exists in As a proud Gargoyle Ahnvil must safeguard the Nightwalker to whom he's sworn fealty But as this bewitching woman nurses him back to health arousing an almost uncontrollable hunger within him he is possessed with the fierce impulse to protect her as well And he will have to shield her for by coming to his rescue Kat has placed herself in the middle of a supernatural war and exposed herself to dark powerful magic As human and Gargoyle forge an unbreakable bond Kat will discover that despite his intimidating strength and size one thing Ahnvil does not possess is a heart of stone Praise for Forged As always there is passion intrigue and danger in this darkly romantic story but it is the potential for the melding of series and characters that gives Forged an extra dash of excitement RT Book Reviews The World of the Nightwalkers gets more interesting with each book as we encounter new species and the battle lines are drawn between good and evil The world building is superb as the author begins to flesh out and color in this new world The Good The Bad and The Unread A very good addition to a highly entertaining paranormal series Fresh Fiction There's something to be said when you finish a book and immediately want the next book in the series Jacquelyn Frank's The World of the Nightwalkers is just that kind of series Bad Ass Book Reviews Solo Command: Star Wars Legends (Wraith Squadron) Aaron Allston, 2011-06-28 The Rebel Alliance's elite strike force must join together with Han Solo to take down their old foe the warlord Zsinj Wraith Squadron they are the Rebel Alliance's ultimate strike force Sleek swift and deadly they are the first in battle the last line of defense Now they must find and destroy a wily enemy more powerful than the Empire itself Their covert mission has been a success The enemy has been vanquished Or so they thought The Super Star Destroyer Iron Fist somehow escaped destruction and with it the New Republic's greatest threat the infamous warlord Zsinj To defeat him Wraith Squadron must join a combat task force led by the only man crafty enough to beat Zsinj at his own game Han Solo But Zsinj knows the X-wing fighters' indomitable courage is both their greatest strength and their greatest weakness For even against the most overwhelming odds the Rebels will fight to the death And that will leave Zsinj the galaxy's unchallenged master Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years **The God Wraith**

John Cowper Powys and the Afterlife of Romanticism Kim Wheatley, 2025-01-09 This study bridges the chronological divide between the Romantic era and the first six decades of the 20th century interpreting John Cowper Powys 1872 1963 as a major under recognized contributor to the cultural transmission of Romanticism Kim Wheatley's John Cowper Powys and the Afterlife of Romanticism uncovers the surprising extent to which this multi faceted Modernist era author reworked key concerns of the Romantic poets Wheatley shows how Powys's prose rewritings of Romantic poetry contribute to the story of the posthumous life of Romanticism especially its environmental legacy In particular the book expands our understanding of the early 20th century reception of William Wordsworth and John Keats Wheatley argues that Powys anticipates and presciently interrogates recent revisionary critical approaches to the Romantics primarily materialist eco critical approaches and therefore invites a fresh environmentalist criticism open to the transcendental and the supernatural Chapters range across Powys's extensive oeuvre investigating his treatment of Wordsworth and Keats in his works of fiction autobiographical writings popular philosophical books and essays of literary appreciation including his Autobiography 1934 his four major Wessex novels Wolf Solent 1929 A Glastonbury Romance 1932 Weymouth Sands 1934 and Maiden Castle 1936 and his later Welsh historical novels Owen Glendower 1941 and Porius 1951 Wheatley demonstrates how Powys uniquely combines sense based nature worship the leveling of animate and inanimate and care for disabled human beings along with mystical and magical themes into an all encompassing ecological vision more capacious than any imagined by the Romantics themselves
